

## Six Farmers Sign For 5-Acre Cotton Growing Contest

### Beekeeping and Peanut Demonstrations Now In Progress

Six Chowan County cotton growers have signed applications to participate in the 1948 Five Acre Cotton Growing Contest to date, according to County Agent C. W. Overman.

A beekeeping demonstration was started with Lonnie Harrell of the Rocky Hock community. Mr. Harrell purchased five colonies of bees. Two of these perished due to lack of sufficient food and one other colony is very weak due to a poor queen. Two of the colonies show good strength and will give Mr. Harrell a good start. Modern equipment is being used.

F. W. Hobbs of the Edenton community is conducting a peanut growing demonstration. Last fall Mr. Hobbs selected two plots to try 0-10-20 applied in the fall for winter peas. These plots received 300 pounds of 0-10-20 per acre broadcast before seeding Austrian winter peas. Peas were also seeded on the check plots adjoining but no fertilizer applied. The check plots will be fertilized according to the regular farm practice this spring.

Mr. Overman reports that tobacco plants are beginning to show a fair stand. Instructions for controlling blue mold have been mailed to the Chowan County tobacco growers.

### Hospital Notes

Patients admitted in Chowan Hospital from March 14 to March 22 include the following:

Clyde Mason, Edenton; Dan A. Basinger, Plymouth; Mrs. Charles S. Phelps, Creswell; Master Wilbert Davenport, Creswell; Mrs. Richard Copeland, Edenton; John Harrison Potts, Edenton; Mrs. Bert Willis and baby boy, Edenton.

#### Colored Patients

Merscedia Jones, Columbia; Elizabeth Drew, Edenton; Thelma Winborn and baby girl, Harrellville; Clarence Jones, Edenton; Beulah Bell, Edenton, and Bessie Coston, Tyner.

### Colored Church Choirs In Program Sunday

An outstanding event for lovers of music will take place Sunday afternoon at 3 o'clock when colored church choirs of Edenton and Chowan County will present a musical program in the colored high school auditorium.

There will be no charge for admission and the public is cordially invited to attend.

#### RETURN FROM CLINIC

Dr. W. S. Griffin and Dr. A. B. Bonner of Hertford returned Sunday from Washington, D. C., where they attended a dental clinic for several days. Over 4,000 dentists attended the clinic.

HELLO FOLKS! ARE YOUR SHOES HAPPY TOO? I'VE JUST BEEN SERVICED TO IMPROVE MY APPEARANCE AND GIVE MANY MORE DAYS OF WEAR. HAPPY SHOES MEAN HAPPY FEET!

## Arthritis Pain

For quick, delightfully comforting help for aches and pains of Rheumatism, Arthritis, Neuritis, Lumbago, Sciatica, or Neuralgia try Remind. Works through the blood. First dose usually starts alleviating pain so you can work, enjoy life and sleep more comfortably. Get Remind at druggist today. Quick, complete satisfaction or money back guaranteed.

## NOTICE TO LAUNDRY CUSTOMERS

In order to render quicker service, we plan to inaugurate a zoning system for pick-up and delivery which we believe will insure a more prompt return of your laundry. Under this plan the laundry in each zone will be picked up and delivered on a regular day each week. We expect to start this in the near future and will notify customers by post card as to the schedule applying to the zone in which they live.

We believe this is a constructive step toward better service and we earnestly ask you to cooperate by having your laundry ready on the proper day.

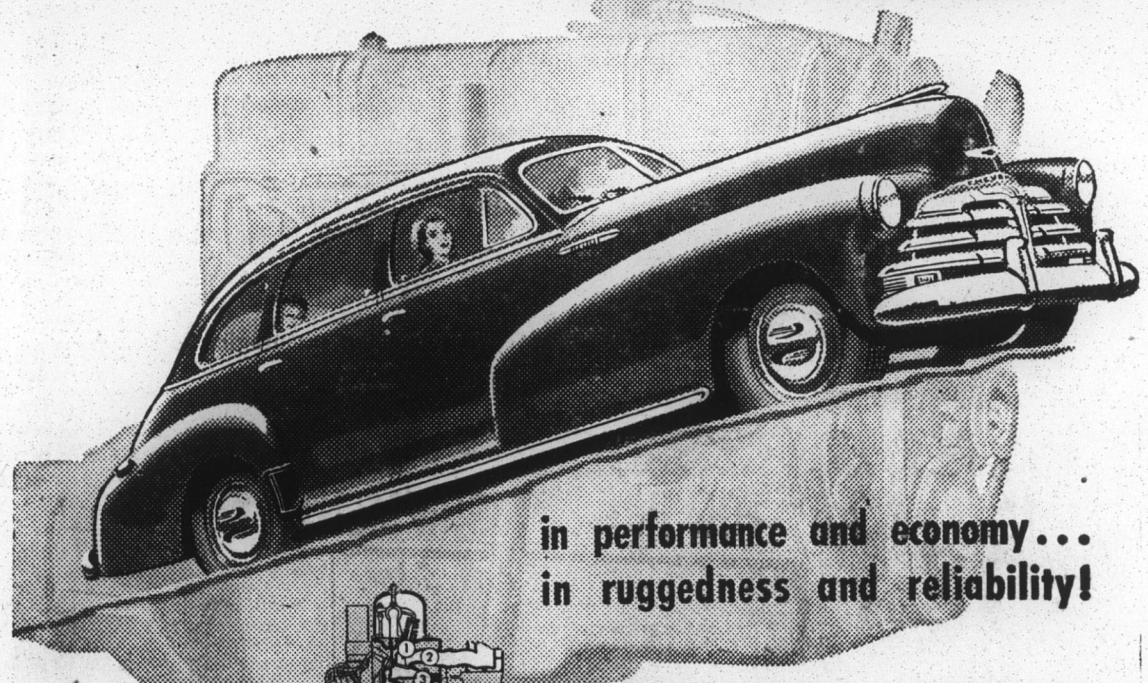

Of course, we will be at your call and available at all times for emergency bundles and for dry cleaning.

We thank you for your patronage in the past and assure you of our desire and effort to serve you better in the future.

## VALVE-IN-HEAD is far ahead!

in performance and economy...  
in ruggedness and reliability!

- 1 In the world's champion Chevrolet engine, the valves are located in the head of the cylinder, directly over the pistons... hence the name, Valve-in-Head.
- 2 Valve-in-Head design provides faster intake of fuel mixture... and quicker and more complete exhaust of burned gases... all of which contributes to better performance and economy.
- 3 Valve-in-Head design also permits a more compact combustion chamber; and this, together with Chevrolet's "Blue Flame" combustion, means more driving power for the pistons—less heat loss—and maximum economy.

**CHEVROLET** Automotive experts and millions of motorists agree: Valve-in-Head is far ahead because it gives an outstanding combination of performance, endurance, dependability and economy... Chevrolet—master builder of this master motor—has proved this by producing more than 20 million Valve-in-Head engines during the past thirty-seven years—engines which hold the distinction of having delivered more billions of miles of satisfaction, to more owners, over a longer period, than any other power-plant built today! Chevrolet's World's Champion Valve-in-Head engine is another powerful reason why CHEVROLET AND ONLY CHEVROLET IS FIRST... another convincing proof that only Chevrolet gives BIG-CAR QUALITY AT LOWEST COST!

**CHEVROLET and ONLY CHEVROLET IS FIRST!**

**B.B.H. MOTOR COMPANY**

"YOUR FRIENDLY CHEVROLET DEALER"  
N. Broad and Oakum Streets Edenton, N. C.

• "Here's a letter from a farmer about an experience he had with natural soda on his hay. I hope what he has to say may help you get more cuttings, too."  
Uncle Natchel

## FARMER'S FORUM

"I have been fertilizing before planting my hay crops, and this gave me two cuttings. Last year I top dressed with Chilean Nitrate of Soda on two acres after the first cutting. This was ready for the second cutting ten days before the rest of the field. It also produced a third before frost. This year I top dressed all of it with Chilean Soda after the first cutting and will get three cuttings instead of two."
