

## Local Trio Attends Jersey Heifer Sale

George Bunch and Son  
Roger Purchase Valuable Heifer

On Thursday of last week Robert Marsh, assistant county agent went with George Bunch and his son, Roger, to Raleigh to attend the non-profit Registered Jersey Heifer Sale. This sale was sponsored by the N. C. Jersey Cattle Club, and was held exclusively for 4-H and FFA Club members. Twenty-five heifers ranging in ages from 5 months to 16

months were sold. The heifers came from stock which represents some of the best Jersey blood lines in North Carolina, and club members were fortunate in getting their animals at such a reasonable cost.

Roger and his Dad purchased a very nice heifer which is 12 months old. Mr. Marsh hoped that other club members and their dads would avail themselves of the opportunity to secure a good prospective milk cow. Prices of the heifers sold ranged from \$110 to \$270, with the average being \$137.60. This was much cheaper than these animals could have been bought anywhere else. Possibly a similar sale can be held near the Albemarle section in the future, thereby enabling more farmers and their club sons to attend the sale.

## Kaiser-Frazer Turns Out Its 250,000th Car

Kaiser-Frazer Corporation will produce its 250,000th automobile next week, just two years after production started at the Willow Run plant with the manufacture of seven automobiles in June of 1946.

The quarter-millionth car, a Frazer Manhattan model, is scheduled for production on June 25. It will be the 93,741st car to be built by Kaiser-Frazer in 1948, a figure which nearly doubles output attained in the first six months of last year.

Starting production in June, 1946, the new automobile company turned out 11,753 units in that year. Output jumped to 144,506 for 1947 when the company became the fourth largest producer of passenger cars.

Currently, the Willow Run plant is producing more than 800 units per day on one shift.

## Heirs To \$10,000 Estate Are Now Being Sought

Mrs. Elizabeth Perry Benbow, who would be 87 years old, if living, and therefore more likely her children or grandchildren, are being sought in North Carolina to claim a \$10,000 estate to which they are unknowingly the heirs.

This became known this week when Walter C. Cox, probate genealogist, 208 S. LaSalle Street, Chicago, who specializes in tracing missing relatives to settle estates, assumed charge of the hunt with scant clues on which to proceed.

"Mrs. Benbow, whose maiden name was Perry," Mr. Cox said, "was born in New England in about 1859. When a young woman, she married Benbow whose first name is unknown, and the couple went to somewhere in North Carolina to live.

"Under the laws and circumstances applying, only Mrs. Benbow, if living, or her children or grandchildren (direct descendants) are entitled to claim the estate. There is reason to believe that she or her descendants are still located in North Carolina."

## Miss Mary Griffin At Lake Junaluska

Local Girl Now Attending  
Youth Training Center

Miss Mary Griffin, daughter of Mr. and Mrs. Lloyd Griffin, is attending the Methodist Youth Caravan Training Center at Lake Junaluska this week preparing for voluntary service in local Methodist churches during the next seven weeks.

Experienced in leadership work among Christian youth, Miss Griffin is one of 344 college young people and 86 counselors attending one of five caravan training centers located in various parts of the country. Each caravan team is composed of four young people and one adult counselor. They will serve a total of 700 churches in the United States, Cuba and Hawaii. Three teams will serve churches in Poland, Czechoslovakia, Belgium, Norway, Sweden and North Africa.

Trained in special areas of young people's work, the caravaners "will seek to give basic help on personal religious foundations, outline an intelligent procedure for service to humanity, and assist in developing the best method for getting the essential Christian job done." They will conduct programs in worship, evangelism, world friendship, community service and recreation.

Now in its tenth year, the caravan movement has reached more than a million people in over 10,000 churches across the nation and overseas.

## ITCH

Don't Suffer Another Minute

No matter how long you have suffered or how many remedies you have tried for the itching of psoriasis, eczema, infections, athlete's foot, rectal itching or other externally caused skin irritations—you can get wonderful results from the use of VICTORY SALVE—a war time discovery.

## COTTON PRICE DROPS SLIGHTLY LAST WEEK

Cotton prices declined slightly during the week as trade attention centered on the progress of the new crop and developments relating to the export purchase program. Slow trading continued in the textile market, while mill purchases of cotton was limited to small lots for prompt shipment. Spot prices for middling 15/16 inch averaged 37.04 in the ten markets Thursday. This compares with 37.09 on Friday, June 11, and 37.79 on the corresponding Friday a year ago. Reported sales in the ten spot markets totaled 48,200 bales for the week against 40,200 during the preceding week and 51,700 a year ago.

## IN MEMORIAM

In loving memory of our dear wife and mother, Mrs. J. D. Ward, who passed away two years ago, June 11, 1946.

Two long years have passed since that sad day;  
We think of you every day and miss you so much.  
Our home is so lonely without you, dear wife and mother.  
Life has never seemed the same without you.  
Your memories so sweet and tender, kind and true,  
There is not a day, dear wife and mother that we do not think of you. God only knows our sorrow.  
Your memory will never grow old.  
—Husband and Children.
