HARDWARE CO. EDENTON — SUFFOLK

**Edenton And Windsor Win Right To Play In Championship Series**

**First Games on Tuesday Night Postponed By Rain**

With the Edenton Colonials' defeating the Windsor Rebels in the semi-finals for the Albemarle League championship and Colerain topping Plymouth, the Colonials and Trappers were scheduled to begin the seven-game championship series Tuesday night on Hicks Field. A downpour of rain late Tuesday afternoon, however, prevented the start of the series, so that the first game was scheduled to be played Wednesday night after the Herald was printed.

Both semi-final winners had a hard road to travel to win the right to play for the championship.

In the first place Windsor was put to the test to get in the play-off series, and then went on to take the first two semi-final games from Edenton, only to lose the remaining games. The Colonials actually had to win five games to take the series due to replaying a protested game.

The Colerain-Plymouth series went the full seven games, with a battle royal in Plymouth Monday night to decide the winner. The two teams battled for 13 innings before the Trappers shoved across the winning run by a score of 7-6.

Plymouth was leading 6-5 in the eighth inning, but the trappers scored the tying run in the ninth. It was not until the 13th inning when Colerain shoved across another run which

entitled them to meet Edenton in the championship series.

It required three hours and 25 minutes to play the game, and was said to be the most exciting game played on the Plymouth diamond this season.

**Wright Brothers Stamp Scheduled For Release Dec. 17**

**First Day Sale Will Be Confined to Kitty Hawk**

According to a letter to The Herald from Congressman Herbert Bonner the first day sale of the Wright brothers stamp will be held at Kitty

Hawk. The new stamp will be released on December 17.

Immediately after Postmaster General, J. M. Donaldson announced that the Post Office Department would issue a special stamp commemorating the return of the Wright brothers

plane from England, Mr. Bonner personally urged him to use the Kitty Hawk Post Office for the first sale. After several discussions and correspondence, Mr. Bonner was ad-

vised by Mr. Donaldson on August 31 that the new stamp will be released on December 17, with the first day of sale opened at the Kitty Hawk Post Office.
