

Over 250 Attend Varsity Club Sports Banquet Monday

Everett Case Principal Speaker; Athletes Honored

Over 250 persons gathered in the Edenton armory Monday night to enjoy the Varsity Club's annual sports banquet at which Coach Everett Case, head basketball coach at N. C. State College was the principal speaker. Other prominent guests of the club were Vic Bubas, a member of this year's basketball team; All-American Sam Ranzino of the State College team; Bill Miller of Wake Forest, All-Southern Conference fullback, and Burgess Whitehead, former major league baseball player, and Bill George of Wake Forest, all of whom spoke briefly.

Coach Case referred to the recent basketball scandals and urged athletes to be loyal to their coaches, schools, teams and themselves and to be on the alert for things of that nature. He said it was his opinion that no place built character as well as on the athletic field or a basketball court. "The biggest thing to me is loyalty," he said.

A technicolor film was shown of the game between Villanova and State College played in the NCAA Tournament. Vic Bubas was the commentator.

During the meeting Bill Miller presented the most outstanding football player's trophy to Mack Privott. Betsy Duncan and Buddy Cannady were awarded trophies for playing outstanding basketball by Ranzino. Haywood Rogerson was presented the baseball trophy by Whitehead.

Gold balls were awarded to seniors in the following sports:

Football—Carlton Jackson, Sherwood Chesson, Haywood Rogerson, William Crumney, Billy Bond, Earl Minshew and Mack Privott.

Basketball—Cynthia Ambrose and Buddy Cannady.

Baseball—Haywood Rogerson, Mack Privott, Buddy Cannady and John Ward.

Joe Conger, president of the Varsity Club, presided over the meeting, during which music was presented by the Sign Pine Symphonette. The dinner was served by the American Legion Auxiliary.

The Elizabeth City batters collected 12 hits off Raines and Holt.

Fire Department Asks For Portion Of Hicks Field

Propose to Build Adequate Headquarters For Equipment

On behalf of the Edenton Fire Department, J. C. Parks appeared before Town Council Tuesday night requesting that that portion of Hicks Field adjoining the home of Henry Cuthrell north to the driveway to the ball park be earmarked as a site for a new fire station.

Mr. Parks stated that a ways and means committee is ready to go to work to raise funds to construct a building, but that it is essential to have a site.

The building is estimated to cost about \$15,000 and would provide ample room for full apparatus, as well as be more centrally located since homes and industries have expanded. It would also include a kitchen and dining hall which could be used for many community affairs.

The Councilmen were reluctant to take snap judgment, so decided to consider the matter until the next meeting.
