

Interest Mounting In Safety Program

Big Parade Is Scheduled To Be Held Friday Afternoon

In connection with the Bicycle Safety program sponsored this week by the Junior Woman's Club, a film on "Bike Behavior" was shown Monday morning at the white and colored schools by Mrs. J. R. Futrell, field representative of the State Highway Safety Division.

The schedule of activities beginning Monday through Friday were discussed by Mrs. T. C. Byrum, Jr., chairman of the bicycle safety program. Much enthusiasm was aroused among the children and pledge cards, stickers for their bikes and a booklet on "Bike Behavior" were presented each child from the first to eighth grades. Each afternoon Junior Woman's Club members spotted riders to check on the safety rules. Twelve ice cream cones and three show passes were awarded every day throughout the week.

Wednesday a patrolman spoke to the school children and the parade was discussed in detail.

Today (Thursday) at noon the posters and slogans will be collected to be judged. A prize will be awarded to the best poster from the first through the third grades, fourth through the sixth grades, and seventh through the eighth grade. One prize will be awarded for the best slogan throughout all grades. The ones selected will be displayed in Badham Bros., window Friday morning.

Friday will be the big day, when a parade will be held. Each child participating in the parade is asked to be on the school grounds at 3:15 for formation. A patrol car will lead, followed by the flag bearers and the High School Band. Then will follow Boy and Cub Scouts who do not have bicycles. Next will be the Roper colored school band and colored school children on their bikes.

The parade will begin at 4 o'clock, leaving the school grounds and marching down Church Street to Broad, turning and going down south to the end of Broad, where prizes will be awarded by Mayor Leroy Haskett.

Judges for the most attractive bike for the white children will be Col.

W. B. Rosevear, president of the Chowan Safety Council; W. W. Byrum and Miss Evelyn Leary. For the most comical bike, J. Edwin Bufflap, Frank Holmes and J. W. Davis will be judges. Ernest Swain and J. O. Powers will judge the oldest bike. The parade will be in charge of D. Skiles, license examiner, and H. A. Campen will be master of ceremonies. (Those riding a bike in the parade will be eligible for the drawing of a lucky number at which time a \$25 war bond will be awarded.)

Over Hundred Scouts Present At Jamboree

Over 100 Boy Scouts broke camp Sunday afternoon at the Edenton Marine Corps Air Station after a two-day camporee of the West Albemarle District. Scouts represented troops at Edenton, Hertford, New Hope, Sunbury, Gatesville, Tyner and Rocky Hook, all of whom were accompanied by their Scoutmasters or assistant Scoutmasters.

The boys pitched their tents on various spots near Athal House and apparently enjoyed every minute of the outing.

On Saturday night about 25 Scouts visited the Scouts and were served a delicious hamburger supper outdoors. The hamburgers baked pota-

toes, slaw and coffee was prepared by a few marines with Captain Ted Boutwell, officer in command of the base, proving his efficiency at cooking the huge hamburgers.

Featuring Saturday night's activities was a huge camp fire and a delightful program was in charge of Scout Executive Bill Sutherland. Mr. Sutherland led the boys in various yells and each troop put on a stunt before the raging fire. Special music on an accordion and guitar by two Marines also delighted the large crowd, which also included members of the Edenton Cub Pack.

Mr. Sutherland introduced various Scouters and other guests, calling upon W. T. Harry and Scoutmaster C. W. Overman for a few numbers. During the ceremony various Scouts were advanced and awards made to troops having the best record in camp.

On Sunday morning a religious service was held, at which the Rev. E. B. Edwards preached.

Boy Scouts Collect Clothing Saturday

Saturday, May 12, Boy Scouts will join with those in the Tidewater Council in staging a clothing drive. Boy Scouts will thus share in a nationwide "good turn" by collecting clothing that can be spared by citizens to meet an urgent need in many countries around the world.

This is the second great national project of its kind undertaken by the Boy Scouts according to Mr. Harold V. Pace, Scout Executive of the Tidewater Council.

Boy Scouts will call on Saturday, May 12, for the following articles of clothing which should be in good clean wearable condition.

On collection day, May 12, kindly place bundles on the porch, or in apartment houses, at the main door, as
