John F. White Enters Race For Office In General Assembly

Veteran Legislator Announces Candidacy Monday

NOW CONTEST

Mrs. Raymond Carr Also Candidate For Representative

John Fernando White, veteran legislator, early this week announced his candidacy as Chowan County's representative to the General Assembly, subject to the May Democratic primary election.

Mr. White previously has served six regular and two special terms in the General Assembly, working under five Governors, Max Gardner, J. C. B. Ehringhaus, Clyde R. Hoey, J. M. Broughton and R. Gregg Cherry. He was elected Representative for the sessions of 1931, 1935, 1937, 1939, 1943 and 1945, and served in special terms of 1936 and 1938.

Before representing Chowan County in the General Assembly, Mr. White served as Judge and prosecuting attorney of Recorder's Court and attorney for the Town of Edenton.

Mr. White took his academic work at Wake Forest and later studied at the University of North Carolina and began his law practice in Edenton in 1926.

Since his term of office as Representative in 1945, Mr. White has not been in public office, although he made a bid for Solicitor of the First District, but lost out, along with a number of other candidates, when Walter Cohoon handily won the election.

Mr. White donated the athletic field to Chowan High School, which bears his name and this year leased six acres of land adjoining the Chowan High School property for a period of 20 years to be used as a forestry project in connection with the school without compensation. This is the first project of its kind in Eastern North Carolina.

Mr. White's announcement of his candidacy results in a contest for the office, for Mrs. Raymond Carr, first Chowan County woman to seek the position, announced her candidacy a few weeks ago.

Raymond Mansfield Is Elected President Of Rod And Gun Club

Interesting Meeting Friday Night at Ernest Lee's Cafe

At a dinner meeting of the Chowan Rod and Gun Club held at Ernest Lee's Cafe Friday night Raymond Mansfield was elected president to succeed J. Rodney Byrum. J. D. Elliott was elected secretary.

A goodly number attended the dinner, which was attended by Ross Stevens, executive secretary of the N. C. Wildlife Federation, and Pat Riley of Raleigh.

J. R. Byrum called the meeting to order and after Mr. Mansfield's election, the latter presided. Mr. Stevens was introduced, and he briefly rehearsed the progress of the Wildlife Federation, saying that it was hard sledding at the outset, but that now more interest is being taken.

Mr. Stevens introduced Mr. Riley, who presented a picture which gave some idea of the state's wildlife resources.

After the picture, a round table discussion was held, during which damage to the fishing industry by pollution of waters was the principal subject discussed.

Easter Seal Sale In Chowan County Is Now Under Way

Many Letters Mailed Containing Batches Of Seals

W. J. Taylor this week put in the mail a large batch of Easter Seals as part of the drive in Chowan County to raise funds to aid crippled children. This plan, used effectively in former years, was again adopted this year and it is hoped every person who receives a letter will return his contribution immediately.

Chowan's quota this year is \$350 and with a number of crippled children in the county dependent upon the aid received through Easter Seals, the need for funds is emphasized. The drive is sponsored by the Edenton Lions Club.

Fifty-five per cent of the contributions received in Chowan will remain in the county for local use. This money is used for financial or other types of assistance to handicapped persons who cannot obtain services from any other source. It includes physical examinations; medical treatments, operations, tonsillectomies, etc.; hospitalization and convalescent care; X-rays; appliances—purchased, rented, or loaned; transportation to and from medical care; supplying special shoes, glasses, wigs, dental care, medicines, etc.; sending handicapped children to camp or boarding school; providing visiting teachers to the "homebound" children; providing specialized instruction to handicapped children, providing occupational or physical therapy to handicapped children; providing other miscellaneous services to handicapped children.

County Chapters and the State office work very closely with the local Health and Welfare Departments, and other agencies, thereby eliminating any duplication of service to any individual.

Of the 45% sent to the State office, 8.3% of the total contributions is transferred to the National Society to be used in research projects, educating the public regarding needs of handicapped persons and promoting legislation pertaining to handicapped persons' welfare.

Albemarle League Scheduled To Open Saturday, May 27

Number of Non-Resident Players Reduced From 12 to 6

At a meeting of directors of the Albemarle League held in Hertford Monday night, a right about face was taken regarding the non-resident player limit and apparently most of the principal obstacles have been hurdled to permit operation of the league for the coming season.

At the previous meeting held in Windsor it was decided to allow clubs to employ as many as 12 non-resident players, but in Hertford this number was reduced to six, when some clubs definitely made it clear that they could not operate on 12 man basis. However, league teams will be allowed to secure ball players in an adjacent county as local material.

With the player problem settled, the directors agreed upon a 60-game schedule with league play to begin Saturday night, May 27, and close August 20.

Another meeting of the directors will be held in Edenton Monday night, April 10.

Merchants Decide Number Holidays They Will Observe

Action Taken Following Recent Poll Taken By C. of C.

At a meeting of Chamber of Commerce directors held Monday morning, the results of a recent poll conducted among Edenton merchants in regard to observance of holidays was announced.

The holidays the merchants voted to observe are Easter Monday (April 10), Independence Day (July 4), Labor Day (September 4), Thanksgiving (November 23), and December 25 and 26 for Christmas. There will be no holiday on New Year's Day.

In holding the poll, cards were sent to 48 merchants and of these 36 were returned. The voting was practically unanimous in all cases except for Christmas and New Year's.

The plan finally adopted is the same as was used last year.

Wednesday afternoon closing will begin April 19 and continue through August.

MANY FREE PRIZES

Latest Equipment Will Be Demonstrated By Experts

Everything is already in readiness for a cooking school which will be held in the Edenton High School auditorium Thursday and Friday of next week. The school is sponsored by the Edenton Tea Party Chapter, Daughters of the American Revolution, and was planned for the purpose of raising funds to be applied on the indebtedness of the Iredell property which was purchased by the local chapter.

No little amount of work has been done by the DAR ladies in preparation for the school and it is hoped a large number will attend the various sessions.

Sessions will be held from 3 to 5 o'clock each afternoon, but on Friday night a session is scheduled to be held at 7:30 o'clock. For the three sessions the admission price has been fixed at \$1.25, while the price for single sessions will be 50 cents.

The school will be conducted by Evelyn W. Hancock, home economist for the Virginia Electric & Power Co., who will be assisted by factory experts, all of whom will give instructions in the use of modern electrical appliances.

Special prizes will be awarded by the Quinn Furniture Company, Edenton Furniture Company and Ralph E. Parrish. Quinn's will give away a GE vacuum cleaner, the Edenton Furniture Company will give a Simmons Deep Sleep Mattress, while Ralph Parrish will give a Stromberg Carlson Radio, a Mix Master, a Telechron electric kitchen clock, a Betty Crocker electric iron with steam attachment, a 52 piece ruby glass dinner set, 12 60 watt light bulbs and two Frigidaire quickube ice trays.

That the women have been very active in planning for the school is reflected in the large number of concerns and individuals who have donated prizes to be given away during the school.

Lions Minstrel Will Be Staged April 6th

Affair This Year Promises to Eclipse Previous Shows

Edenton's Lions Club will stage a minstrel show again this year. The tentative date has been set for the night of April 6th, but a definite announcement will be made later, according to Oscar Duncan, who is directing the show.

Always popular, this year's show promises to be one of the best ever staged by the local club. Rehearsals have been held regularly for the past several weeks and new numbers are being added, which are expected to prove a big hit.

"Although the show is sponsored by the Lions Club," said Director Duncan, "our cast comprises a number of persons who are not members of the club and we are anxious to add other features. It will be appreciated if anyone interested in helping us, such as tap, clog or toe dancing specialties, or instrumental and vocal numbers will get in touch with me right away," said Duncan.

The entire proceeds from these minstrels go toward work among the blind of Chowan County, which is a major project of the club.

Music is under the direction of Mrs. M. A. Hughes. Ernest "Bug" Ward will have the part of interlocutor. Other details will be released later.
