

### Jaycees Seeking Entries For "Miss America" Contest

#### Kermit Layton Is Chairman of "Miss Edenton" Contest

Kermit L. Layton, chairman of the Edenton Junior Chamber of Commerce "Miss Edenton" contest, a preliminary to the North Carolina State contest to decide "Miss America," is urging all young ladies between the ages of 18 and 28 who desire to enter the contest to send their entries at once. Any young ladies between the above ages living in the area covered by this contest, which includes Chowan County, are eligible to enter.

This contest offers an excellent opportunity for some young lady, talent-

ed and interested in continuing her education, to compete for the many scholarships being offered in the "Miss America" pageant, and give her a chance to vie not only for the title of "Miss Edenton," but also for the honor of representing North Carolina in the "Miss America" pageant national finals at Atlantic City in September.

Official entry blanks can be secured by contacting Mr. Layton or other Edenton Jaycees. "If you have not already entered," said Mr. Layton, "send in the official entry blank today and become part of this national beauty, health and talent competition of the "Miss America" pageant sponsored by the Junior Chamber of Commerce Clubs of the country. It may win you fame and fortune and the title of "Miss America" of 1949."

Sponsors of the contest warn that rules and regulations as well as contestant qualifications will be strictly adhered to.

Charles H. Bufflap plans to leave Edenton Friday for York, Pa., where he will visit relatives and friends.

### Selling Brooms Is Unique Feature Of Clean-up Week

#### Edenton High School Band Will Benefit By Sales

With this week being observed as clean-up week, sponsored by the Edenton Junior Chamber of Commerce, brooms will be on sale Saturday in an effort to secure funds for the benefit of the Edenton Band.

On Saturday the brooms will be on sale in front of Byrum Hardware Company, Leggett and Davis and Mitchener's Pharmacy, and those in charge of the sale, say brooms will be delivered to purchasers anywhere in Edenton.

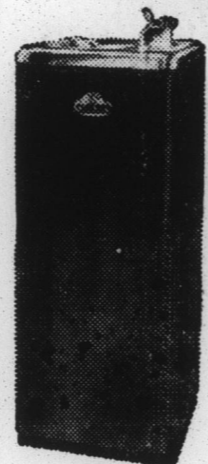

Homes will be canvassed to sell the brooms, and the band members will also aid in helping to make sales during the day. It was pointed out that the brooms are very good, and, though they will be sold for one dollar, they are regularly priced higher.

Jaycees and Mayor Haskett are hopeful that citizens in general will join in the clean-up spirit, even if no brooms are needed, but they point out that by buying a broom, the band will materially benefit.
