Davis, chairman of the Wards Committee, reported magazines and fresh flowers were distributed at the hospital twice weekly and asked that anyone having flowers in their yards to be donated to call her. Mrs. Davis also reported special Mother's Day favors of individual white and red roses for the patients and hospital personnel were delivered at the hospital by the florists of Edenton.

## Commander Layton Urges All Veterans To Purchase Poppies

"Pin on a poppy the first thing on Poppy Day." This was the appeal of Kermit L. Layton, commander of the Edward G. Bond Post of the American Legion, to all war veterans in and around Edenton, in a statement issued early this week.

"We can never forget those comrades of ours who lost their lives in war service," said Commander Layton, "so let us show the world that we remember by wearing poppies on Poppy Day. We veterans should lead the way in paying tribute to those who didn't come back, so pin on a poppy the first thing next Saturday morning.

"With our poppies we remember, too, those other comrades who are

still fighting a battle against wounds and illness in the veterans' hospitals. They make the poppies, and the contributions we make for the little flowers are for them, their families and the families of the dead. I am sure veterans will set an example of generosity on Poppy Day."

Poppy Day will be observed here and throughout the nation on May 29. Women of the Legion Auxiliary and local Girl Scouts will offer the poppies on the streets throughout the day.
