Minutes Of County Board Of Education

The Board of Education met April 2, 1951, at 10 A. M., in the superintendent's office. The following members were present: G. B. Potter, Chairman, J. I. Boyce, G. E. Nixon, Carey Evans, Conroy Perry, and D. H. Berryman.

Mr. Potter, chairman, called the meeting to order and requested the reading of the minutes of the previous meeting. The minutes were read and upon motion made and passed, same were approved as read.

The report of the County Treasurer for March was read and same was approved by motion made and passed.

The reports of the Local School Fund Treasurer were read for Chowan High School, Rocky Hook Central School and the Negro Schools, and same were approved upon motion made and passed.

The superintendent advised that the State Inspector for the Division of Schoolhouse Planning and Surveys, with the Architect, Frank W. Benton, would be at the White Oak School Tuesday, April 3, for final inspection of the building, around noon, and that it would be necessary for the Board of Education to be present, to accept or reject the project.

The bids on the Yeopim, Wild Cat, Virginia Fork and Old Edenton A were considered with the Chairman of the Board of Trustees and the Superintendent of the Edenton Administrative Unit. The Board was advised that the bid on the Old Edenton A of \$2,760 had been raised and would be re-advertised for 15 days.

The following motion was made and passed with respects to the other three buildings and sites:

To reject the bid of \$525 by H. S. Small on the Wild Cat building and site and to negotiate private sale.

To reject the bid of \$630 by Dr. O. L. Holley on the Yeopim building and site, and to negotiate private sale.

To accept bid of \$925 by C. E. Small on the Virginia Fork building and site.

The superintendent suggested that immediate steps be taken to sell the Center Hill, Britts, Hudson Grove, Green Hall and Warren Grove buildings and sites as soon as they were vacated.

The Board passed a motion that the above buildings in the County Unit be advertised for sale as soon as vacated, and that the advertisement provide for the same manner of sale as those previously advertised; that is the building first, the site second, and then the building and site.

Upon the request of the Board of Trustees of the Edenton Unit, the Board passed a motion authorizing the transfer of the title of the St. Johns site and building to the Edenton School Administrative Unit.

The Board of Education then went into executive session—and reported the re-election of W. J. Taylor, Superintendent for the next two years, by motion unanimously passed.

The Board by a motion unanimously passed, re-appointed B. W. Evans, Willie Saunders and Carey Hollowell as District Committee members for the next two years. The Board was of the opinion that the District should be more fully represented on the Committee, and by motion made and passed unanimously, appointed Weldon A. Hollowell and E. G. Blanchard to serve with the three former members for the next two years.
