

Lottie Ann Leary Weds W. W. Hobbs

Wedding Is Solemnized Saturday Afternoon, August 18th

The marriage of Miss Lottie Ann Leary of Tyner, daughter of Mrs. H. L. Leary and the late Mr. Leary, to Wallace Ward Hobbs of Hobbsville, son of Mrs. Alfred Hobbs and the late Mr. Hobbs, took place Saturday afternoon, August 18, at 3 o'clock in the Ballard's Bridge Baptist Church parsonage, with the Rev. R. W. Knight performing the double ring ceremony.

The bride was attired in a white organza dress shaded with a lavender taffeta slip with white accessories. The shoulder corsage was a lavender purple throated orchid.

The only attendants were Miss Betty Cole Bateman of Ryland and William Marvin White of Hobbsville.

After a short wedding trip the newlyweds will reside at the home of her parents.

Entertainment before the wedding included a miscellaneous shower given by Mrs. Lewis Leary and Mrs. Trot Leary and a quiet wedding supper given by Miss Betty Cole Bateman.

report. The soil should be well prepared. Seed and inoculating culture should be purchased and on hand, ready to sow. Seed should be sown in September when there is a sufficient amount of moisture. The seed should be covered very lightly as soon as sown.

For hogs only, sow three pounds of Ladino clover per acre, orchard grass at the rate of five pounds per acre may be added if desired.

For cattle and sheep, with or without hogs, sow two to three pounds of Ladino clover and eight to 10 pounds of Fescue or orchard grass. Orchard grass should be used on well drained land only. Fescue will do well on low land, as well as higher land. Many farmers were contacted last week in the office and in the field relatives to plans for seeding pastures.

COPELAND-LASSITER

Mr. and Mrs. Harvey Lassiter of Portsmouth, Va., announce the marriage of their daughter, Carol Josephine, to Charles LaVerne Copeland, son of Mr. and Mrs. C. C. Copeland of Tyner.

The ceremony took place Saturday, July 28, at Park View Baptist parsonage in Portsmouth with Dr. George Sawyer officiating.

The first sign of intelligence is to appreciate those who do not agree with you.

By WILBORNE HARRELL

Written on the death of Franklin Delano Roosevelt, and published here for the first time.

GIANTS IN SOUL

They stand like giants who stand alone

Upon the hilltop's crest, Whose branches bend to wind and storm,

Whose days can know no rest; They stand like giants who stand alone

With God upon the hill, For staunch heart stands where grows a tree So straight and tall and still.

They stand like giants who stand alone

Among the race of men, Whose heads are bowed to strife and toil

And trials beyond our ken; They stand like giants whose souls withstand

Life's cruel shape and form—Giants in soul they tower above The fury of the storm.

Farm Agent Urges Preparing Pastures

C. W. Overman States Seed Should Be Sown In September

County Agent C. W. Overman this week reminds farmers that pasture time is here, and says that at least one ton or more of Dolomitic lime should be applied per acre. Eight hundred to 1,000 pounds of 2-12-12 fertilizer should be applied per acre. If a soil sample has been taken and the report on it has been received, follow the recommendations on the
