

Vaccination Clinics Begin Next Monday

Complete Schedule Released By Local Health Department

Vaccination clinics will be held in Chowan County beginning Monday, May 31, during which time free vaccination will be given for typhoid fever, diphtheria, smallpox and whooping cough. In calling attention to the clinics, Health Department officials stress the fact that in a neighboring county there have already been five cases of diphtheria this year, three of whom died.

It is emphasized that typhoid fever is strictly a preventable disease. Germs enter by mouth. They can be transmitted indirectly through contaminated water, milk or uncooked vegetables, and directly from a sick patient to a well person by way of contaminated fingers, linens, utensils, etc. Flies may carry germs from filth to foods. The means of control is by good sanitation and vaccination.

Those who haven't been vaccinated for typhoid fever are reminded that vaccination will be administered at the local Health Department Wednesdays from 2 to 5 P. M., and on Saturdays from 9 A. M. to 12 noon. Three doses, a week apart, are required, or a booster, which is one dose each year.

The schedule of the clinics follows:

- Monday, May 31, June 7, 14, 21
- Hancock (Dixon's Store) — 9:30 A. M. to 10:00 A. M.
- Green Hall School—10:45 A. M. to 11:30 A. M.

Chauffeur's Licenses Must Be Renewed By Wednesday, June 30

Ed Ballenger, State License Examiner, has announced that all chauffeurs' licenses in the State must be renewed by June 30.

Department officials said there were approximately 36,500 motorists in the State who hold chauffeurs' licenses, and the law states that these licenses must be renewed by midnight of June 30.

A chauffeur means every person who is employed for the principal purpose of operating a passenger motor vehicle; except school buses, and every person who drives any motor vehicle while in use as a public or common carrier for persons or property, and this shall apply to city delivery motor vehicles.

The Department urges chauffeurs to get their renewals as early as possible, preferably during the remainder of May.

June 30th is also the deadline for persons with surnames beginning with C or D to have their regular driving license renewed, and an unprecedented rush is expected to ensue near the end of June. It is estimated there are around 150,000 C and D drivers in the State, and so far only around 46,000 have obtained their new licenses.

FIRE AT BASE SATURDAY

One of Edenton's fire trucks rushed to the Edenton Naval Air Station Saturday morning, when a pile of lumber was reported on fire. The lumber, property of the Norfolk Southern Railroad, was piled near the tracks at Waddell, and is supposed to have been ignited by sparks from Train No. 1, which had stopped for a while in the vicinity.

Who feels injustices; who shrinks before a slight; who has a sense of wrong so acute, and so glowing a gratitude for kindness, as a generous boy?

Cotton Prices Up Little Last Week

Spot Cotton Irregular But Close Slightly Higher

Spot cotton prices were irregular but closed a little higher than a week earlier. Spot sales were somewhat larger as inquiries showed slight increases. Domestic mill buying continued light with April consumption somewhat under expectations.

Prices for Middling 15/16 inch cotton averaged 38.00 cents per pound in the ten spot markets on Friday, May 21. This compares with 37.91 a week earlier, and 36.14 a year ago. Reported sales in the ten spot markets increased slightly and totaled 58,300 bales as compared with 42,500 a week earlier and 46,600 a year ago.

Chowan Beta Club Elects New Officers

The Beta Club of Chowan High School met Tuesday, May 26, for the purpose of electing new officers for the coming school year 48-49.

The officers are: President, Lessie Mae Davidson; vice president, Madge Copeland; secretary, Nancy Hugo; treasurer, James Dail; reporter, Ruth Rogerson.

Formal installation of these officers and the initiation of new members will take place early in September. The new members are: Madge Copeland, Audrey Pierce, Marguerite Nixon, Mary Bunch, Christine Harrell, Judy Hollowell, Ruth Rogerson, Bernice White, Catherine Forehand and Martha Leigh.

STATE'S TOBACCO INCOME DOWN NEARLY \$77,000,000

North Carolina's 1947 tobacco crop totaled 907,181,000 pounds and was valued at \$380,848,000, it was indicated in a final summary for the season released by Ray B. Converse, statistician with the Federal-State Crop Reporting Service.

Production was about two per cent smaller than the previous year, when the yield was 927,425,000 pounds, and the crop brought nearly 77 million dollars less than the \$457,638,000 realized from the 1946 crop.

The average price for the 1947 crop was estimated at 42 cents a pound as against 49.3 cents a pound in 1946.

SPECIALIST NAMED FOR GIN IMPROVEMENT WORK

Candler C. Miller, cotton improvement specialist with the Georgia Agricultural Extension Service, will join the Markets Division staff of the North Carolina Department of Agriculture on June 1, it has been announced by R. B. Etheridge, chief of the division.

Miller was in Raleigh the first of this week to get acquainted with his new position. He and Vernon W. Hill, whose appointment to a similar position was announced several weeks ago, will assist Fred P. Johnson, veteran cotton gin specialist with the department, in waging an intensified program for improving ginning standards in North Carolina.

SWINE VACCINATION LAW CITED BY VETERINARIAN

Dr. L. M. Greene, State Department of Agriculture veterinarian, warns livestock dealers that it is illegal to remove swine, except for immediate slaughter, from any public livestock market unless they have been vaccinated against hog cholera and approved by a qualified veterinarian.

A 1941 law regulating livestock markets and livestock dealers, he said, contains a provision aimed at preventing the spread of hog cholera, scourge of the swine industry, through auction and trading lots.
