Edenton's Colonials broke even dur-Edenton's Colonials broke even during the past week, winning three and losing three games, but with the Elizabeth City Albies continuing their winning streak, they lead the Colonials for second place in the Virginia League by 6½ games. All games in the league were rained out Tuesday night.

The final game of the regular schedule will be played on Hicks Field tonight (Thursday) when the Colonials will face Elizabeth City.

The playoffs are scheduled to begin Friday night with the Colonials meeting Elizabeth City and Petersburg tangling with Suffolk. For the first playoff game the Colonials will play in Elizabeth City Friday night and return to Hicks Field Saturday night with games alternating until one team has won the best out of seven games.

Edenton 8, Suffolk 0

In Suffolk Wednesday night of last week the Colonials walloped the Goob-

ers 8 to 0 behind the superb pitching of Monk Raines. Raines allowed the Goobers only five hits. The game was only seven inning, being the first of a scheduled doubleheader. The last game was called off due to rain.

The Colonials made 11 hits off three Suffolk pitchers. Bradshaw was knocked out in the second inning when Edenton scored four runs. Jobie Griffin succeeded him, but he was taken out in the sixth, when Manager Red Treadway went to the mound and finished the game.

The Colonials added two more runs.

The Colonials added two more runs in each of the fifth and sixth. Doc Murphey was back in an Eden-ton uniform and knocked in one of

the Colonials' runs.

The victory was the 20th of the season for Raines.

Edenton 3, Petersburg 10
The league-leading Petersburg Generals walked rough shod over the Colonials in Petersburg Thursday night by a score of 10 to 3. The Generals had two big innings, scoring five runs (Continued on Page Twelve)

School Is Ready For Opening Wednesday Hew held

To meet at School at 9 O'clock

Edenton's graded school will begin classes on Wednesday, September 5 at 9 A. M. All elementary and high school students are requested to report to the building on Court Street. The new Junior-Senior High School building is not ready for use. The high school will move to the new building just as soon as it is ready.

Students are asked to go to the auditorium when they come to school Wednesday morning. A band concert by the school band will be a feature the opening exercises. The Rev. Gordon Bennett, rector of St. Paul's Episcopal Church, will be the devotional speaker.

At the close of the program all students will be assigned to their home

The lunch room will not be in operation until Monday, September 10. The students in grades 1 to 6 will go to the lunch room beginning at 12 o'clock, and the students in grades 7 to 12 will go at 12:42. When the high school moves to the new building the lunch hours of both schools will be Margery Thigpen and Mr. and Mrs. Norman Leonard, all of Edenton.

amers Asked To Speak Up In USDA Study In Chowan

Chairman W. A. Harrell **Announces Meetings** In County

W. A. Harrell, chairman of the Chowan Agricultural Mobilization Committee, announces that a series of local meetings are being arranged as part of a national Family Farm Policy Review, through which the Department of Agriculture is seeking to obtain practical suggestions for improving services to family farms.

The first community meeting will be held in the Chowan High School at Cross Roads on Wednesday night, September 5, at 7:30 o'clock. This meeting will cover Center Hill, Rocky Hock, Ryland and Gliden communities. The second meeting will be held in the Court House in Edenton on Tuesday night, September 11, at 7:30 o'clock and will cover Edenton, Macedonia and Yeopim communities.

Mr. Harrell points out that many American farms are not at present using really up-to-date, improved methods of farming. Slow, tedious hand labor still prevails in many places where modern machinery and equipment could lighten the load and bring higher returns. There are still many areas of marginal land which could be improved and returned to greater productivity through proper methods of rehabilitation and conservation. These and many similar problems will be considered in local discussions relating to the current review of farm programs and policies.

The purpose of the Family Farm Policy Review, according to Mr. Harrell, is to find any feasible methods by which family farmers, who make up the bulk of the farm population, can be helped to help themselves. "Especially important," says Mr. Harrell, "is the aim of helping those who are not now producing with maximum efficiency either because of lack of know-how or lack of means, financial or otherwise. Increased production can mean increased income for many farm families whose incomes are still inadequate. It can mean better opportunities for rural children, modern conveniences in more farm homes, fuller use of individual talents and a more satisfying life for farm families. Increased agricultural production is also important to the welfare of the nation as a whole, and this will continue to be true in the future as our population increases."

Present federal farm programs will be discussed at the local meetings with a view to obtaining recoma lasting impression on the defense workers who are with us now and fairs, being commissioned first lieuand services for farmers. Mr. Hartenant in the U. S. Army in 1918. In rell urges all farm families, farm orpromoted to major. Due to physical part in the discussions, so that a good cross-section of opinion can be obtained. Copies of a pamphlet entitled "The Family Farm's Future," further explaining the purposes of the Family Farm Policy Review and the part that local people can take in it, can be obtained from the Chowan County Agricultural Mobilization Committee at the County PMA office.

Fees Announced For **Coming School Term**

Money Should Be Taken On Opening Day of School
