

## Advantage Seen In Tobacco Beds Treated For Weeds

### County Agent Overman Inspects Two More Demonstrations

County Agent C. W. Overman reports that after visiting two other tobacco weed control demonstrations last week, he again found excellent results. Gilbert Harrell of the Advance community, says Mr. Overman, found that it took him approximately six times as long to pick his untreated beds as it would the treated areas in the demonstration.

W. H. Winborne of the Cross Roads community had not picked his bed, but appeared to have very few weeds in the untreated area but considerably less in the treated plots.

A. C. Griffin of the Edenton community found that it took over ten times as long to pick the untreated plot in his bed as it would the treated plots. All of these records are based on a per square yard basis.

Further results are observed in treated plots as compared with untreated plots. Treated plots are naturally much higher in nitrogen and the plants are making much faster growth. Blue mold has struck all of these three demonstrations as well as practically every tobacco bed in the county. A. C. Griffin is spraying his bed and appears to have the blue mold under check now.

### Hajoca Exhibition In Norfolk Three Days

HAJOCA Corporation, manufacturers and wholesalers of industrial, plumbing and heating supplies, with 31 branch offices in eastern seaboard cities, will bring to its local branch showrooms, 24th Street at Llewellyn Avenue, in Norfolk, a novel industrial supply exhibition for three days, beginning Tuesday, April 26 and continuing through April 28. Exhibit hours will be from 5 P. M. to 10 P. M. daily.

W. J. Tuttle, manager of the local

## Signal From the Quarterback

Engine "revved up" for take-off, a Naval Aviation Cadet aboard the practice carrier USS Wright at Pensacola Naval Air Station gets the go-ahead signal from the flight dispatcher of an air group. Pensacola Naval Air Station, the "Annapolis of the Air," is the focus of the recently reactivated Naval Aviation Cadet training program, which is open to healthy, single young men between 18 and 25, with at least two years of college. Upon graduation they are commissioned ensigns in the Naval Reserve, or second lieutenants in the Marine Corps Reserve, are awarded their wings and assigned to two years' active duty. (Official Navy Photograph)

HAJOCA branch, serving Norfolk and the principal communities bordering the James River as far as Hopewell and the Cape Charles peninsula, says the exhibition is not designed to compete with or supplant the large national shows, but rather to provide the convenience of a local display of the most widely used industrial supplies on a smaller scale where local purchasing agents, plant engineers and maintenance men have a real opportunity of furthering their knowledge in this field.

## High School News

By GLENN RAE TWIDDY

Last Thursday night the Aces played Colerain and Colerain was defeated by a score of 12-8. The Aces played Elizabeth City last Tuesday night, Chowan Wednesday night and Tarboro Thursday night.

Aubrey Harrell, the president of

the Student Council, read some of the constitution at the last meeting, and there was some discussion about elections of Student Council presidents. The constitution says that in an election of the president, the nomination should be seconded. By a vote of the Council members, it was decided that in the election the nomination may be seconded instead of should be.

Everyone is eagerly awaiting May 4th, when the annual May Day Festival will be held on the Green. On this day the May King and Queen will be crowned. The candidates for King and Queen are: Freshman, Bessie Tynch and Donald Batton; Sophomore, Syble Cayton and Van Small; Junior, Clara Dixon and Malcolm Eason; and Senior, Jane Gray and Al Habit.

Friday, April 29th, is the big night for the Juniors and Seniors. This is the night when the Juniors pay honor to the Seniors by giving them a large banquet and a dance afterwards. The Juniors have been working very hard for this large event and everyone's sure that it will be a huge success.

## Delightful Scout Meeting Held In Armory Friday

### Scout Executive Harold Pace Makes Stirring Address

Saturday—Shows Continuous

The Bowery Boys in "TROUBLE MAKERS"

at a meeting held in the armory Friday night.

The meeting was headed up by J. R. Byrum, who is chairman of camping and activities and was assisted by district Scouters. John A. Holmes was master of ceremonies and introduced the Rev. W. L. Freeman, pastor of the Methodist Church, who delivered a most interesting and inspiring message on the call to service for youth.

Scoutmaster C. W. Overman of Troop 156 addressed the gathering briefly and was in charge of showing several interesting films to the youngsters, while the adult assembly was split into groups for discussion and workshop. Harold Pace, Scout Executive of the Tidewater Council, of which the West Albemarle is a component part, assisted by Council Commissioner Gordon Lindsey, showed films of Camp Darden and led the discussions of the scouting group. Cubmaster Dick Aiken led the workshop for Cubbing, assisted by district Scouter Rodney Byrum, the Rev. W. L. Freeman and Peter Carlton.

New den mothers elected were Mrs. Horace White, Mrs. R. Perry, to be assisted by Mrs. Clyde Hollowell and Mrs. Mattie Speight. Mrs. L. A. Patterson, immediate past president of the P.T.A., will assume a den in the fall.

Cub Scouts Pat Carlton, Bobby Pratt and Archie Patterson started the sessions off with a flag ceremony. Scout W. O. Speight was flag bearer.

Scouts of Troop 156, led by Scoutmaster Charles Overman, gave the closing ceremony.

One of the highlights of the meeting was the challenge to liberty given by Scout Executive Harold Pace and the pledging to service by both adult and youth groups. Pins were presented to those pledged.

A bountiful picnic lunch was served by the ladies with refreshing drinks from Barrow Bottling Works.

Scoutmaster O. C. Long and his assistant, Alphonso Spivey, accompanied by Stillman Leary, original committeeman made a fine showing with their Rocky Hock Troop.

H. A. Campen was introduced by Mr. Holmes as the first Silver Beaver recipient in the history of Scouting in the East and West Albemarle, and who did more for scouting than any one person.

## A CHALLENGE

Here's a challenge to young men who can meet the present high physical and mental requirements of the new U. S. Army and U. S. Air Force. Now the standards for enlistments are the highest in history. Can you think clearly, react rapidly—do you possess the degree of physical stamina set for leading a vigorous, active Army or Air Force life? If so, see your local recruiter and take the entrance exams. Those who qualify become members of that great team of CAREER soldiers upholding the finest traditions of a proud profession—the U. S. Army and the U. S. Air Force.
