Edenton's Colonials broke even during the past week, winning four games and losing four, but despite this even break, the Elizabeth City Albies continued their winning streak and as of Wednesday led the Colonials 4½ games for second place in the league standing.

Edenton 3, Emporia 2
In a mound battle between Ronnie White for Edenton and Ervin for Emporia, the Colonials nosed out a 3-2 victory on Hicks Field Wednesday night of last week. White gave up eight hits and the Colonials touched Ervin for nine hits. Each team scored all of their runs in one inning.

The Colonials had a big fourth inning when Bagwell, first up, walked. Bland then singled and he and Bagwell raced home when Corrales singled to right field. White then singled and Corrales scored on Messina's long fly to centerfield.

The Rebels scored their two runs in the eighth on a walk, hit, a passed ball and an error. They made a threat in the ninth when Cereko singled and was sacrificed by Ervin. However, White fanned the next two batters, Altamara and Hare and the next batter grounded out to end the game.

Bland led the Edenton attack with three singles, followed by Messina with two hits.

Edenton 1-10, Emporia 2-1
In Emporia Thursday night the Colonials split a twin bill with the Rebels.

Emporia won the first game by the close margin of a 2-1 score. Monk Raines was on the mound for the Colonials.

Behind the pitching of Dick Brockwell the Colonials won the second game by a score of 10 to 1.

Edenton 1, Franklin 2
In Franklin Friday night the Kildees won a mound duel between Holland for Franklin and Shahj for the Colonials by a score of 2 to 1. Shahj allowed nine hits, while Holland gave up eight hits. Costa led the Edenton attack with three of the eight hits.

Franklin scored a run in the first and fourth innings, while the Colonials threatened to tie things up in the ninth, but were able to score only one run.

Edenton 8, Franklin 3
The Colonials turned the tables on the Kildees on Hicks Field Saturday night, when they won by a score of 8 to 3.

The Kildees took the lead by scoring three runs on four hits in the fourth, but from then on were held scoreless.

The Colonials had a big sixth inning when six hits netted six runs. Corrales walked, after which White singled, Messina beat out a bunt and Corrales was caught at the plate. White scored on an overthrow. Leary and Parker singled in succession and Bagwell walked filling the bases.

Costa walked, forcing in a run. At that point Holland replaced Tomasy on the mound and Tomasy went to first base. Bland singled, scoring two runs and Corrales singled to bring in the sixth run.

Tomasy went back on the mound in the seventh and went through the inning without any trouble. In the eighth the Colonials scored two more runs on no hits, but due to three errors.

Ronnie White went the route on the mound for the Colonials. He allowed seven hits, while the Colonials chalked up eight hits.

Edenton 0, Elizabeth City 3
On Hicks Field Sunday afternoon the Colonials fell victims to the fast stepping Elizabeth City Albies by a score of 3 to 0. The Colonials' bats were silenced by Ray Sugg, on the mound for the visitors, who allowed only four scattered hits and fanned six batters.

Monk Raines was on the mound for Edenton and was touched for eight hits.

The visitors scored two of their runs in the third inning on three hits. Sugg singled, Howard doubled, scoring Sugg, and Warfield singled to score Howard. They added their third run in the eighth when Evans singled and stole second. W. D. Holmes Co. Will Observe Anniversary At Hicks Field Aug. 30

Orchids for Ladies and Cigars For Men; Also Many Prizes

W. D. Holmes Wholesale Grocery, Inc., will celebrate its 50th anniversary in a rather unique way Thursday night, August 30. The affair will be celebrated at Hicks Field, when the Edenton Colonials will play the last game of the current season with the Elizabeth City Albies.

To the first 200 ladies who attend the game a beautiful orchid will be presented, and every customer of the concern present at the game will be presented a gift at the seventh inning. All men present at the game will be given free cigars and every 50th person appearing at the box office for a ticket will be given a free ticket as compliments of the Holmes concern.

As an incentive for members of the Edenton and Elizabeth City teams to take the ball for a ride, the Holmes Company will give \$50 in cash to the player of either team who hits the ball over their sign in centerfield.

The children have not been forgotten, either, for the Holmes Company expects to have on hand Herman Joseph, who was a clown for the Ringling Bros. Circus for 15 years. Mr. Joseph now lives in Goldsboro and is a salesman for the El Moro Cigar Company. He will entertain the children and adults as well.

The Holmes Company has the reputation of being the oldest business in Edenton and has gradually grown until it now has complete coverage in 14 Eastern North Carolina counties.

Only 4 Home Games On Colonial Schedule

Fans Especially Urged To Turn Out For Final League Contests

Only four more home games remain on the schedule of the Edenton Colonials in the regular Virginia League season. These games will be played next Friday with Petersburg, Saturday with Emporia, Tuesday of next week with Franklin and the final game Thursday night of next week with Elizabeth City.

According to Colonial officials, attendance at the remaining games may largely help to determine if Edenton will have organized baseball next season. The club is in need of funds and with large attendance at the remainder of the games, this phase of operation will be greatly helped.

Officials suggest that the next week be designated as Baseball Appreciation Week and urge fans not only to attend every game themselves, but that they go to some effort in inviting or bringing friends to the games. In this way the burden will not rest on a comparatively few in raising the necessary finances.

Two Chowan Boys In Southern Pine Exercise

Pfc. Robert M. Turner of Tyner and Pfc. Isaac Joseph Harrell of Edenton have arrived at Fort Bragg with the 28th Infantry Division to take part in the huge exercise "Southern Pine" now in progress on the sprawling maneuver area.

Southern Pine, a joint Army-Air Force exercise, is the largest routine training maneuver of its type to be held in the United States since World War II. One of the largest units taking part is the 28th Division, former Pennsylvania National Guard Division, which completed nearly a year of training at Camp Atterbury, Indiana, before coming to Fort Bragg. The maneuvers will continue until September 2.

EXHIBIT POINTS FINGER AT STALIN

Sponsored by the Edenton Police Department, an exhibit titled "The Pay Off" depicting the fate of our late enemies, Hitler, Mussolini and Tojo, will be shown on the Belk-Tyler lot on Broad Street Wednesday and Thursday of next week.

This exhibit shows, through the medium of third dimensional scenes, Hitler just before he fired the fatal shot ending his mad career; Mussolini pleading vainly for his life before a squad of Italian partisans, and Tojo nervously awaiting his hanging in Sugama prison.

The exhibit dramatically points out that Tojo was the first top flight war maker ever to be brought to trial before a court of law for his crimes and executed. It also emphasizes the fact that Stalin, through Russia's participation in the Nuremberg war crimes trials becomes an international criminal himself in the eyes of world justice. Excerpts from the speeches of Stalin and other Communists at the time of the Nuremberg trials show that Stalin helped to set up laws against aggression—the laws he now ignores so frequently.

Among the highlights shown in the big traveling exhibit are a set of Hitler's silverware, beautifully engraved and like most other Hitler treasures bearing "Der Fuhrer's" monogram; an ornate key formerly carried by Mussolini, and a Japanese Samurai sword made before Columbus discovered America.

Program Launched To Inform Public About OPS Rights

Public Asked To Be Alert Relative to Overcharging

The Eastern Carolina Office of Price Stabilization is launching a program to inform the public of its rights under the National Defense Production Act, it is announced at OPS Headquarters in Raleigh.

"Three times the amount charged over the legal ceiling or a minimum of \$25, whichever is greater, together with reasonable attorney's fees and court costs may be granted by the courts to a person victimized by over-ceiling selling," District Counsel George K. Snow stated, regarding the treble damages provision of the act.

A housewife, for example, if overcharged \$3.00 for an item, may collect not just \$9.00, but the \$25.00 minimum, plus court costs and reasonable attorney's fees, Snow explained.

In many sections of the country the public is bringing suits for overcharges, it was pointed out, and court actions awarding thousands of dollars are now pending. There is no limit to the amount of damages that can be collected, it was stated.

In urging the public of Eastern Carolina to be alert for overcharges, Snow said the legal staff of the Raleigh OPS is ready to give advice and information to the public where the matter of over-ceiling selling is involved.

Contestants Will Display Birds at Edenton Armory

Robert S. March, assistant county agent, announced early this week that the fifth annual 4-H poultry show and sale will be held at the Edenton armory on Friday, September 7, at 10 A. M. At this time the 4-H Club contestants will have 12 birds, all Parmenter Red pullets of high grade, on display. The pullets will be judged by poultry specialists from State College and prizes will be awarded to the winners. The Danish system of judging will be used, that is, prizes will be awarded in groups of blue, red and white instead of only three prizes. Each contestant who has a pen of birds in the blue group will be awarded equal prize money, as will each contestant in the red and white groups. When this system of judging is used each contestant receives an award for his labor instead of only three or four contestants winning all the prizes. Contestants are urged to have their pullets at the armory at 9:30 A. M., at least one-half hour before the show and sale time.

"H. R. Hill, official of the Berkley Feed Company, Norfolk, is to be commended for his wholehearted cooperation in sponsoring this contest and making the project possible," says Mr. Marsh.
