

High School News

By GLENN TWIDDY

The Aces traveled to Tarboro October 21st for a non-conference game and won by a score of 21-14. The game, however, ended in a fist fight. Friday, October 28, was the date of the homecoming game with Edenton's old rival, Hertford. There was a big parade before the game consisting of the E. H. S. Band, the football team and her court, and several floats. The Sophomore class won the first prize of \$7.00. The Seniors took second place for \$5.00 and the Student Council won third prize of \$3.00.

At the last Student Council meeting it was discovered that there was not a room available in school for a first aid room. However, someone

mentioned using the room in the back of the home ec. department. Next Wednesday the Student Council will again take over the town for a day. Last year this was very successful and it is hoped that it will be just as successful this year.

The F. H. A. Club initiated their new members last Friday. The Club is under the sponsorship of Miss Miriam Scott again this year.

Basketball Teams Practice At Chowan

Both boys and girls basketball teams at Chowan High School are going through stiff practice sessions in preparation for the opening of the court season, and the teams are shaping up well according to coach F. R. Rawles.

Coach Rawles states that in the very near future practice games will be scheduled with nearby schools, which will be played before the conference games begin.

Prospects appear bright for having strong teams at Chowan High School this year, where games will be played in the new gymnasium.

DAR's Observe 175th Tea Party Anniversary

The modern version of the Edenton Tea Party which was celebrated Wednesday night of last week in honor of the 175th anniversary of the first and famous Edenton Tea Party, was a huge success. The party took the form of a Canasta Party, and this new game was played at 25 tables in the Chapter rooms of the local DAR in their newly acquired home, the James Iredell house. The sum of \$75 was realized.

Canasta and bridge were played and table prizes were awarded to the high score of each table. The door prize, a big chocolate cake with anniversary candles, was awarded to the

only British guest, Mrs. Martin Wisely, who seemed to be delighted that she was the lucky winner. The refreshments, in addition to delicious chicken salad and other sandwiches, were Penelope Barker tea cakes and tea.

The local DAR Chapter is very appreciative of the generous response of the public to their first party in their Chapter House.
