

THE SENIOR NEWSLETTER

By HAZEL LEARY

Hello Friends: Smile! Hold it! Snap! O. K.! And another picture was taken. You parents have probably already seen the results of some of them.

Mr. Stevens from Elizabeth City is taking our pictures and believe me, he certainly has a lot of patience in waiting for us girls to comb our hair and primp. (Confidentially, the boys are almost as bad).

During our class meeting this week, we added some members to our annual staff. William "Hawk" Crumney and Jane Spry were elected as the Photo Editors. For Business Editors, Billy Bond and Evelyn Harrell were elected.

Congratulations, Hawk, Jane, Billy and Evelyn. So far you've been doing a good job. Keep up the good work!!!

Well, let's see if we can find a senior for me to write up this week. Oh, yes, there comes "Teeny." Teeny, whose real name is Carlton Eugene Goodwin, is the son of Mr. and Mrs. W. A. Goodwin. Like so many other seniors, he was born in Perquimans County and also like many of the others, he started to school here. The population of Perquimans County must have greatly decreased during the period from 1932 to 1938 because many of the seniors that I have interviewed were born there but later moved here to start school.

Riding a motor-bike is one of Carlton's loves. He also likes to play baseball, but prefers to remain a spectator in other sports. Farming sometimes takes up a little of his leisure time when he helps his father out on Route One.

When I asked him what his future plans were, he calmly and quickly said, "to be a member of the United States Navy."

Here's hoping you have the best of luck. I'm sure you'll make a useful addition to Uncle Sam's navy.

Our next senior biography is that of Evelyn Harrell. Evelyn was born October 8, 1932 in Norfolk, Va., to Mr. and Mrs. K. H. Harrell. "Linkie", as her friends call her, has always attended Edenton School.

She has been our one and only girl president during our four years in High School. She held that office during her sophomore year. The Glee Club, the Spotlight Staff, the FHA, and the Student Council have helped make Evelyn's school career a busy and happy one.

Evelyn likes all sports, especially football, dancing and horses. She hasn't definitely decided on her future and is still contemplating several vocations in which she is interested.

Well, (which is Evelyn's by-word) I guess that brings this week's news to an end. We are all busy getting ads for the annual and "your truly" has to go do her part now.

Chairman Democrats Releases Statement Concerning Finances

Evidently Wrong Impression About Campaign Collections

The following statement is issued by Everett Jordan, chairman of the State Democratic Executive Committee: "The report has gone out over the State that the collections for the

Democratic Executive Committee this year have been the highest in recent years.

"I want to correct this statement because in reality the collections are not much over half what they were two years ago.

"When we filed our report on October 25th we had collected \$25,084.83. The expenses of running the campaign, which include advertising, salaries, rent, postage, traveling and other items, up to that date amounted to \$5,524.26, which left a balance of \$19,560.57. However, checks for \$13,250 were mailed to a number of counties to help finance their campaign, which actually left a balance of only \$6,310.57 the next day after the report was filed.

"The Executive Committee will have

additional heavy expenses, fixed and unanticipated, between now and Election Day, and additional contributions will be needed in order to complete the campaign successfully from a financial standpoint.

"I thought I should get this information to the public, and especially to the counties who are asking for financial assistance, as I was afraid that they were under the impression that we still had a large balance and were not sending them as much money as they felt they should have to wage a vigorous campaign."

VISITS PARENTS

Miss Carolyn Lee Elliott of Fayetteville visited her parents, Mr. and Mrs. Josiah Elliott over the week-end.

Visitor—There is. I'd like to have a look at that "pork barrel" I've read so much about.

Hertford Indians Upset Aces 7 To 0

Edenton Team Seriously Feels Absence of Mack Privott

With Mack Privott out of the Edenton Aces' lineup due to an injured shoulder, the Hertford Indians staged an upset on the Hertford gridiron Friday night when they defeated the favored Aces 7-0. Privott's absence apparently demoralized the entire Edenton team, for it did not appear to be the same outfit from the outset.

The Indians outplayed the Aces and were in the Aces' territory most of the night, and but for a few bad breaks and a stubborn Edenton defense, they should have added a few more touchdowns.

Early in the second quarter Lane for the Indians raced 73 yards for the only score of the game, when he took a hand-off from Morris, found a hole in the Edenton line and scored the only touchdown of the game. Walker added the extra point.

Buddy Cannady was obliged to bear the lions' share of the Edenton attack, but without Privott, his running mate, he was unable to play his usual brilliant game. Gene Taylor was in the backfield in Privott's place.

Defensively, Billy Bond, Haywood Rogerson, Sherwood Chesson and Earl Minshew played an outstanding game and played no small part in holding back the Indians when they were in scoring position.
