BASEBALL

(Continued From Page One—**Edenton 2, Elizabeth City 11**) In a very one-sided game played Wednesday night of last week in Elizabeth City, the Senators defeated the Colonials 11-2.

The Senators took an early lead by scoring three runs in each of the second and third innings and added four runs in a big fifth inning. Another runner crossed the plate in the sixth.

The Colonials scored a run in each of the sixth and seventh, and at no time during the game made any serious threat to overcome the Senators' lead.

Titus was on the mound for the Senators and had the situation well under control. He allowed only seven hits, with Parker and Pavlish making two each. Titus also played a leading role in the victory, for he hit a home run with two men on base.

Although Manager Gashouse Parker used four pitchers the Senators made only eight hits, but these blows came at a time when hits produced runs. Tysko started the game, with Herman, Andrewsh and Stocker following.

Edenton 3, Elizabeth City 0 In one of the best played games of the season the Colonials defeated the Elizabeth City Senators on Hicks Field Thursday night before a large crowd of fans 3-0. Both teams played errorless ball, coupled with spectacular playing on the part of both outfits, and a home run hit by Manager Gashouse Parker which was just about the farthest hit ball ever seen on the local diamond. The ball sailed high over the lights in left field.

Price on the mound for Edenton, was in rare form and but for a single made by Black in the sixth inning, he would have registered a no-run, no-hit game.

Weaver went the entire game on the mound for the Senators and gave up only seven hits.

The Colonials opened their half of the first inning when Messina hit a double on the first ball pitched. Hoch then doubled scoring Messina. This ended the scoring until the sixth when Bohonko singled and Parker hit his sensational home run after he was "roasted" by a large crowd of Elizabeth City fans on hand for the

game. Parker slightly bowed and tipped his hat to the Senator fans when he crossed home plate.

Parker and Bohonko led at bat for the Colonials with two hits each.

A peculiar feature of the game was the fact that each pitcher fanned the other the three times they batted.

Edenton 6, Colerain 4 Although the Colerain Trappers staged a rally in the ninth inning on Hicks Field Friday night, the Colonials took the long end of a 6-4 score.

Stanley Johnson started on the mound for the Colonials, the first time he has worked since an injury a few weeks ago. He apparently weakened and was relieved in the seventh by Schadel. Johnson was

given credit for the game, his 12th victory of the season.

Flythe pitched the entire game for Colerain, but while he was rather stingy with hits, he developed a streak of wildness and walked eight batters.

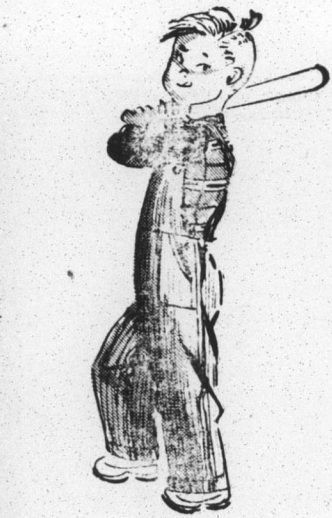

The Trappers outthrew the Colonials 12 hits to 8, but they came for the

most part when they did not manufacture runs.

The Colonials scored one run in the second and tallied three times in the third. A run was added in each of the fifth and seventh.

Murphy led the Edenton team at bat with three hits, while Umphlette led the Trappers with three hits.
