

Edenton Aces Trim Tarboro 21 To 14

Game Ends With Fight Among Players and Spectators

Coach George Thompson's Edenton Aces defeated Tarboro High School on the latter's field Friday night by the score of 21-14. An unfortunate part of the game was a fight which developed among players of both teams and some of the spectators near the end of the game. Just what caused the swinging of fists is not definitely determined.

The Aces, playing in good form, scored two touchdowns in the second quarter when they marched 35 yards down the field and Earl Goodwin plunged through the line for the first score of the game. Near the end of the first half Earl Minshew flipped a pass to Frank Hughes, which was good for the second touchdown.

In the third quarter when the Aces were near the Tarboro goal line, Lane ploughed through the line for the third Edenton touchdown. Gene Taylor kicked to make good each try for extra point after touchdown.

Tarboro seriously threatened in the final period, when two touchdowns were made as they resorted to the air. Passes from Sasser to Thomason resulted in both scores and each try for extra point was good.

Edenton Dragons Trim Hertford 13-0

Homecoming Day Featured By Parade Friday Afternoon

The Edenton Dragons, colored high school football team, observed homecoming day Friday, and climaxed the afternoon by defeating the Hertford Phantoms on Hicks Field by a score of 13-0.

Prior to the game a parade was held, led by the Roper High School Band and included a large number of decorated cars and floats. On the kickoff Sutton carried the ball from his own 20-yard line to the 45 before he was brought down. Moses Bemby crashed through the center of the line to score the touchdown.

In the second half the Dragons had little trouble in making their second touchdown. A Hertford fumble was recovered and on an end run Willie West raced 45 yards to score standing up. West also kicked the extra point.

The Dragons are scheduled to play Greenville in Greenville Friday night. Coaches Newsome and Scott say they will use the same starting lineup and that all the boys are in good shape.

Friday's lineup included Austin and Halsey, ends; Brooks and Blount, tackles; J. Bemby and Mayo, guards; Brinkley, center; West, W. Bemby, and Sutton, backfield.

District Governor Rotary Club Guest

Holds Club Assembly Before Speaking at Meeting

Edenton Rotarians had as their guest at last week's meeting Zeb Brinson of Tarboro, Governor of the 278th Rotary District. A club assembly was held prior to the meeting which was attended by officers of the club and various committee chairmen.

Mr. Brinson was also the principal speaker at the dinner meeting of the club. He said that no man becomes a good Rotarian in a day, week, month or even a year in some instances. Pointing out that a doctor or lawyer becomes better in his profession as the result of practice, so a Rotarian becomes a better man and Rotarian as he practices what Rotary stands for. He emphasized the fact that liberty and Rotary are synonymous, for where there are free people, there will be found Rotary. The District Governor urged each Rotarian to ask himself the question, "How good a Rotarian am I?"

Mr. Brinson was introduced by President George Twiddy.

How Employers Can Help Their Employees

Many potential beneficiaries under the Old-Age and Survivors Insurance program lose benefits because they fail to file for them promptly. This is according to an announcement by J. A. Morrison, manager of the Norfolk Social Security Administration Field Office.

Mr. Morrison stated that possibly the reason potential beneficiaries failed to claim benefits due them was because they did not realize their rights. The Social Security Administration has no way of knowing when a worker retires either temporarily or permanently, he added.

The employer has a valid interest in seeing to it that his employees receive the benefits for which they have shared in paying. To inform each of his employees of retirement age that they can claim benefits for any months earn less than \$15.00, would seem to be an integral part of good industrial relations.

Retired workers are not the only persons losing benefits. Survivors of deceased workers have also lost benefits. Here again the employer may help prevent such loss by letting the survivor of a deceased employee, regardless of the latter's age, know that he, or she, should contact your local social security field office to file a claim immediately, or within three months at most.

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!
