

## Rotarians Entertain 4-H Club Boys Who Participated In Last Year's Peanut Contest

### Banquet Held at Boswell's Cafe Thursday Night; Prizes Awarded Winners; John Frisby Entertains With Magic Tricks

At a banquet held at Boswell's Cafe Thursday night, the Edenton Rotary Club had as its guests the 4-H Club boys who were in the peanut contest held last year, as well as their fathers. After a delightful fried chicken dinner Jesse James, assistant State 4-H Club leader spoke. Mr. James very interestingly rehearsed the program of 4-H Club work and complimented the Rotarians for sponsoring the contest, emphasizing the fact that the present 4-H Club boys within a few years will be the county's leading farmers.

Following Mr. James' address, loving cups were presented the winners in the peanut contest, both for quality and yield. In addition to the loving cups, the winner of first prize in each group was also awarded a cash prize of \$25.

Sherwood Chesson, son of Mr. and Mrs. Wesley Chesson, won first prize for quality, while second prize went to Edward Parrish, son of Mr. and Mrs. John Parrish, and third prize to Melvin Howell, son of Mr. and Mrs. E. M. Howell. Edward Parrish also won first prize for the highest 4-H

peanut yield in Chowan County in 1947. Wilbur Harrell won second prize for yield and Carroll Evans won third prize.

Wilbur Harrell was declared State 4-H Club winner for 1947 and consequently won a free trip to the National 4-H Congress at Chicago. Young Harrell's acre of peanuts made 2,384 pounds, while Edward Parrish's acre made 2,412 pounds. However, the Parrish boy did not get his peanuts picked before the closing date of the State contest and, therefore, his yield was not considered in the State contest. He was, however, awarded the honor of county champion.

Prizes in the peanut contest were donated by the Edenton Peanut Company and the Albemarle Peanut Company.

John Frisby of Elizabeth City entertained the group after the prizes were awarded. Mr. Frisby presented a number of magic tricks, which were greatly enjoyed by the boys and adults alike.

## Keep a Farmer with National Legislative experience on the job!

Senator William B. Umstead is the only man with adult "dirt farming" experience to serve North Carolina in the U. S. Senate since Hon. F. M. Simmons. Born on a farm in Durham County, the Senator spent the first 21 years actively engaged in growing tobacco and other farm crops.

## He Knows Farmers And Farmers' Problems

And—He DOES something about them. As a member of Congress he voted for the Agricultural Adjustment Act, the Rural Electrification Act, the Farm Tenant Purchase Program, the Soil Conservation Act, and the Tobacco Control Act.
