Moved

Harriet B. Leary, circulating librarian, announces that a new circulating book station has been set up at Center Hill in the home of Mrs. Elton Jordan. All who wish books are asked to call at the house.

The Station serving Green Pond has been moved to the home of Mrs. Herman Nixon.

The circulating librarian hopes more readers will avail themselves of the library service in their respective communities.

ated." Dr. Jordan replied to Mr. McMullan's letter on January 18, which was the basis for Mr. McMullan's decision not to seek re-election as Representative. The letter follows:

"I enjoyed your letter of January 5, and I am sorry that I have not had the information that would make it possible for me to give you an answer to your letter at an earlier date.

"The Chowan River bridge has been approved for reconstruction, which will make it a bridge of standard construction. Our failure in not getting this bridge approved has been caused by the reluctance of the Federal Government to approve the use of the present draw span on the bridge. However, the details of this matter will, I am sure, be worked out in the near future and this project will go forward some time during the current year.

MORE FOR YOUR MONEY!

To Be Truthful, We Had Our Doubts, Too!

Last Friday night we ate the first of our much-talked-about "TENDER-SWEET" Fryers, and found it better than we had dared to hope it would be, and even as good as we say they are.

The response last week was pleasantly surprising and the number of people who have let us know that they liked our chickens is most gratifying. But there are still a lot of people who haven't tried them, and they need to be convinced—for their own (and our) good that these are better.

In order to convince them, we're making an introductory offer for this week at 50 cents per pound, dressed and drawn and delivered on Friday. Live chickens can be secured any day this week at 38 cents per pound.

These "TENDER-SWEET" Broilers and Fryers are the best! CALL 415-J or 268-W.
