

W. A. Leggett Dies In Chowan Hospital

Funeral For Local Pioneer Druggist Held Friday

Walter Augustus Leggett, 78, died in Chowan Hospital at 11 o'clock Wednesday night of last week after a period of failing health for several years. Deceased was a native of Halifax County, but lived in Edenton 50 years. He was part owner of the Leggett & Davis Drug Store until a few years ago when he retired due to his health.

Mr. Leggett claimed the distinction of being numbered among the four oldest registered druggists in North Carolina, having been a registered druggist for 54 years.

Mr. Leggett was very active in the Methodist Church, where he served as chairman of the Board of Stewards for many years and when, due to his health, he resigned several years ago, he was voted honorary chairman, so that his advice would be available to the board of stewards.

He was also chairman of the board of directors of the Bank of Edenton and for many years a member of the Edenton school trustees.

Surviving are two daughters, Mrs. David Holton and Mary Leggett Browning, both of Edenton; two sisters, Miss Mattie Leggett and Mrs. V. B. Jennings, both of Hobgood, N. C., and five grandchildren.

Funeral services were held in the Methodist Church Friday afternoon at 2 o'clock, with the pastor, the Rev. W. L. Freeman, officiating. The church was filled with friends and the many beautiful floral tributes at-

tested to the esteem in which he was held in the community. Interment was made in Beaver Hill Cemetery.

Active pallbearers were A. B. Harless, John Mitchener, J. W. Davis, J. H. Conger, George I. Dail, Gilliam Wood, W. E. Bond and Dr. W. I. Hart.

Aces Win Thriller From Tarboro 26-20

Game on Hicks Field Friday Night One of Best Ever Seen

Local football fans on Friday night were treated to one of the best high school games ever played on Hicks Field, when Coach George Thompson's Edenton Aces defeated Tarboro in a homecoming game 26-20. The game was thrilling throughout and wound up in Horatio Algar fashion. With only four minutes remaining in the game and Tarboro leading 20-13, Buddy Cannady and Mack Privott each thrilled the crowd with touchdown jaunts which won the game for the Aces.

In the waning minutes of the game, Cannady, aided with some good blocking, returned a punt to the Tarboro five yard line, from where he crashed over for a touchdown. Just a short time thereafter Privott raced 47 yards for the winning touchdown as the large crowd of fans stood to their feet gasping. It was anybody's game until the final whistle blew.

Cannady and Privott thrilled the crowd time and again as they chalked up yardage. Privott scored two of the four touchdowns on 36 and 47 yards runs, while Cannady also made two touchdowns, one on a 27-yard gain through tackle and a subsequent five-yard plunge after he returned a punt 55 yards.

Not only did Privott and Cannady thrill the fans, for Tarboro had a player, Sasser, who was just about the most versatile football player ever to perform on Hicks Field. He was a deadly passer and figured in each of Tarboro's three touchdowns. He

passed for one touchdown, scored another and set up the third. Privott and Cannady were easily the offensive stars for Edenton, while Haywood Rogerson, Billy Bond, Robert Twiddy and Lynn Boswell showed up well in the defensive department.

Truck Taxes Build Roads

\$24,000,000.00 Primary Roads Built in '48-'49
\$20,000,000.00 N. C. Truck Road Taxes in '48

... and roads build a better life!

Trucks serve two ways to bring you better living. They carry the things you need when you need them, wherever you are . . . and they make possible more and better roads for everybody.

In addition to the taxes paid by every citizen, North Carolina's truckers pay more than twenty million dollars in "special" taxes every year to build and maintain your highways. Last year special taxes were enough to pay for approximately 85%

of all primary highway construction in North Carolina. Truck license fees alone were well over nine million dollars, more than enough to maintain all primary roads for the year.

While North Carolina's modern trucking industry is seeking new ways to serve you, remember it is also helping mightily to keep North Carolina "The Good Roads State."
