

Demonstration Clubs Planning Programs At Meetings In May

Decided Not to Observe National Celebration May 2 to 8

By MRS. WALLACE GOODWIN

County President, H. D. Clubs
Chowan County is not observing National Home Demonstration Week, May 2-8, but each club will have a special program at its regular meeting in May. This will be followed by a County-wide meeting, climaxing the activities of the individual clubs this month.

The County program of work for club women is based on the theme of National Home Demonstration Week "Today's Home Builds Tomorrow's World" and planned to help make better homes, that tomorrow's world may be a better world. The big aim of Home Demonstration Club work is to help the homemaker solve her problems through better use of talent, time material and money. The club women have made their homes more attractive and convenient, and developed cooperation and leadership that will help them in all community activities.

In addition to the regular club programs, planned to help make farm homes and communities more livable the club women have participated in

PROCLAMATION BY MAYOR HASKETT

WHEREAS the prayer of every man and woman of good will in the world today is for peace and security and the peace of the world depends upon a strong and prepared United States of America, and

WHEREAS a sound and stable economy is essential to a strong America and this is the urgent concern of business, industry, labor and management, government and consumer alike, and

WHEREAS the soundness and stability of our economy depend in the end upon the productive effort of each citizen and the thrift of each individual and family, and

WHEREAS the Savings Bond program of the United States Treasury Department encourages thrift and regular saving, works against further price increases and builds up buying power for the future, and

WHEREAS the Security Loan campaign for United States Savings Bonds began in this community and across the nation on April 15th and runs until June 30th,

I, therefore, as Mayor of Edenton, call upon all citizens to examine personal and family finances with the idea of buying as many extra bonds as possible during the Security Loan campaign. I urge all who can take advantage of the Payroll Savings Plan where you work or the Bond-a-Month Plan where you bank, to sign up for regular, systematic Bond saving. I commend the School Savings program which implants the habit of thrift in our children. Finally, since the Security Loan campaign and the Savings Bond program depend upon the volunteer aid of public spirited citizens, I call upon all who can help sell Bonds to others to offer their services to the local Savings Bond Committee.

America's security is our security. Let us build it together.

(Signed) LEROY H. HASKETT, Mayor of Edenton.

many special activities during the past year.

Club women arranged six educational exhibits in local store windows and had news articles published during National Home Demonstration Week last year.

A new Home Demonstration Club was organized in July, 1947, in Advance Community with 15 members. This made a total of 32 new members in Chowan County during the past year.

Sixteen women attended Farm and Home Week at State College in August and one was a member of the Honor Class. Twenty-nine visited homes and gardens near Norfolk in May, and 36 went on a sight-seeing trip to Williamsburg. They visited historic buildings and grounds and attended the showing of the "Common Glory".

The Home Demonstration Club women have canvassed the rural communities in the Red Cross, cancer and infantile paralysis drives.

Four Clubs made kits of bath towels and packed them with clothing and other articles for children overseas. During this month each club will send a box of clothing and toilet articles to a family in Holland, selected from a list furnished by the State President of Home Demonstration Clubs.

Chowan County was hostess to the District Federation of Home Demonstration Clubs last year with 550 club women attending. They also observed their 25th anniversary of Home Demonstration Club work with a banquet at the Legion Hut on October 23 with 154 attending. Special guests were the husbands of club members, Commissioners and their wives, and past home agents and their husbands. Special recognition

two past home agents, and one assistant home agent.

Club women also cooperate with the 4-H Club work in Chowan County by serving as local leaders, encouraging and instructing the girls in project work, and with special programs. They are assisting with plans for the observance of 4-H Club Church Sunday in each church in the County, during the month of May. They also cooperated with the agents and 4-H Club members with the 4-H Health program and Achievement Day, and the County Council of Home Demonstration Clubs is again sponsoring the 4-H Dress Revue.

Home Demonstration Club women know that the most important job in the world is that of making a more livable home for their families and that they must also have outside interests to be a more efficient and useful citizen.

Negro Women Observe National Celebration Of Demonstration Clubs

The Home Demonstration Club women of Chowan County celebrated National Home Demonstration Week Sunday, May 2, with church service in the Edenton High School auditorium with the Rev. H. L. Mitchell of Gates County as speaker. The program was very nicely carried out with Mrs. Elizabeth Armstead, vice presi-

dent of the County Council, presiding.

The women are grateful to A. S. Hollowell and Mr. Beasley for the use of their windows. Articles in the windows were made by the club members of the following clubs of the county: Green Hall, St. John, Canaan Temple, Cedar Grove and Warren Grove.

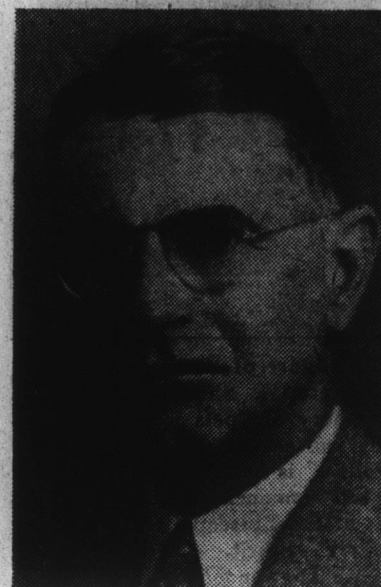

HEADACHE

Capudine contains a quality selected ingredients that work together to give quick relief from headache and dizziness. Follow directions on label.

CAPUDINE

To The Democratic Voters Of Chowan County

Recently I announced that I would be a candidate for the office of Representative in the Legislature in the Democratic Primary to be held May 29th. Needless to say, I will need your votes in order to get the nomination, and it goes without saying that I will greatly appreciate the support of everyone. I have been active in public life ever since I came of age and have been deeply interested in everything that concerned the Spiritual, Moral and Economic interest of our County and State. It has been my privilege to serve as Mayor of Edenton and as Judge of Recorder's Court of Chowan County and as Representative and Senator for several terms, and so, you have had an opportunity to judge and appraise my fitness for responsible public office. It has been my practice in the past to be the same when I am running for office as when I am not. So you will note no change in my attitude towards you simply because I am seeking your favor at this time. It has

always been my political creed not to personally solicit votes or to hire anyone to work for me. It is my concept that one seeking public office should simply present his name to the voters and leave it to them in all good conscience and wisdom to do what is best for themselves and their community. I feel that my legal training and experience in public affairs qualifies me for the high and responsible office of Representative. If you think I can best serve you, I will greatly appreciate your support and will devote my best energies and talents to this end. If you should not favor me, I will accept your decision in all good spirit.

Cordially yours,

J. H. McMULLAN

"EXPERIENCE . . .

Is The Best Teacher In Government"

Charles M. Johnson

With His Training In All Phases Of Our State Government Is The Best Qualified Man To Be The Next

GOVERNOR Of North Carolina

Charles M. Johnson was born April 9, 1891, on a farm near Burgaw in Pender County in eastern North Carolina. He attended Burgaw High School, Bules Creek Academy and Bingham Military School. His career was started as a clerk in the state auditor's office at a small salary and since that time he has steadily climbed the ladder of public service. His activities as State Treasurer have brought him not only state-wide, but national recognition for progressive advancement in the field of finance. He has a vast knowledge of state government and has dealt with all phases of the government. A Veteran, he served as a sergeant in World War I, his son in World War II. He serves on more boards and commissions than any other official, a testimonial of his efficiency. They include: Chairman of Banking Commission, Chairman Teachers' and State Employees' Retirement Commission, Chairman of the Local Government Commission, member of the State Board of Assessment, State Board of Education, Council of State, Veterans' Loan Board, Board of Public Buildings and Grounds, Law Enforcement Officers' Benefit Fund, Sinking Fund Commission. A deacon and Treasurer in the Presbyterian Church.
