Greater Albemarle Day At Lost Colony On Saturday Night

Tribute By Residents of Northeastern North Carolina

COMMITTEE NAMED
Special Features Being Arranged For Entertainment

Plans have been completed for the observance of Greater Albemarle Day at Paul Green's famous symphonic drama, The Lost Colony, at Manteo, next Saturday, July 7.

The observance will be a tribute by the residents of the counties of Northeastern North Carolina for the part the drama has played in revealing the history and advantages of this area to thousands of persons from all over the nation. The performance Saturday night will be dedicated to the Greater Albemarle Region of North Carolina, once referred to as the "lost province" of the State.

Ed Moss Williams, Elizabeth City publisher and recently appointed by President Truman to the ECA, is chairman of the special Albemarle Day. His co-chairmen in Elizabeth City are Fred Haney and Fred Pendleton. Serving with them are Herbert Peele and Miles Clark of Elizabeth City, Max Campbell of Hertford, Bill Manning of Williamston, Ike Davis of Winton, Melvin Daniels of Manteo, Mrs. Inglis Fletcher of Bandon Plantation, Mayon Parker of Ahoskie, C. R. Craddock of Manns Harbor, H. D. Cullen of Windsor, J. Edwin Buflap of Edenton, Victor Meekins of Manteo, Jack Booker of Plymouth, T. P. Midgett, Jr., of Englehard, Paul Liverman of Columbia and Maj. J. L. Murphy of the Dare Beaches.

The idea of Greater Albemarle Day, Williams declared, is to get as many people as possible of the 13 counties comprising the section to attend The Lost Colony in a body on July 7. Counties participating in the project are Hyde, Washington, Martin, Bertie, Tyrrell, Hertford, Gates, Perquimans, Chowan Pasquotank, Camden, Currituck and Dare.

Present plans call for a number of outstanding government and military officials to join with residents of this section in making the July 10 Lost Colony performance one never to be forgotten.

A feature of the Greater Albemarle Day performance will be the guest appearance of Elizabeth City's widely known "Barber Shop Chorus," which has long been in demand for special appearances at convention and association meetings.

Chowan County Tax Rate Forced To Be Increased 13 Cents

Rotary President

JAMES L. CHESTNUTT
At Thursday's meeting of the Edenton Rotary Club J. L. Chestnutt will be installed as president of the new Rotary year. He succeeds Thomas Byrum.

Year's Budget Approved By Commissioners Monday

NEW RATE \$1.53

Higher Cost of Operation Calls For More Revenue

After several weeks of dealing with figures on the part of County Accountant E. W. Spires and the Chowan County Commissioners, the budget for 1951-52 was approved at the Commissioners' meeting Monday and the tax rate set for the new fiscal year.

In order to meet the requirements for government operation of the county it was necessary to set a tax rate of \$1.53 per \$100 property valuation. This is an increase of 13 cents over the past year, when the rate was \$1.40. The Commissioners were hopeful that the same rate could be maintained, but necessary increases in various appropriations could not be met under the \$1.40 rate. In fact some appropriations were pared and some requests were denied in order to prevent an even larger increase in the tax rate.

Needs for the county during the year run about like this: Requirements for bonds during the year amount to \$52,678.33. From a surplus there is \$12,678.33, which leaves a remainder of \$40,000 to be levied for. This requires 40 cents of the tax rate.

In the general county fund anticipated expenditures total \$57,079. Of this amount \$42,079 is figured to come from ABC profits. The remaining \$15,000 requires a rate of 15 cents.

General relief during the year is estimated to cost \$4,623 and hospitalization \$10,000 or a total of \$14,623. The levy for this item is 25 cents.

The appropriation for the Health District is \$8,381 and for the county the appropriation is \$1,440 or \$9,821. A 10-cent levy is necessary to raise this amount.

Requirements for schools are \$82,756.95 of which \$26,136.95 is for the county unit and \$56,620 for the Edenton City unit. Fines, surplus, etc., are figured to net \$24,740.39, so that a rate of 58 cents is necessary to raise the remaining \$58,016.56.

For Social Security \$60,000 is appropriated for old age assistance, \$15,120 for aid to dependent children and \$6,736.80 for administration. This makes a total of \$81,856, but \$67,160 will come from the State and Federal governments, so that the county's part will be \$14,696.80. There is an unexpended balance of \$9,444.59, so that the remaining \$5,252.21 will require a 5-cent rate.

The Colonials and Emporia game played in Emporia Wednesday night of last week was called off at the end of the fifth inning by rain. At that time Emporia was leading 9 to 6 and, there, was credited with a victory.

Emporia had a scoring spree in the second inning when eight runs were scored, due primarily to wildness. During the five innings Emporia made only three hits, but benefited by 10 free passes on balls, two errors, a hit batter and two wild throws. The Colonials made four hits, two being credited to Corrales.

Templeton started on the mound for the Colonials but was relieved by Bell. Emporia used Stevenson and Griffin.

Edenton 1, Suffolk 2
In Suffolk Saturday night the Colonials lost a hard-fought game to the Goobers 2 to 1. The Colonials scored their run in the first inning when Brooks was safe on an error. Bland followed with a single and Templeton walked to fill the bases. Brooks scored when Manager Parker hit to short and lacked a few inches of being a double play. Leary then walked, but the scoring threat ended when Bagwell hit into a double play.

The Goobers scored their two runs in the fourth when Parker missed Carn's roller. Treadway was safe on Templeton's error. Robertson then singled scoring two runs.

Raines was on the mound for Edenton and allowed only five hits. He struck out seven batters, four of them in succession. Zbiak was on the mound for Suffolk and gave up seven hits.
