

Edenton Aces Win Little Interest In From Creswell 9 To 6 Election On May 8

Gene Taylor, Hurling For Locals, Gives Up Only Four Hits

Edenton's Aces defeated Creswell High School 9-6 Friday afternoon on Hicks Field, when Gene Taylor, on the mound for the Aces, allowed only four hits. Aiding the Aces' cause was timely hitting by Haywood Rogerson and seven errors made by the visitors, together with hit Aces reaching base on balls.

Creswell scored three runs in the first inning, two in the second and one in the sixth, while the Aces scored in every inning except the third. They chalked up two runs in the first, three in the second, one each in the fourth and fifth and two in the sixth.

Cannady and Rogerson led at bat for the Aces with two hits each, while Craddock led the visitors with two hits.

Two Insurance Men Guests Of Metropolitan

Mayor Leroy Haskett and Jesse White will leave today (Thursday) for Washington, D. C., to attend the 1950 Honor Club of the Metropolitan Life Insurance Company. They will be entertained two days and will be greeted by high officials of the company in recognition of writing new business.

Mr. Haskett will also go to Williamsburg on May 4 to attend a meeting of the Veterans Association of the Metropolitan Company. He is one of the few in the Portsmouth District who is qualified as a veteran, having been employed over 20 years, and has a high rating for writing new business.

Mrs. Sossanne White Passes Away At Gliden

Mrs. Sossanne White, 87, widow of the late Henry L. White died at her home near Gliden at 3:30 o'clock Sunday morning. She had been in failing health for a long time, having been an invalid for the last two years.

Surviving are three sons, Ernest L. White of Edenton, C. B. White of Raleigh and W. R. White at home; two daughters, Mrs. M. H. Perry of Gliden and Miss Alberta White at home; a brother, Alex Parks of Hobbesville and three grandsons.

Funeral services were held at the home Tuesday afternoon with the Rev. Paul Lemons, pastor of the Warwick Baptist Church, officiating. Interment was made in the family cemetery at Gliden.

Friday Is Deadline For Candidates To File For Office

Up to Monday of this week little interest was shown in the forthcoming Edenton election which will be held Tuesday, May 8.

The deadline for candidates to file for the election will be Friday of this week. In the election a Mayor, treasurer, three members of the Board of Public Works, four Councilmen and two councilmen-at-large will be elected.

LEGION MEETS MAY 1

A meeting of Edward G. Bond Post of the American Legion will be held in the Edenton armory Tuesday night, May 1, at 8 o'clock. All Legionnaires are especially urged to attend.

Music Feature Of Lions Club Meeting

Several high school students and some local people who participated in and helped to make the recent Lions minstrel a howling success were guests of the Lions Club Monday night, when a delicious meal was served by members of the Lions Auxiliary.

To the delight of those present impromptu duets were rendered by Juanita Bennett and Grace Hudson, George Thompson and Skip Leonard also sang a few duets.

Due to the fact that Sam Allen, positively refused to furnish cigars in celebration of his new family addition, the tail twister very graciously re-

Chowan Skeet Club Opens 1951 Season

Thirty members of the Chowan Skeet Club participated in the opening shoot of the club held Wednesday afternoon of last week. The club will hold a shoot each Wednesday afternoon at the range on the Morgans

Weatherproof HOMASOTE

BIG SHEETS

up to 8' x 14'

A HOUSE SHOULD BE BUILT STRONG

—strong enough to withstand hurricanes, floods and tornadoes. Homes built of Homasote have stood up under all such conditions.

The Big Sheets of Homasote literally "weld" the many individual pieces of the frame construction into one solid unit. The walls act as beams. Even a settling of the ground does not cause cracks.

As the chart indicates, Homasote Big Sheets afford far greater strength with a minimum of lateral displacement, even under maximum stress. This chart is based on tests made by the Research Laboratory, Department of Civil Engineering, Columbia University.

Let us tell you more about this fine insulating and building board, suggest some of its many uses in both modernization and new construction.
