### Chamber Of Commerce Reaches Cross Roads

the proper calibre. However, it was the general consensus of opinion that a full-time secretary is desired, but in view of the apparent inability to meet a budget necessary to employ such a man, the next best arrangement is a part-time secretary.

The proposal was also made that in view of the fact that a properly functioning Chamber of Commerce benefits the town as a whole, a request be made for a special election to secure financial aid from the Town, which in the final analysis means that every taxpayer would be taking

part in support of the Chamber of Commerce.

As the result of the meeting, which on the whole reflected a strong desire to continue operation of the Chamber of Commerce, an effort will be made to collect dues in arrears and also revamp the system of charging dues in the hope that more interest and more members will result.

Secretary Wilson announced at the meeting that plans have been made for a series of group meetings of its membership. The first one is scheduled for Monday, April 3rd, at 8:00 P. M., in the Court House. The group which will be asked to attend this initial meeting will be composed of filling station operators, restaurant and other eating place managers, and operators of tourist courts and hotels.

The purpose of these meetings is to get together those people in the community with similar aims and problems and to discuss ways in which the Chamber of Commerce can be of assistance to them and how they can be of service to the community at large. Tentative plans are to hold the meetings in the form of open discussion groups with no set program or speaker. The meetings will not be confined to members but all who are interested are invited to attend.

It is probable that the main topic for discussion at the first meeting will be the tourist industry.

Mrs. Fletcher Honorary Member Of BPW Club

received a letter from Mrs. Inglis Fletcher, noted authoress, accepting the BPW's invitation to become an honorary member of the organization. Mrs. Fletcher's letter stated that she is delighted and appreciated the invitation, and that she would be with the club following the completion of her new book. Club members were also delighted, believing Mrs. Fletcher's influence will be an asset and inspiration to the club.

Members were again reminded of the district dinner meeting to be held in the Community House in Hertford, Saturday night, April 15, beginning at 7 o'clock.

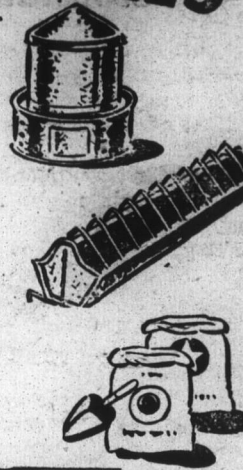

The local club is scheduled to put on a skit at this meeting, and it is hoped a large representation will be on hand.

Visitors at the meeting were Miss

Peggy McLeod of Regina, Saskatchewan, Canada, who is visiting Capt. and Mrs. Lee Clark, and Mrs. Williams, a guest of her daughter, Miss Dorothy Williams, of the Edenton school faculty.
