

VFW Now Appealing For Contributions To Build Home For Post

OPEN LETTER TO THE PEOPLE OF EDENTON AND CHOWAN COUNTY

Dear Folks: We, the members of Wm. H. Coffield, Jr., Post, No. 9280, Veterans of Foreign Wars of the United States, would like to take this opportunity to acquaint you with our organization, what it is, what it has done, what we are doing, and what our plans for the future are.

The Veterans of Foreign Wars is a national organization established in 1899 by a group of Spanish-American War veterans.

The local Post of the VFW was chartered February 21, 1947, with 36 charter members. This Post was named after the first local man of World War II to give his life in defense of his country. In the short life of this Post these are but a few of the deeds that we have accomplished:

A total of 127 veterans have received assistance in applying for dental work by our local service officer. Veterans in need of hospitalization have been given admittance to veterans' hospitals through our facilities on 19 occasions. We have also lent a helping hand through financial assistance to a number of unfortunate veterans and their families. A total of 31 local veterans in government hospitals have been aided by us through gifts and tokens of our remembrance. This VFW Post has been active in paying last tributes to our fallen comrades upon their return to their final resting place.

As you all know, we are without a home. It is now time that we must make further plans to continue forward in our good work in the betterment of our community and nation, and with our services for all veterans. We have purchased a lot in the town on which to erect a future home and community building. Since the purchase of our lot, numerous people have asked why we do not join with other veterans' organizations in the erection of a mutual home. Since the VFW is made up entirely of men who saw foreign service, it is an entirely different and separate organization, though the purposes and aims of all run along the same lines.

Now, the question arises, "Does the VFW discriminate against veterans who did not see foreign service?" The answer is "absolutely no." It was not of our making that we saw overseas service. True, a few of us asked to go over. Since the VFW is composed of overseas veterans who saw combat and endured the hardships of battle in the defense of our country, it is clearly seen that the VFW is an entirely separate organization. For example, would you say the Gold Star Mothers of America could merge with any other women's organization? So you folks can see why we must go ahead with our plans for our future home as a separate organization. We plan a simple, modest home. Our goal is \$6,000.00. Our members have bought the lot. In a few days a group of VFW members will contact you and ask you to help us all you can. If you aren't able, we'll still be the best of friends. If our members fail to contact you, send any contribution to Veterans of Foreign Wars, Building Fund, Edenton, N. C.

Sincerely yours,
Members Wm. T. Coffield, Jr., Post, No. 9280, Veterans of Foreign Wars.

\$5,000 TRANSFERRED

ing fund to the Chowan County High School Gymnasium and Garage Building Fund. This transfer was ordered in order to meet initial payments in the construction of a gymnasium and garage at Chowan High School, the contract for which was awarded last week.

Petition Asks State To Take Over Fork Road

Chowan County Commissioners at their meeting Monday received a petition asking their help in having the State take over a road in upper Chowan County. The road in question is known as the Fork road, which runs from Yellow Hammer road to the Icaria road, a distance of two miles.

The petition was signed by 11 property owners who live along the road, and the Commissioners unanimously agreed to request the State to take over maintenance of the road.
