

# Edenton Aces Wallop Columbia High 32-0 In Rain Friday Night

## Albert Lassiter, Jr., Has Misfortune to Have Leg Broken

Edenton's Aces encountered little trouble on Hicks Field Friday night in defeating Columbia High School's football machine 32-0. The game was played in a continuous drizzle, which slowed up the play and caused quite a few fumbles by both teams.

The Aces completely dominated in every department of the game, though the scrappy Wildcats never gave up in an effort to score and hold down the Aces' counters.

An unfortunate accident occurred early in the game when Albert Lassiter, Jr., had the misfortune to break a leg. Play was held up until an ambulance was summoned and the injured boy taken to Chowan Hospital. He is getting along as well as can be expected.

The Aces' line played a splendid game, with the Columbia team being able to chalk up only two first downs, while the linesmen opened holes in the opponents' line which helped to register 20 first downs for the Aces.

Edenton started off fast, registering four first downs after receiving the kick-off. Goodwin, Wheeler and Jack Habit all had a hand in getting the ball to the Columbia two-yard line, from where Goodwin crashed through the line for the first touchdown. Goodwin's kick was good for the extra point. About midway of the quarter Altman made a sensation-

al run for touchdown but the play was called back, due to an off-sides penalty on Edenton. In two plays Goodwin carried the ball to the Columbia five-yard line from where Jack Habit broke through the line to score. Goodwin again kicked the extra point, making the score 14-0. Lane intercepted a pass to begin the second quarter and the Aces kicked after a fumble by Altman. For the remainder of the quarter the ball see-sawed back and forth with Columbia making its first first-down of the game.

The Aces kicked to start the second half, but Columbia kicked. Spruill partially blocked the ball with the Aces gaining possession on the Columbia 39. On the next play Wheeler raced through the entire Columbia team for a total of 44 yards to score. Goodwin's kick went wide. Near the end of the quarter the Aces had the ball on the Columbia 38, from where Wheeler crossed the touchdown stripe, but the play was nullified due to an Edenton penalty. As the quarter ended Altman skirted end to score. Goodwin's kick again failed to go through the cross bars.

Columbia was thrown for losses to start the fourth quarter and after the Aces had the ball on the Columbia 26, Wheeler displayed a splendid piece of broken-field running to score the final touchdown of the game. Goodwin's kick for extra point was no good.

The Aces were bidding for another score as the game ended with Goodwin and Wheeler lugging the ball to the Columbia 18 when the final whistle blew.

## Colored Gridders Win Homecoming Game

Lynn Harrell scored both touchdowns in the Edenton colored high school's 12-0 homecoming victory over

Pattillo high school of Tarboro Thursday night on Hicks Field. The first score came early in the first period on a 60-yard dash and the second about midway of the fourth period on a 30-yard run. The second score was set up by a pass play, Harrell to Skinner, which carried a total of 50 yards.

Although Coach Billie Williams' team suffered defeat, it fought hard throughout the game. Time and again the Tarboro backs reeled off long gains, but lacked the punch to reach pay dirt.

At half time coronation ceremonies for "Miss Football" were held. This honor went to Miss Elizabeth Roberts. Her attendants were Misses Elsie Cox, Ida Moore, Mary Roberts, Annie Felton and Lillie Lamb.

### Hi-Ho, Mister!

Generally, men don't know from Sadie about flour... and care less. But brother! What they don't know about hot rolls! Eating 'em, that is, not making, because most fellows couldn't put soap and water together and get suds. Baking rolls is a job for the Missus, and with Silver Mist Flour what a swell job she does! Milk and honey haven't got nothing on a Silver Mist roll when it comes to flavor. Real, honest-to-goodness flavor, the kind of can't-get-enough flavor that watermelon's got in August and spare ribs in January. I don't know whether Silver Mist rolls are better than any others or not, but they sure TASTE better. The Silver Mist folks tell me they got some technical reasons why their flour's best, but all I know is it's got flavor. Yep, no matter whether it's rolls or biscuits or pies or cakes or cookies or bread or paste for paper-hanging, you're going to want to buy some Silver Mist Flour.
