

## Application Made For Bridge Over Pembroke Creek

### Plans For Bridge May Be Seen at Edenton Post Office

According to information from the Corps of Engineers, U. S. Army, the North Carolina State Highway and Public Works Commission has applied for approval of plans for the construction of a fixed bridge across Pembroke Creek on U. S. Route 17 near Edenton.

The applicant has now requested to modify the plans of the proposed bridge. The plans as now submitted show a fixed bridge at the same location as the existing bridge with a horizontal clearance of 20.0 feet and a vertical clearance of 7.2 feet at normal water level.

Plans showing the proposed bridge may be seen at the Post Office at Edenton.

Objections of the proposed work, if any, will be received at the office of the District Engineer, U. S. Army, Wilmington, N. C.

### Demonstration On Peanut Spacing In Macedonia Section

A row spacing demonstration has been arranged with W. S. Bass of Macedonia community. Jumbo bunch peanuts will be planted in row widths of 18 inches, 24 inches, and 30 inches. Jumbo runners will be planted in 36 inch rows and compared with the Jumbo runner in the conventional 42 inch row.

### Chowan Group Attends Meeting In Ahoskie

Chowan County was represented at the joint annual meeting of the Albemarle and Roanoke Soil Conservation Districts held in Ahoskie Wednesday night of last week. Dr. David S. Weaver, director of the N. C. Agricultural Extension Service, gave the principal address, emphasizing the fact that North Carolina is a rich state, yet having a very low farm income.

Those attending from Chowan County were:

Lloyd C. Bunch, president of the Albemarle district, who presided over the meeting; R. H. Hollowell, Joe A. Webb, Jr., Chowan County supervisors; W. A. Harrell, T. L. Ward, J. L. Kelton and J. M. Price of the Production and Marketing Administration.

tion; C. W. Overman and Robert S. Marsh of the N. C. Extension Service; F. V. White, N. C. Forest Service; and George A. Conner, Jr., and R. C. Jordan of the Soil Conservation Service.

### ROTARY QUIZ PROGRAM

Frank Holmes acted as quizmaster Thursday of last week at the Edenton Rotary Club meeting. Mr. Holmes followed a radio type program with six Rotarians on the Parish House stage. The six Rotarians were Jim Wood, Gilliam Wood, Philip McMullan, Wesley Chesson, Joe Conger and Richard Elliott.

### CROPS LOOKING GOOD

Tobacco setting progressed nicely in Chowan County last week, according to County Agent C. W. Overman, who says there appears to be ample plants in the county to set the crop.

Peanut planting was also reported well under way and cotton is looking very good.

Insects are attacking young cantaloupes and watermelons heavily, but growers are dusting to control them.

### Edenton Police Made 61 Arrests In April

Edenton police made 61 arrests during the month of April, according to Chief of Police George I. Dail. Of these arrests 17 were for miscellaneous traffic violations, followed closely by 15 for drunkenness and 13 miscellaneous arrests.

All of the 61 arrested were found guilty as charged and included 22 white males, 39 colored males, two white females and one colored female. Fines amounted to \$344 and costs \$318.60 or a total of \$662.60, of which

amount \$128 represented officers' fees turned back to the town.

During the month 96 calls were answered, two accidents investigated, one automobile recovered, two funerals worked, 35 lights reported out, 19 courtesies extended, 17 doors found open, 21 investigations made, two fire calls answered, 369 citations issued and \$1,265 worth of stolen property recovered.

The police made 709 radio calls, being on the air 69 minutes and five seconds.

Those who drive under the influence often have influence in court.

### Artificial Breeders Group Operating

The Albemarle Artificial Breeders' Association, Inc., is open for business. Frank Jessup, artificial inseminator, of Hertford has been breeding milk cows artificially since May 1. Several farmers in Chowan County are already members of the association and others are planning to join. Mr. Jessup can be reached 24 hours per day. His day telephone is 4161 and the night telephone is 4656. If Mr. Jessup is away when the telephone call is made the message can be left for him.

The price of joining the Albemarle Breeders' Association is \$2.00 for each member, and membership is for the members' life. This membership fee is for all members regardless of whether they own one milk cow or fifty. The price of service is \$8.00 for each cow, which entitles the member to two additional trips at no cost.

### APRIL EGG OUTPUT DOWN

North Carolina farm flocks produced 117 million eggs in April—7.2 per cent less than production during April, 1960. The decreased egg output was due principally to a decline in the number of layers on farms.
