

## Drivers Urged To Check License Date

### Motorists Licensed In 1947 Required to Renew

Driver License Examiner D. S. Skiles reminds motorists who obtained renewal of their drivers licenses in 1947 under the re-issuance program, to check their cards for the expiration date. The expiration date, Examiner Skiles states, will be found in the lower right hand corner of the motorists' present license cards. These motorists will be permitted to seek renewal 30 days prior to the expiration date, which falls on their birthdate. The majority will have surnames beginning with A or B, but a few will fall in other alphabetical groups.

Motorists who do not seek renewal in advance of the expiration date on their cards, will be required to take the complete test, Examiner Skiles points out.

A space will be provided on the new license cards for blood type, which will be placed on the cards upon presentation of evidence of blood type. Since inclusion of this information is a public service and voluntary on the part of applicants, failure to present the blood type will not be reason to deny issuance of licenses, said Examiner Skiles.

Examiner Skiles' schedule is as follows:

In Edenton Monday, Tuesday and Wednesday. In Windsor Thursday and Friday.

### Bill Perry Named Warrant Officer

Bill Perry, a member of the Edenton National Guard Unit, was recently appointed warrant officer of the Service Company, National Guard in Elizabeth City. Mr. Perry, therefore, severed his connection with the local outfit and attends the regular drills in Elizabeth City.

#### EDGAR DEANS IN HOSPITAL

Edgar Deans, manager of the Edenton Colonial Store is a patient in Chowan Hospital. Mr. Deans became ill Monday and was rushed to the hospital as the result of an intestinal disturbance.

#### BIRTH ANNOUNCEMENT

Mr. and Mrs. Bernard F. Proctor of Route 2, Edenton, announce the birth of a son, born Wednesday morning in General Hospital, Norfolk. Mrs. Proctor is the former Miss Frances Fleetwood, daughter of Mrs. J. M. Fleetwood.

## Bloodmobile Visits Edenton February 13

(Continued from Page One) chairman for the bloodmobile visit here. Anyone desiring to donate a pint of blood in this February visit should contact Chesson or Byrum. Solicitors are busy trying to contact everyone in regard to donating a pint of blood this time, but in the event anyone is missed, they should contact Chesson or Byrum if they desire to contribute.

Byrum also emphasized that this program is being joined in heartily by colored citizens throughout the area and declared that any donations by colored citizens would be welcome.

Once again, Byrum points out these things: The bloodmobile will be in Edenton for one day only on February 13 at the Parish House on Gale street. Trained physicians, nurses and technicians accompany the bloodmobile. A donor receives the best possible care. They are given an examination to determine if they are physically able to give the pint of blood. It doesn't cost anything. It doesn't take up much of one's time. A donor does not feel any after effects. It is a simple procedure.

"I strongly urge all citizens to volunteer as blood donors now," said Byrum. "The program has received the wholehearted support of your local doctors and the staff of the Chowan Hospital. It is a worthwhile endeavor. Won't you become a part of it by volunteering now to donate a pint of blood for the February 13th visit of the bloodmobile here?"

#### CATHOLIC SERVICES

Friday, February 2, Feast of the Purification of the Blessed Virgin Mary Candlemas Day, First Friday of the month. The Blessing of Candles will begin at 7 A. M., in St. Ann's Catholic Church, Edenton, followed by Holy Mass, Holy Communion, Rosary.

Saturday, February 3, Feast of St. Blaise and first Saturday, honoring Our Lady of Fatima, mass at 7 A. M., Communion, Blessing of Throats, Rosary.

Sunday, February 4, Quinquagesima Sunday, mass in Poor Souls Mission Chapel, Columbia, at 8 A. M., and in Edenton Church at 11 A. M., each mass including sermon on "Lenten Rules Explained," Communion, followed by Rosary, Sunday School, with confessions for half hour before every Service, stated Father F. J. McCourt, pastor, who invites everybody to all Services. Other week-mornings: Mass at 7 in Edenton.

#### POCAHONTAS MEETING

Chowanoke Council, No. 54, Degree of Pocahontas, will meet in regular session Friday night at 8 o'clock in the Red Men's hall. Mrs. E. G. Williford, Pocahontas, urges all members to attend.

## Lima Bean Loss Can Be Reduced

Using disease-free seed, practicing crop rotation, and applying a spray or dust will reduce losses caused by the destructive stem anthracnose disease of lima beans, two State College plant disease specialists assert in a new publication issued this week.

The publication, issued as Special Circular No. 11 of the Agricultural Experiment Station, may be obtained from the local county agent or by writing the Agricultural Editor, State College Station, Raleigh. It was prepared by D. E. Ellie, professor of plant pathology, and R. S. Cox, former graduate assistant in plant pathology. The title is "Control Stem Anthracnose of Lima Beans."

The authors assert that stem an-

thrachnose is one of the more common and destructive diseases affecting lima beans in North Carolina. Not only does it cause limas to produce poorly in home gardens, but it frequently causes severe losses in commercial plantings.

In addition to using disease-free seed and practicing fall plowing and crop rotation, the plant disease specialists suggest that lima plants affected with stem anthracnose be sprayed or dusted with a protective fungicide. They recommend spraying with Dithane Z-78 (1.5 pounds to 100 gallons of water) or Parzate (same rate), starting when the disease is first noticed or when the plants begin to blossom. Applications should be repeated at five to seven day intervals until harvest.

Results of tests conducted over a period of four years indicate that dust-

ing is less effective than spraying. The special 12-page circular contains several pictures, charts, and tables. Single copies are available free.

#### Shy of Gas

Dentist's Daughter—"Well, dear, have you asked father for my hand yet?"

Shy Suitor—"No. Every time I step into his office I lose courage. Today I allowed him to pull another tooth."

#### Step on 'Em

"What's the matter with your feet?"

"I've got corns."

"Why don't you do something for them?"

"Why should I? They've never done anything for me."

If the Father of the Country happened to return to the United States he would be amazed at what has occurred.
