Edenton's Colonials lost five games and won four during the past week and as of Wednesday morning dropped to seven games behind Petersburg for the lead in the Virginia League.

Home games for the Colonials during the coming week are as follows: Friday night, Franklin; Sunday afternoon, July 1, at 2:30 o'clock, Suffolk; Tuesday, Petersburg; Wednesday, Elizabeth City; Thursday, Emporia.

Edenton 5, Elizabeth City 7

In Elizabeth City Wednesday night of last week the Colonials dropped the game, by a score of 7 to 5. The Colonials got off to a big start by scoring four runs in the first inning, but after that they were able to score only once. On the other hand Elizabeth City gradually forged ahead, scoring two runs in each of the first and second innings. The Colonials went ahead 5 to 4 by scoring in the third. Elizabeth City then scored a run in the fifth to tie up the ball game and shoved across two runs in the eighth to win the game.

Anderson started on the mound for Elizabeth City, but was relieved by Reeves in the sixth, who gave up only one hit the remainder of the game. Bell started for the Colonials but was also relieved in the sixth by Templeton. The Colonials out-hit the Albemarle 8 to 5 but lacked the punch to manufacture enough runs.

Edenton 8, Elizabeth City 2

The Colonials bounced back Thursday night on Hicks Field to defeat Elizabeth City 8 to 2. The game was played before the largest crowd of the season, with the Colonials observing Bertie-Hertford County night. Fans in those two counties were admitted free by securing tickets at various stores in the two counties.

The Colonials opened with a big first inning by touching Dowdy for four hits which netted five runs, after he walked the first two batters, Brooks and Ugarte. Brooks added another run in the second by hitting a home run. The other two Edenton runs were scored in the fourth when Shahid singled, Ugarte walked and Templeton singled to score both runners. At this point Dowdy was relieved by Wright, who allowed only three scattered hits the remainder of the game.

Shahid was on the mound for the Colonials and pitched a splendid game. He gave up nine hits but were pretty well scattered. The visitors made three of their hits in the final inning, when a short-lived rally netted their only two runs and prevented Shahid from chalking up a shutout.

A feature of the game was the appearance of Sgt. Leo MacMahon, a blind World War I veteran, who has the reputation of being the nation's No. 1 baseball fan. He was an ardent Edenton roofer and at the end of the fifth inning was escorted on the field by Manager Gashouse Parker to render his own composition, "My Dream of the Big Parade." He was given a round of applause and an offering taken for him.

Edenton 15, Suffolk 5

With Dick Brockwell on the mound and Colonial batters having their eye on the ball, the Colonials easily defeated Suffolk on Hicks Field Friday night 15 to 5. Brockwell was in excellent form and allowed only six scattered hits, one of which was a home run clout by Mohn.

The Colonials romped on three Suffolk pitchers, Zbiciak, Herman and Tkacik, for a total of 15 hits, including a home run by Templeton.

The Colonials had a big first inning when they scored five runs. Brooks, Ugarte and Templeton, first three batters up, singled, which netted two runs. Parker and Leary were safe on errors and Herman was then sent in to replace Zbiciak. Herman was relieved by Tkacik in the seventh.

The visitors staged a brief rally in the ninth which netted three runs on one hit. Brockwell developed a wild streak and walked three batters to fill the bases. Treadway then singled scoring two runs, and the third run was scored on a grounder.

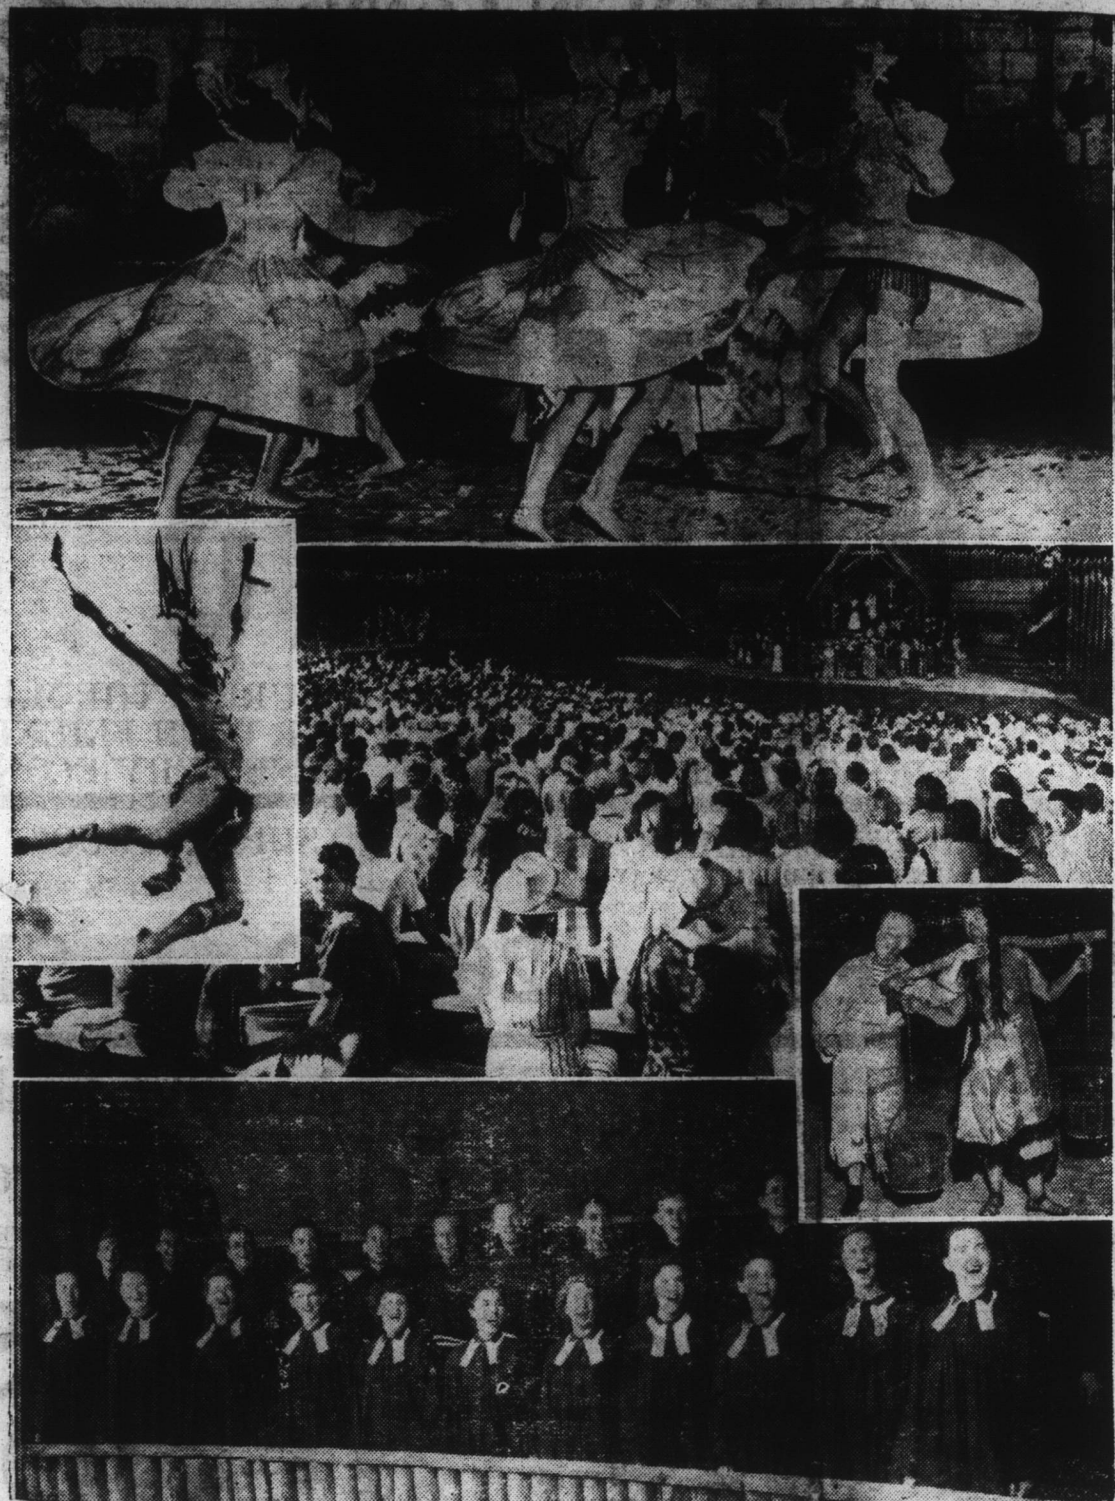

Edenton 4-6, Suffolk 10-4

In a doubleheader played in Suffolk Saturday night, the Colonials and Goobers split, Suffolk winning the first game 10-4, while the Colonials won the second game 6-4.

Ralat, on the mound for Suffolk in the first game, limited the Colonials

FAMOUS LOST COLONY DRAMA SWINGS INTO SECOND DECADE

America's longest-lived outdoor drama, Paul Green's internationally famous "The Lost Colony" swings into its second decade in Waterside Theatre at Manteo on Roanoke Island, N. C., with the presentation of the 1951 season premiere, Saturday night, June 30. Music for The Lost Colony is by the famous Lost Colony Chorus made up of voices of Westminster Choir members and under direction of Theos Cronk. They are shown in drama's choir lost in bottom picture. Production schedule of The Lost Colony this season calls for performances every night, except Mondays, at 8:15 o'clock, through September 2. Commissioners Will Be Ready With Budget At July Meeting

Chowan County Commissioners have held several meetings with County Accountant E. W. Spires in an effort to iron out anticipated expenditures and income during the 1951-52 fiscal year in order to arrive at a tax rate for the year.

Decision Is Reached at Meeting Held Last Week

EFFECTIVE JULY 1

Move Calculated to Increase Interest In Sport

At a meeting held last week of newly elected officers and directors of the Edenton Golf Club and representatives of the Varsity Club, the latter agreed to take over the management of the Golf Club on a six months trial basis with an option to continue if the experiment proves successful. Under the agreement the Varsity Club will take over operation and management of the Golf Club on July 1.

The change in management is calculated to create more interest in the sport and, of course, tend to increase the number of club members, which is necessary to finance the club.

The Golf Club was organized several years ago and has a record to be proud of. A virtual wilderness has been transformed into a 9-hole par 37 golf course, which at present is in excellent condition. Quite a few continued membership in the club and through hard work on the part of a small group of the club, despite many handicaps and setbacks, has survived.

The Varsity Club agreed to take over the management of the course provided the present could guarantee 50 members who would pay \$10 per month during the six-month trial period. This guarantee, however, was re-

Dr. Henry Jordan Advises David Holton Of Intention

ONE ON EACH SIDE

Plan Calculated to Reduce Increasing Hazards

Last week The Herald carried an editorial concerning the advisability of adding walkways to the proposed new bridge across Pembroke Creek at the U. S. Fish Hatchery. The idea struck a responsive chord with David Holton, president of the Edenton Chamber of Commerce, and he immediately communicated with Dr. Henry Jordan, Chairman of the North Carolina Highway Commission.

Mr. Holton pointed out that due to the rapid development just south of the bridge, many people walk back and forth across the span and many more ride bicycles, which causes a distinct hazard due to the heavy automobile traffic over U. S. Route 17.

When informed of the local condition Dr. Jordan informed Mr. Holton that he was impressed with the idea and that he would take the matter up with highway engineers.

Later Dr. Jordan had a conversation over the telephone with Mr. Holton and the highway chairman said walkways would be included in the bids which will be received on July 6. According to Mr. Holton, he was informed by Dr. Jordan that a walkway three feet wide will be provided on each side of the bridge for the convenience and safety of pedestrians and bicycle riders.

Boll Weevil Count In Chowan County Low

County Agent, However, Urges Dusting to Begin Now

The boll weevil was damaged severely by the cold weather or is unusually late migrating to the fields in any quantity, according to County Agent C. W. Overman. Twelve or more cotton fields were checked last week and weevil counts are still running very low. Four fields contained enough weevils to justify dusting. Several growers and Mr. Overman have discussed the situation and are of the opinion that dusting cotton should start at once and apply 3 to 4 applications so as to clean up the weevils migrating to the fields and prevent early puncturing of squares. Several growers began dusting last week.
