

Campaign On To Locate Forgotten Widows Of Vets

Service Officers and Vet Organizations Ready To Lend Help

"Claims for sixty war widows, orphans, and dependent parents have been filed through the thirteen district offices of the North Carolina Veterans Commission during the two weeks ending September 30, 1950," J. M. Caldwell, Director of the North Carolina Veterans Commission, reports.

The North Carolina Veterans Commission, by and with the cooperation of all veterans' organizations in the State, is conducting a special campaign to locate and help all "forgotten" war widows, orphans and dependent parents of deceased veterans to file and develop their claims. The campaign has gotten off to a splendid start.

"Widows of veterans of World War I whose income is \$1,000 or less a year are entitled to a pension of \$42 a month from the Federal Government," Mr. Caldwell points out.

Those widows with children under certain ages are entitled to extra compensation provided their income is not over \$2,500 per year.

Service by the veteran must have been between April 6, 1917, and November 11, 1918, and discharge or release from active duty must have been under other than dishonorable conditions after 90 days or more of military service.

For the purposes of a pension a widow must have been married to a World War I veteran before December 14, 1944, or 10 or more years to the person who served and must not have remarried.

District services officers of the North Carolina Veterans Commission, county veterans service officers and post service officers of the various veterans organizations are ready to assist or advise veterans or their dependents on all pension or compensation benefits, and a special campaign is being conducted by the North Carolina Veterans Commission and the county veterans service officers and the post service officers of all the various veterans organizations from September 15 to December 15 to locate and help all such eligible widows and orphans to file their claims properly.

BPW Club Winds Up Celebration

Tea Party Women Featured By Displays In Local Windows

Edenton's Business and Professional Women's Club completed a successful program during the observance of Business Women's Week held October 15-21. Attractive posters designating the Federation's theme "Measure Up For Full Partnership," featuring the Edenton Tea Party women who "measured up" to their responsibilities by refusing to drink unjustly taxed tea, and thus to inspire the colonies to fight for their freedom from England, were on display in local store windows and created much interest. This group of public spirited women is often spoke of as "America's First Civic Women's Club."

The celebration got underway on Sunday, October 15, with announcement of the club's selection of the "Outstanding Woman of the Year," which honor went to Mrs. W. S. Summerell, beloved 87-year-old pioneer teacher. The club presented Mrs. Summerell a dozen red roses on that day.

Another highlight during the observance of National Business Women's Week, was an address by Mrs. Richard D. Dixon, who spent two years in Nuremberg, Germany, with Judge Dixon while he was on the war criminal trials bench. Mrs. Dixon spoke on "The Activities and Freedom of German Women Compared to American Women," at the business meeting held Thursday night at the Hotel Joseph Hewes. At this meeting the club was presented a United Nations Flag by Mrs. Wesley Chesson, Sr., President of the County Council of Home Demonstration Clubs.

During the week also Mrs. Elizabeth Corbett, a member of the local club and of the nursing staff at Chowan Hospital, who is on leave of absence for private duty in Rochester, N. Y., remembered the club with a telegram.

Plans for the celebration of BPW Week and display of posters were conducted.

CARD OF THANKS
We wish to express our sincere thanks and appreciation to our many friends for their deeds of kindness and expressions of sympathy shown us in the recent death of our beloved husband, brother and son. Also for the beautiful floral tokens and for use of automobiles.

MRS. FERMA WARD AND FAMILY

ducted by the International Relations, Publications, and Radio and News Service chairmen. Station WGAI in Elizabeth City gave the Edenton organization a spot on their broadcast and the club rated an editorial in the local newspaper.

The following letter was read to club members at their meeting last week:

"Dear Mrs. Carr,
"The decision of your organization, naming me "Edenton's Number One Woman Citizen," gave me more pleasure than I can tell you. The roses were lovely and still are, as I am trying to keep them as long as I can. Let me thank each of you for your praise, which I trust I may continue to deserve.

"Sincerely,
"L. K. Summerell."
