

## Boy Scout Drive Proves Successful

**\$1,300 Raised, Which Will Greatly Help Scout Work**

The recent fund drive for the Boy Scouts of America in Edenton has been termed a financial success. The chairman, W. J. Taylor, desires to thank the following committee chairmen and their committee members in making the drive a success:

Business and Industries—P. S. McMullan, West Leary, Jr., and L. H. Haskett.  
Edenton Mill Village—Mrs. T. B. Smith.

Morris Circle and North Edenton—Clyde Hollowell and James Bond.  
Westover Heights—W. T. Harry.  
First Ward—Herbert Hollowell and Ernest Kehayes.

Second Ward—Nathan Dail.  
Third Ward—Mrs. J. B. Harrison.  
Fourth Ward—Mr. and Mrs. Guy Hobbs.

As previously stated the drive was a great success, in that the various committees were responsible for presenting the cause to the people of Edenton and realized \$1,300, which will help greatly in the scout work.

## Beatrice T. Martin To Wed John R. White

Mr. and Mrs. James C. Martin of 103-44 Springfield Boulevard, Queens Village, N. Y., announce the engagement of their daughter, Miss Beatrice Theresa Martin, to John Richard White, son of the late Mr. and Mrs. Samuel Arthur White of Edenton. The wedding will take place on June 9th.

Miss Martin is an alumna of Our Lady of Wisdom Academy, Ozome Park, N. Y., and the McDowell School of Costume Design, New York City. Mr. White graduated from Edenton High School and The Gregg College, Chicago. He is now with The Texas Company, Norfolk, Va.

## Camellia Show In Suffolk March 10-11

The Nansemond River Garden Club of Suffolk, Va., announces the fifth annual Camellia Show sponsored by their club to be held in Suffolk on Saturday, March 10 from 8 to 10 P. M., and Sunday, March 11, from 1 to 6 P. M.

This show has always been of great interest to Camellia growers of this section and it looks as if this year the show will be larger and more beautiful than ever.

### WILL ATTEND CLINIC

Dr. W. I. Hart will leave Sunday for Washington, D. C., where he will attend the District of Columbia Dental Clinic.

## THE SENIOR NEWSLETTER

By HAZEL LEARY

Hi Friends: Here's hoping that Thursday will be a nice, warm, spring day because that is when the Senior Class is to take their proposed trip to Raleigh. Soon after our arrival there we plan to visit the State Museum. Next on our itinerary is the State Legislative building where we hope to see our representatives engaged in the actual process of law-making. After lunch, The News & Observer building is next on our list of places to visit. Then we're off to Wake Forest where we will spend the rest of the afternoon until 5 P. M., when we will depart for home.

One petite, blonde Senior girl who is eagerly looking forward to our trip is Marjorie Lee Halsey, daughter of Mr. and Mrs. E. L. Halsey. She is a lot of fun to be around because she is always so enthusiastic about most anything. Her many and varied interests include movies, listening to the radio, cooking, sewing, reading and driving. Dating E. J. Proctor is of course her favorite pastime. Marjorie's hobby is a unique one in that it is designing and making her own clothes, and very attractive ones at that!

Of course Marjorie takes five days a week and six hours a day away from her busy schedule to attend school here (which we seem to have forgotten to mention before). Yes, she has been with us since she first joined us in the fourth grade. During her years in high school she has been a welcomed member of such clubs as the F. H. A. and the 4-H Club.

Marjorie hasn't made any definite plans as yet but whatever plans she finally decides upon you can bet that a certain dark-haired boy who answers to the initials E. J. will play a leading role in them. Good luck to both of you!

The next biography is that of Haywood McKay Phthisic, Jr., who celebrates his birthdays on October 8. He has been a member of the 4-H Club for the last few years. His interests are movies, all sports, music, eating and girls. Going to the movies is his favorite pastime and working on motors is his hobby.

As this is a bad time for a boy to plan his future without including a few years in the army, or any other branch of the service because it is more than likely that he will be called, McKay has included a few years in the service in his future plans. After that he would like to continue working at the P & Q Food Center of which his father is part owner. It is rather difficult to locate McKay during the week-ends, unless you know him well enough to know that his favorite girlfriend, Audrey Keeter, is going to school in Norfolk, Va. What does that have to do with finding him during the week-end? Well, he goes down to see her just about every week-end. So if you ever want to locate him, just remember that he's Norfolk-bound!!!

### VISITS PARENTS

Miss Audrey Keeter, student of Coastland Business College, spent the week-end with her parents, Mr. and Mrs. Albert Keeter. She returned to her studies Sunday.

### SOCIETY MEETS TUESDAY

The monthly meeting of the Woman's Society of Christian Service of the Methodist Church will be held Tuesday night, March 13, at the home of Mrs. E. B. Edwards. The meeting will start at 8 o'clock and Mrs. Edw. Speight, the president, urges all members to attend.

## U, V, W, X, Y, Z Drivers Must Renew License

**Deadline For Renewals Will Be Saturday, June 30**

Persons in this area whose surnames begin with U, V, W, X, Y or Z should apply at their earliest convenience for renewals of their licenses to drive, Driver's License Examiner D. S. Skiles says.

Deadline for the group is June 30, Examiner Skiles reminded these motorists. "If you wait until the deadline is near you will more than likely have to stand in line," he said. "At the present time lines at the examining station are short and applicants are having very little difficulty in being waited on."

The daily schedule for Examiner Skiles will be as follows:  
Edenton—Monday and Tuesday.  
Hertford—Wednesday.  
Windsor—Thursday and Friday.

## Blustery Weather Ahead!

Spring isn't here yet! Keep your home warm and comfortable—free from chills and dampness which lead to discomfort and often to illness!
