

PERSONAL ITEMS

Professor R. P. Eymann, of George Washington University, Washington, D. C., and wife, spent last week-end visiting Mr. and Mrs. H. S. Ziegler on North Broad Street.

Miss Joyce Moore and Miss June Settle have returned to Washington, D. C., after spending the week-end with Mrs. W. C. Moore.

Mrs. Joseph Haste attended graduation exercises at Campbell College Friday, when her grandson, Charles Baker, was graduated.

Mr. and Mrs. Vernon Myers and children of Newport News spent the week-end with Mrs. Myers' mother, Mrs. Charles F. Russell.

Mrs. John Barton Rose of Norfolk has returned to her home after visiting Mrs. Joseph Haste. She accompanied Mrs. Haste to Campbell College to attend the graduation exercises.

Charles Baker will leave today (Thursday) for Bowling Green, Ky., where he will enter the College of Commerce.

Parachute Jumper Highlight Of Air Show On June 20

Expert Has Completed More Than 600 Successful Jumps

Edenton's Junior Chamber of Commerce is proceeding enthusiastically with plans for an air show which is scheduled to be presented at the Edenton Naval Air Station Sunday, June 20. One of the highlights of the show will be Tommy Boyd, veteran parachute jumper from Los Angeles, Cal.

Mr. Boyd has the dubious honor of being the only living bat wing parachute jumper. His record includes more than 600 parachute jumps, 200 of which have been soaring drops using his bat wing. Boyd's equipment includes a bat wing suit with webbing between the legs and extending up to folding wings with a span of 9 feet. He leaves the airplane at 10,000 feet and soars down some 9,700 feet before opening his parachute. During this soaring flight, he executes spirals and turns.

Due to the distance of two miles high, it is impossible for the spectators to see Mr. Boyd as he leaves the airplane, so in order that the crowd may follow his rapid descent, a smoke attachment has been rigged to the bat suit. This leaves a beautiful smoke trailer and the chutist's flight through the air can be followed until he soars close enough to be discernible by the naked eye.

At an altitude of 300 feet, directly in front of the crowd, Boyd pulls the rip cord and his chute opens just in time to break his tremendous speed and float him gently to the ground.

By streamlining his body with the aid of his wings Boyd is able to attain a diving speed of more than 180 miles an hour. He controls his flight through the air by movements of his legs, the webbing between them acting as elevators. His banks and turns are obtained by twisting his body.

One remarkable fact about his jump is that he does not decelerate his speed or tumble before opening

his chute. He spills one wing which throws him sideways and pulls the rip cord at approximately 160 miles an hour. This tremendous deceleration accounts for most of his injuries in carrying out his profession. It amounts to slowing down from a speed of 160 miles an hour to a speed of 12 miles per hour, in two and one-half seconds. Boyd has taken honors throughout the nation in precision spot jumping. Even from a tremendous altitude of two miles, and after soaring for 9,700 feet, it is seldom that he misses his predetermined landing spots more than a few feet.

Car Inspection Lane In Edenton June 8 To 12

One of the State's automobile inspection lanes will return to Edenton and will be in operation June 8 to 12. The lane will again be located on Granville Street between King and Water Streets, where motorists are urged to have their cars inspected according to the State law.

D. Skiles will be in charge of the lane.

HERBERT BASS IMPROVING

Herbert Bass was taken from Chowan Hospital to his home Tuesday afternoon. Mr. Bass had been a patient for 2½ weeks following a serious operation. He is gradually improving and will be delighted to have company call on him at his home.

N. C. Voters Fail To Elect Governor

Continued From Page One

Both Graham and White conceded the election to Cohoon when his majority steadily mounted and sent in their congratulations.

Another one-sided contest was that for Chowan County Representative in the General Assembly in which J. H. McMullan outdistanced Eugene (Shorty) Perry 1,023 votes to 277. McMullan led in each of the county's six precincts from 2 to over 7 to 1. Perry's largest vote was in East Edenton precinct, where he received 105 votes. The closest vote was in Rocky Hock precinct where he was given 39 votes to 79 for McMullan. In Yeopim precinct McMullan led more than 7 to 1 with 61 votes to 8 for Perry. West Edenton was just as one-sided with McMullan getting 398 votes to 55 for Perry.

Though Congressman Herbert Bonner had no opposition, 1,271 votes were cast for him.

For county offices, there was no opposition, so that each one will succeed himself. These officers include Marvin Wilson, judge of recorder's court; Weldon Hollowell, prosecuting attorney for recorder's court; George Hoskins, treasurer; Maurice L. Bunch, register of deeds; and W. W. Byrum, A. S. Hollowell, J. R. Peele, E. N. Elliott and J. A. Webb as county commissioners.

Comparatively little interest pre-

valled in the election, although Umstead, Broughton, Johnson, Scott, Graham and White supporters busied themselves in efforts to secure votes. Friday, the day before election, interest took a boost, when an airplane hovered over Edenton from which a voice urged voters to cast a ballot for Umstead. A motorcade including many cars and supporters of John White also enlivened the community, and went to a number of other towns in the interest of their candidate.

Chowan's vote was not as heavy as expected, less than 1400 votes being cast. Predictions before election ranged from 1450 to 1600 votes.

Thank You, Friends

Though not elected as Solicitor, I want to thank my many friends and voters in Chowan County and throughout the district who voted for and supported me in Saturday's Primary Election. This expression of good will is greatly appreciated by me, and I will always cherish the confidence you have reposed in me.
