

John Byrum Again Colonials' Manager

Players Gradually Being Lined Up For 1948 Playing Season

With the Albemarle League scheduled to open Monday, May 31, the Edenton Colonials have started to round up a team, and this week John Byrum was again chosen to act as manager.

Several practice sessions have been held and with the acquisition of players, prospects appear bright for another formidable Colonial aggregation. It was announced this week that Gashouse Parker, former first baseman for Tarboro, had been signed for the season. Parker played first base and was one of the hardest hitters in the Coastal Plain League. Claude Griffin will also be out for the first base assignment, so that it is likely Parker will play in some other position.

Bill Herman from Brooklyn has been signed as a pitcher, as well as Bill Green, who comes from Catawba College, and has the reputation of being one of the best college pitchers in the State. Brantley Aycock will

Major J. Berry On USS Flagship Catocin

Major J. Berry, steward apprentice, USN, of 204 East Peterson Street, is serving with Subordinate Group Two of the Norfolk Group, Atlantic Reserve Fleet, billeted aboard the amphibious force flagship USS Catocin. The ship is the accommodation ship for this group engaged

in the inactivation, preservation and security maintenance of surplus Navy ships.

The ships of this fleet are undergoing a change known as "Operation Zipper" and have a grotesque appearance due to the "cocoon" covering gun mounts, winches and other weather-deck gear from the application of vinyl plastic. Each ship is kept entirely moistureproof by dehumidifying machines that circulate dry air through all compartments and weather-deck coverings.

Berry entered the Naval service November 20, 1944, and received his recruit training at the Naval Training Center, Bainbridge, Md.
