

DO's and Don'ts for Your Summer Vacation Automobile Trip

Automobile travel on the nation's highways is expected to reach a new peak this summer. To help travelers get the most pleasure out of touring, and to help keep their cars in the best possible condition, the Buick Service Department reminds owners of the following DO's and DON'Ts:

- DO** be particularly careful to watch crankcase oil level on long trips.
- DO** remember to switch tires and to watch pressure, especially on hot days.
- DO** wash your car once a week to remove road film and chemicals.
- DO** sit in a comfortable, erect position and rest frequently.
- DO** keep the windshield free of dust and dirt at all times.
- DO** give your car a Lubricant treatment.
- DO** remember that most drivers can get 10 per cent more miles per gallon by observing economy rules.
- DON'T** neglect inspection and adjustment of brakes before starting a long trip.
- DON'T** allow grime and dirt to accumulate on chrome. Clean as frequently as necessary.
- DON'T** take chances with improperly aimed headlights. Your safety is at stake.
- DON'T** put off having the air cleaner cleaned and refilled with new oil.
- DON'T** forget in warm weather your battery needs water frequently. Check it often.
- DON'T** block vision with gadgets and stickers.
- DON'T** drive faster than conditions warrant, don't run risks on the highway, and don't drive if you are fatigued.

Heavy Buildup Of Weevils Reported

County Agents Examine Fields In Chowan County

Five dusted cotton fields examined on Monday and Tuesday of last week showed an average of six punctured squares and 1/4 weevil per 100 squares, according to C. W. Overman, County Agent and Assistant County Agent Robert S. Marsh. Three undusted fields examined showed an average of 47 punctured squares and two live weevils per 100 squares. A heavy build-up of weevils is occurring. Some boll worm is beginning to appear, and do damage and it can be expected these will increase unless they are controlled. Weevils will puncture squares until two-thirds grown. The boll worm will attack even grown bolls.

Dusting should be continued every five days until August 20 to 25, say the agents. Toxaphene loses its strength in five days and an active coat should be kept on the cotton continuously. "We realize that dusting costs money," say the agents, "but we believe growers will make enough extra cotton to well justify continuing dusting as recommended above."

The growth of cotton in many fields is such that ground equipment damages it considerably. Growers who are interested in using airplane service should notify the County Agent's office and arrangements can be made.

Colonials Trailing 1 1/2 Games For Second Place

(Continued from Page One)

gled, scoring Anderson. Four runs were scored in the fourth. Bland singled and went to third on a bad throw to second. He scored on Corrales' long fly. Raines and Messina walked and came home on Anderson's home run. Three more runs were added in the fifth. Parker walked and Bagwell doubled. Bland was safe on an error filling the bases. Parker scored on Mauney's fly. Bagwell and Bland scored on a double to right field by Corrales.

In the sixth the Colonials scored twice when Anderson walked and Parker hit a home run over left field fence. The final two runs were made in the eighth when Parker and Bagwell hit homers in succession. The victory was the 18th for Raines.

Edenton 3, Elizabeth City 1
On Hicks Field Thursday night, before one of the largest crowds of the season, the Colonials defeated Elizabeth City in a hard-fought game by a score of 3 to 1. Warfield, Elizabeth City centerfielder, prevented a shut-out by hitting a terrific home run clout over the centerfield fence in the top half of the ninth inning. Shahid was on the mound for the Colonials and held the visitors to seven hits, two of which were made in the final frame. He was master of the situation throughout, but in a few instances fast double plays prevented a possible Elizabeth City rally.

Tommy Reeves was on the mound for Elizabeth City and was touched for ten hits. The Colonials scored their first run in the initial inning when Messina beat out a bunt for a base hit and scored on Anderson's double. The next run was registered in the fourth when Bagwell beat out a bunt and scored on a single by Bland. The

final counter was made in the eighth. Parker singled and Bland walked. Mauney then singled, scoring Parker.

Messina led the attack on Reeves, making three of the Colonials' hits. **Edenton 6, Elizabeth City 8**
Elizabeth City turned the tables in Elizabeth City Friday night, when the Colonials lost by a score of 8 to 6. The Colonials got off to a big start by scoring two runs in the first inning and four in the second, but the Albies, scored three in the first and two in each of the fourth and fifth. In a big eighth inning the Albies scored three runs, which put the game on ice.

Dick Brockwell started on the mound for the Colonials, but was relieved in the sixth by Raines. Brockwell was touched for nine hits and walked five, while Raines gave up four hits and walked one.

Elizabeth City used three pitchers Wright, Lewis and Reeves, the trio giving up 12 hits.

Edenton 6, Suffolk 4
On Hicks Field Saturday night the Colonials won a nip and tuck game by a score of 6 to 4. It was a pitching duel for the first four innings with Lyons for Suffolk giving up only one hit and the visitors getting only two off Ronnie White for Edenton.

The Colonials drew first blood in the fifth when Bagwell beat out a bunt. Corrales was hit by a ball and Bagwell scored on a single by White. The Colonials added three more runs in the sixth. Anderson singled and Leary walked. Parker then singled, scoring Anderson. Bland singled, scoring Leary and Parker scored on a passed ball. The Colonials scored two more runs in the seventh. Messina beat out a bunt and scored on a double by Leary. Parker was purposely walked and Bagwell walked, filling the bases. Bland singled, scoring Leary. Tugwell fanned for the fourth time in the game to end the rally.

The Goobers scored three runs in the sixth. Carn and Mills singled and Kinnaid then hit a home run. The other Goober tally was a home run clout by Harmon Young in the eighth.

Ronnie White was replaced on the mound by Shahid in the ninth inning after Claude Griffin singled. Shahid walked a batter and Mills walked, filling the bases. However, Carn fanned, Treadway popped up and Kinnaid struck out to end the scoring threat.

Lyons went the route for the visitors giving up nine hits. White was touched for 10 hits.

Edenton 2, Suffolk 3
In a hard-fought game in Suffolk Sunday afternoon the Goobers took the Colonials' measure by a score of 3 to 2. It was a pitchers' duel between Bowman for the Colonials and Bradshaw, who was relieved by Lyons in the ninth inning. The Goobers were limited to five hits, while the Colonials were able to register only six hits. Bradshaw issued four free passes and Bowman walked seven.

The Goobers scored all of their runs in the second inning, while the Colonials scored their two runs in the sixth.

Edenton 2-1, Petersburg 13-2
The Colonials dropped a pair of games to the Petersburg Generals on the latter's diamond Monday night. The score in the first game, a seven-inning affair, was 13-2.

The league leaders took a liking to the slants of Dick Brockwell, Edenton moundsman, and racked up 13 hits. Hatcher, himself knocked in six of the 13 runs.

Johnny Brockwell was on the mound for Petersburg, letting the Colonials down with four hits, two of which were made by Sam Mauney,

who played first base.

The second game was a thrilling mound duel between Shahid for the Colonials and Deal for Petersburg. Shahid gave up only three hits and Deal allowed four hits. Both teams played errorless ball.

While the Colonials were losing two games Elizabeth City won two games from Suffolk, which put the Albies 2 1/2 games ahead of the Colonials for the league's second place berth.

Edenton 7, Petersburg 2
On Hicks Field Tuesday night the Colonials stopped Petersburg by a score of 7 to 2.

Mitchell was on the mound for the visitors, but was chased to the showers in the fourth after he was touched for six hits, which netted four runs. Of the six hits, four were doubles by Raines, Anderson, Leary and Costa, a new right fielder in a Colonial uniform for the first time.

Mallory replaced Mitchell and held the Colonials hitless in every other inning except the seventh, when he was touched for three hits which produced three runs. Anderson and Leary singled in succession and Parker then homered over the leftfield fence.

Raines was on the mound for Edenton and again hurled a masterful game. He allowed only five hits and never was in serious trouble except in the fourth inning when the visitors scored their two runs. He was given gilt-edged support with several double plays putting an end to possible scoring threats.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Robert C. Powell announce the birth of a daughter, Paula Lee, born Tuesday, August 7, in the Chowan Hospital. Mrs. Powell is the former Miss Nancy Chestnut, daughter of Mr. and Mrs. J. L. Chestnut.

Great Hope Baptist Revival In Progress

A revival at Great Hope Baptist Church, in Perquimans County just off the Hertford-Tyner highway, is now in progress, and will close Friday

night. The Rev. R. N. Carroll, pastor of the Edenton Baptist Church, is preaching, and the Rev. Paul E. Lemons is conducting the singing. The public is invited. Services begin at 8 o'clock.
