

THE SENIOR NEWSLETTER

By HAZEL LEARY

Lucille Winslow

Robert White

Hello Friends: We certainly are having some nice weather now, aren't we? I just hope it holds out until after next Wednesday. Have you heard about our proposed trip? Well, we are all planning to go to the State Fair next Wednesday. Isn't that wonderful? We are all eagerly awaiting the "great day."

At our class meeting the other day we decided to elect our mascots. Suzanne George, Wesley Chesson, Doris Jean Cale, Walter Small, Brenda Stallings, George Wilkins, Kermit Layton, Jr., and Bill Jackson were nominated. By the time you are reading this the children will be up here at school because we voted to have them brought to school on Thursday, October 12, during activity period, at which time we will present them a gift. We plan to elect the mascots on Friday.

There is something else I'd like to tell you about before it slips my mind. There has been some question about the standing of our school. From a reliable source of information I learned that dear, old Edenton High has been accredited since 1920. My source of information was the Educational Directory of North Carolina, which is issued by the State Superintendent of Public Instruction.

Now since we are through with business and class news, I'll go on to my weekly biographies of various members of the Senior Class.

The population of Perquimans County was increased by the birth of a little girl by the name of Mary Lucille Winslow on December 27, 1932, to Mr. and Mrs. Thomas E. Winslow. Six years later a very excited little girl by that same name started to school at Winfall. For seven years she studied, played and worked there and then went to Hertford High School, where she remained for one year. A while later her parents moved and she transferred here to Edenton. We got first glimpse of Lucille in the eighth grade. She was very friendly and it wasn't long before we were all friends with her. "Cile," as her family and friends call her, (and which she dislikes very much, but not half as much as she dislikes Mary Lucille) entered High School with us. In her freshman year she became a majorette, but did not care too much for this activity and dropped out after a few months. She went out for basketball in her sophomore year and was also in the operetta, "The Gypsy Rover." Again in her junior year she was in an operetta which was called "In the Garden of the Shah," and she was also a member of the Glee Club. This year Lucille is again a member of the Glee Club and also an F. H. A. member.

Did you see her at the movies the other night? Well, she was probably there, because movies are her main form of recreation. At other times you will probably find her writing a letter to her current heart-throb, Ray Anderson, eating butter-scotch pudding, or watching a basketball game. On Saturday you can find her working at Malone's 5, 10, & 25c Store. If you happen to see her coming, you'd better hide all your snapshots because that is her hobby and, believe me, she really collects them!!! One way to get her to study is to ask her to wash dishes. That's her pet peeve (washing dishes, that is) and she will even get her lessons just to get out of washing them.

About three years from now, if any of you business-men who are now reading this article happen to need a secretary just remember that Lucille will probably be graduating from Chowan College about that time. Her future plans consist of attending Chowan College and becoming a secretary, so all of you be sure to keep her in mind.

What in the world was that noise? I guess I'd better see. Upon investigation I found it to be Robert bringing his jeep to a sudden halt. Since he is already here I guess I'll interview him. This is just a brief summary of his life.

Robert, whose full name is Robert Carroll White, is the son of Mr. and Mrs. W. B. White. He was born on December 20, 1932, near Edenton. He started to school here and it looks as if he will graduate from here. The 4-H Club has been his main extra-curricular activity and he has been a member throughout his high school career, being elected as vice-president last year. When I asked him if he was interested in school work, he said, "yes," and then laughed, so you can draw your own conclusions from that. Anytime any of you readers have any extra banana splits around, just let Robert know and he'll be there before you know it. That (as you have probably guessed by now) is his favorite food and if you won't tell him that I told you I'll tell you that Robert's favorite girl friend is Shirley Harrell.

Other things which he likes are ball games, parties, and "getting up early in the morning" (he'll shoot me for saying that because that's what he hates to do more than anything else).

Attending Wake Forest to study law is his main ambition now. Hey wait! Well, I guess that's all now because Robert just took off in his yellow jeep for places other than here.

Here is a note from the Senior Class secretary, Cynthia Ambrose: Congratulations are in store for Hazel Leary and Raymond White. They have been elected to represent the Senior Class in the football King and Queen contest. This being their last year in school, let's all support them wholeheartedly.

Aces Knocked From Undefeated Ranks

Trimmed By New Bern Bears Friday Night By Score of 21 To 7

Edenton's Aces suffered their first defeat of the current football season and were thereby knocked from the unbeaten ranks Friday night when they were defeated by New Bern High School on the latter's gridiron by a score of 21-7.

The Aces scored first in the first quarter when Mac Privott bulled his way through the New Bern line from the eight-yard line. Gene Taylor booted the ball through the uprights for the extra point.

New Bern soon overcame the Edenton lead when Farney Hoke raced 80 yards on a punt return, and later threw a 30-yard touchdown pass to Sonny Taylor. Jimmie Lingman scored the final touchdown for the Bears when he grabbed an Edenton fumble and raced 20 yards to score. Joe Anthony, for New Bern kicked all of the extra points after the touchdowns.

PTA Holds First Meeting Of Year

(Continued from Page One)

N. J. George, science teacher, who is program chairman for the year gave a very interesting discussion on

the relationship of children and parents with the teachers, pointing out that a great aid to child interest in studies is for home life to be so adjusted that special time, and a special place be set aside for study at home. He further stated that all parents should endeavor to be at home during the period set aside for study.

At the conclusion of all business, the PTA went to the Home Economics Department headed by Miss Miriam Scott where a delightful tea was given in honor of the new teachers and the new PTA members. The receiving line was composed of all teachers, headed by John A. Holmes, school superintendent, and PTA President Mrs. Downum.

Mrs. West Leary, new vice-president of the organization, presided at the tea table which was covered with a lace table cloth and lighted long white tapers in silver candelabras. Members of the home economics department served sandwiches, peanuts

and mints.

The hospitality committee, composed of Mrs. H. A. Campen, chairman, Mrs. W. E. Bond and Mrs. A. B. Harless were in charge of all arrangements.

Lions Grateful For White Cane Results

(Continued from Page One)

of whom we have not as yet rehabilitated and made self-supporting. We need \$25,000 to carry on the work of the association this year. The only way we have of raising this is through the individual Lions Clubs' White Cane Sales and through soliciting memberships in the State Association for the Blind. Memberships may be secured by anyone for \$1.00 and up. Helen Keller has said, "There is no lovelier way to thank God for your sight than by helping someone in the dark."

A coupon is attached below. Detach, pin your contribution to it, fill it in with your name and address and mail it to Dr. A. F. Downum, chairman of the Membership and White

Cane Committee, care of the Edenton Lions Club, Edenton, N. C.

Please accept our sincerest appreciation for any amount, large or small, that you may contribute toward this cause which is close to all of our hearts. Kindest thanks.

I would like to have a part in this great work of caring for the blind of our state and community, please accept my contribution, attached hereto

Pocahontas Planning Cake-Handwork Sale

Ladies of Chowanoke Council, Degree of Pocahontas are planning to hold a food and handwork sale on Saturday morning, October 21. Members of the organization are asked to make contributions and tag each one

with the price it should be sold.

Mrs. Myrtle Adams, chairman of the Ways and Means Committee, an-

nounces that, according to a vote of the Council, members who do not make a contribution will be assessed.

NEW RELIEF! For Stuffiness, Coughs of Colds

You know—like millions of others—how wonderfully effective Vicks VapoRub is when you rub it on.

Now...here's amazing, special relief when there's much coughing or stuffiness, that "choked-up" feeling. It's VapoRub in Steam... and it brings relief almost instantly! Put 1 or 2 spoonfuls of VapoRub in a vaporizer or bowl of boiling water. Then—breathe in the soothing, medicated vapors. Every breath eases coughing spasms, makes breathing easier. And to prolong relief—rub VapoRub on throat, chest and back.

Use it in steam... Rub it on, too!

now... a better shirt even BETTER!
