Plans Formulated For Boat Rides On Albemarle Sound

Legion Post Planning For Summer and Fall Activities

Plans are being formulated by Ed Bond Post of the American Legion to secure moon-light boat trips from the Edenton dock this summer.

Efforts to stage the first "Cruise of the Bay" were frustrated Sunday afternoon due to the delay in arrival of the last watermelon boat. About 30 couples had planned to make the trip, which included a picnic supper aboard the vessel.

Negotiations are now under way to charter a boat for this purpose in the near future. The American Legion will sponsor these trips and if they prove successful, moonlight barge dancing trips will also be staged, as a part of Legion plans for active social and entertainment programs for the summer and fall.

BIBLE CLASS MEET

Big Air Show At Base Saturday

(Continued from Page One) exciting military maneuvers in their latest type jet aircraft.

3:20 P. M.—Lieut.-Col. Marion E. Carl, USMC, will complete several runs just as he did at Muroc Dry Lake when he broke the official speed record of the world (651.4 miles per hour).

3:40 P. M.—An airplane performing intricate maneuvers of flying backward, sideways, straight up and down. The pilot will lower and raise cargo while in mid-air.

4:00 P. M. Until Dark—Airplanes on the ground with platforms built up, so visitors can see the complicated cockpit of modern military aircraft.

4:10 P. M.—Start dancing to a real orchestra. The games start.

6:00 P. M.—Band concert by the famous "Flying Marine" Band. Military airs, operatic, classical and popular music.

6:30 P. M.—Twenty-four airplanes of Marine Fighting Squadron 211 (the Wake Island Squadron) will fly over the field in squadron formation and make a simulated aerial attack on the field.

6:30 P. M.—Dancing and games of skill and chance will continue until 10:00 P. M.

As stated before, it is hoped many people will attend the affair. Col. Raymond E. Hopper, commanding officer, extends a cordial invitation to everybody to enjoy the occasion.

Short Crop

Some indication as to the size of this year's watermelon crop is reflected in the fact that up to Tuesday 16 boats departed with Chowan County watermelons for northern markets. Last year 40 boats took part in moving the crop.

The sixteenth boat left the local dock Tuesday and it was indicated that no more will return.

This year's crop was greatly curtailed due to the long seige of rain during the growing season. R. K. Hall, captain of the dock, said the boats this year left dock in very good order.

Commissioners Change Date For Next Meeting

Chowan County Commissioners at their meeting Monday decided to hold their September meeting two days later than usual. The meeting will be held Wednesday, September 7 instead of Monday, September 5. Reason for the change is due to Monday, September 5, being Labor Day.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Louis White announce the birth of a daughter, Ray Frances, born July 11th.

Road Program Is Approved

(Continued From Page One) State to take over County roads. These requests consume a great deal of time on the part of Highway Commission employers, much of which can be eliminated by the Commissioners by refusing to consider requests which are not proper to be added to the highway system.

The county-wide Committee had its recommendation in the hands of the County Commissioners, but there apparently was some misunderstanding about paved or all weather roads and stabilized roads. Due to this fact, the committee asked to be excused in order to rearrange their recommendations and after quite a while they returned with the following roads to be paved:

From Quinton Bass' store on U. S. 17 to John Waff's corner, over Tiptoe swamp connecting with Macedonia road at Advance school.

From Henry White's store in Cowpen Neck at the intersection of Macedonia road via Chambers Ferry to Rocky Hock Creek.

From Greenfield gate to Drum-
