#### Ten Club Members Take Part on Interesting Program.

The 4-H Church Service Program, "My Body for Cleaner Living" was observed in the Happy Home Pentecostal Holiness Church on Sunday afternoon, May 23, at 3 o'clock.

The 4-H members repeated together the 4-H Club Health Creed. Scripture Reading was rendered by Kelly Byrum, who read the 9th through the 20th verses from the 6th chapter of I Corinthians. "He Whispers Sweet Peace to Me" was sung by Yvonne Copeland, Bernice Jordan, Kathleen Byrum and accompanied at the piano by Elwood Copeland.

The message "Your Body A Temple" was delivered by the Rev. W. L. Butler, pastor of the church. A poem "The House Inside of Me" was given by Herbert Ray Lane. "To the Work" was the closing hymn for the service, after which the pastor gave the benediction.

A large crowd attended the service.

### TRUE FUNCTIONAL DESIGN

True Functional Design is beauty with a purpose. For example, the STREAM-THRU fenders of the Kaiser or the Frazer are a style feature others have attempted to copy. But the real reason for the design has been overlooked. The true function is to provide more usable space without increasing over-all width. Only

the Kaiser and the Frazer have more usable space. MORE SEAT WIDTH! . . . MORE HEAD ROOM! . . . MORE LUGGAGE SPACE! The Kaiser and the Frazer aren't the same old girls in a new dress—they're new from the road up! Best of all these modern cars from Willow Run are yours at no increase in price!
