### THIS WEEK'S BIBLE THOUGHT

**OUR TIES ARE SPIRITUAL:** For whosoever shall do the will of my Father which is in heaven, the same is my brother, and sister, and mother.—Matt. 12:50.

### "A Youngster Shall Show Them"

There is a verse in the Holy Scriptures which says "... a little child shall lead them". Something of a similar line can be written in Chowan County, "a youngster shall show them". This remark, of course, refers to the work of the 4-H boys.

It is interesting to note that in the 4-H Club corn growing contest sponsored by the Edenton Lions Club, the various projects averaged 82.3 bushels of corn per acre, with L. T. White carrying off the honors with a yield of 119 bushels from his one acre.

Then Aubrey Harrell, another 4-H Club boy, netted 2,406 pounds of peanuts from one acre this year, and as a result won a free trip to the national 4-H Club Congress in Chicago.

Of course, the 4-H Club boys are required to follow certain practices, some of which are not in accord with old-timers who persist in adopting methods used by their fathers and even grandfathers.

Whether the "smart Alec" methods used by the boys coincides with the ideas of their dads is beside the point. The fact remains that these 4-H Club boys prove with results that up-to-date farming methods pay dividends as to the size and quality of the crop, and necessarily greater cash income.

Old-time farmers may well sit up and take notice of the progress of the 4-H Clubbers, for in some cases, at least, the possibility is that the boys might be able to furnish profitable advice to their elders, despite the advantage of longer experience in the game.

### Have You Forgotten?

Last week many letters were sent through the mail in which were a quantity of Christmas seals. Have you laid the letter aside and forgotten about it? If so, why not send your contribution at once to Mrs. R. C. Holland, treasurer, to help fight tuberculosis? The more money received, the more effective will be the fight, and everybody should help.

# HEARD & SEEN

By "BUFF"

A person doesn't have to be so very old to have an education or to be smart. Take little Jimmy Blythe, four-year-old son of Mr. and Mrs. J. C. Blythe, for instance. On Thanksgiving afternoon after his daddy returned from fishing a la W. E. Malone (he caught one fish), and the youngster pointed to his daddy's automobile license plate and asked, "What is this?" His daddy replied 1-9-4-8 in order and then as the boy pointed to the lettering called out the letters spelling North Carolina. Then Mr. Blythe asked the boy "What is that?" hoping the boy would be able to reply "North Carolina". Instead the chap piped up "an automobile license". That ended the conversation and Mr. Blythe started to clean his fish.

I'm glad McKay Washington went hunting on Thanksgiving day, for had his gun been at home, the chances are that I would have been shot. Mrs. Washington was enjoying the holiday at home, but on two different occasions I asked her to go to her store to get some couplings in order to get the heating equipment at the Methodist Church hooked up. Both times she very pleasantly said she would gladly go to the store to try to get what was needed and finally the bloomin' boiler was ready for use. At any rate her holiday was no doubt messed up a bit, so that I'm glad the gun was being used to shoot at quail instead of my rear view.

In Peter Carlton's Santa Claus column it states that Santa Claus will arrive Friday. This is one of the items held over from last week, so that it does not mean Santa will come on Friday again. He came Friday and a big crowd of youngsters was on hand to greet him. Of course, some of the kiddies would like to see the jolly old fellow come more often than he does.

And speaking about Santa Claus, Izzy Campen has finally realized one of his ambitions. Many times he has taken the role of Santa Claus, but up until this year he's always been obliged to stick a pillow under his coat to make a big belly. He's now equipped with a "bay window" large enough that he doesn't need any packing either fore or aft. And incidentally, I don't know anybody who would make a better Santa Claus than Izzy.

Members of the American Legion Club have announced that the club house at the base has been closed, so that there will be no more dances sponsored by the club. The affairs have been very popular and were the source of a lot of pleasure. The club has had a nice set-up at the base, but the Legionnaires as well as the whole she-bang at the base will soon have to be out to make way for the Marines.

## Mrs. Carolyn Grant Appreciates Shoes

### Shipment Sent to France By Edenton Rotary Club

That Mrs. Carolyn Grant, the former Miss Carolyn McMullan, daughter of Mr. and Mrs. J. H. McMullan, appreciates the response to her appeal for unfortunate children in France, where she is now residing, is reflected in a brief note to the editor of The Herald.

Mrs. Grant's appeal for shoes was printed in The Herald and was responded to by the Rotary Club by sending a shipment of shoes.

Mrs. Grant's brief letter of appreciation, received this week, follows:

"Dear Mr. Bufflap, Taking for granted that you are a Rotarian, I included a message for you in my letter of thanks to the Rotary Club. But in case I was wrong and you're not, I want to make sure you receive my thanks for your cooperation in the shoe request. Your editorial paragraph was very thoughtful.

"The Rotarians responded almost immediately and so many nice shoes arrived. Thanks very much."

"Carolyn Grant."

### Masons Will Choose New Officers Tonight

At the meeting tonight (Thursday) of Unanimity Lodge, No. 7, A. F. & A. M., officers for the year 1949 will be elected. The Rev. W. C. Francis, master of the lodge, urges a full attendance of members to take part in the important matter of selecting the lodge officials.

W. P. Goodwin, chairman of the orphanage committee, is now directing a drive to raise a Thanksgiving offering for Oxford Orphanage and urges all Masons to send in their contributions at once. Usually a number of non-Masons contribute to this worthy cause and Mr. Goodwin will be delighted to receive any such contributions.

**LETTERS POUR IN TO CARLTON**  
Peter Carlton states that after his last Sunday broadcast over WRCS in Ahoskie, each mail brings an increasing number of letters to him addressed to Santa Claus Land, Edenton, Carolina.

The High School Band paraded down Main Street Friday evening to help bring in the Yuletide cheer. The parade was very good and everyone seemed to enjoy it.

line. Here Russell Wheeler fired a pass to Al Habit in the end zone for a touchdown. The excitement was tense and all fans in the stadium rose to their feet as Earl Goodwin prepared to kick through the goal posts. The ball was too low, however, and Kinston fans released a sigh of relief, while the Edenton fans realized that the one point most likely knocked the Aces out of a tie for the conference title.
