

Woman's Clubs Of District Hold Meet In Edenton On Monday

Subjects of Interest Discussed By Various Speakers

A luncheon meeting of all presidents and other officials, of the 16th District Federation of Women's Clubs was held in Edenton Monday at the Triangle dining room, with Mrs. W. J. P. Earnhardt, president, presiding. Twenty-two ladies attended the affair, with clubs being represented from Ahoskie, Gatesville, Manteo, Murfreesboro, Elizabeth City, Camden, Moyock and Edenton.

Following the reading of the Club Collect and roll call, Mrs. Earnhardt recognized Mrs. Keith Fearing of Elizabeth City, vice-president and director of Junior Clubs, who made a talk on "The Duties of Junior Clubs, and What Is Expected of Them." Junior Projects include the Clothing Closet and Children's Home Society in Greensboro. Junior Clubs throughout the State furnish one-fourth of the Home Society's Budget.

It was reported that 83 babies were placed last year, which takes from one to two years to place these children. Announcement was made of the State Drive for Home Society, which will be held September 9 through September 30. Literature may be secured for Children's Home Society by writing Miss Rhea Sykes, 740 Chestnut St., Greensboro, N. C. Both Junior and Women's Clubs participate in the birthday remembrance program in the six correctional schools in the State.

The Federation's State Projects are: Civil Defense, Books for Peace, with Mrs. John Bonner of Elizabeth City, and Mrs. David Holton of Edenton, as chairman for this district, and Mrs. Arthur Greene of Ahoskie, State Chairman, for Build Freedom for Youth Program. Four clubs from this district have entered the "Build For Freedom" contest. They are Elizabeth City, Gatesville, Manteo and Edenton.

Mrs. John Graham of Edenton, District Chairman of International Relations, spoke on "How To Stimulate Interest and Create Broader Understanding Among Peoples of the World." The subject of Mrs. Fred Webb of Elizabeth City, District Chairman of the Citizenship Department, was "To Be An Informed Registered Voter." Citizenship Day is the third Sunday in May. Mrs. H. G. Kramer, Jr., Chairman of the Music Department, gave an outline of her program for the year.

Mrs. C. E. Hotchkiss, president of the Elizabeth City Women's Club, extended an invitation to a dinner to be held in the Virginia Dare Hotel on October 9, when the Elizabeth City Club will be hostess to State officers, who will be enroute to the district meeting to be held in Manteo the next day.

Center Hill Club Wins Prize At E. City Fair

The Center Hill Home Demonstration Club has an exhibit in the 7-County Fair at Elizabeth City and won fourth prize of \$50. In the exhibit are three good boxes and two good ones.

The exhibit was planned and arranged by the following committee: Mrs. Cameron Boyce, Mrs. B. P. Monds, Mrs. Elton Jordan, Elton Jordan and Cameron Boyce. Others also assisted by contributing or lending mail boxes, paint and other materials, and the cooperation of the entire community.

Mail box improvement is a community project in the various Chowan County Clubs, the goal being a better and more attractive mail box for every rural home.

Small or average size mail boxes should be 48 inches from the ground, and large boxes 40 inches. The box may be placed on wooden or metal standards, with the name of the owner on the box, or a name plate, which may be bought or made.

The standard recommended by the N. C. Rural Letter Carriers Association and the N. C. Highway Commission is a 4 or 6 inch post set in a concrete base so that it is movable. One of these is in the booth in Elizabeth City. Also one on a metal standard made of old pump pipe and painted with aluminum paint. The other one is white on a standard of 4 x 4 post.

4-H Meetings Will Be Resumed This Month

Miss Kimsey Perry, new assistant home demonstration agent for Chowan and Perquimans Counties, will begin meeting with 4-H Clubs in the various schools the last week in September.

Miss Perry, whose home is in Merry Hill, succeeds Miss Martha Barnett, who resigned to become home agent in Carteret County. She is a graduate of East Carolina College at Greenville.

A Word to the Wise

A good salesman knows when to stop talking. So does a bachelor.

Who can remember the old days when men insisted upon personal fistcuffs to settle religious, political and economic issues?

You can never tell, from the way a woman smiles at you, what she is thinking of you.

If you have an idea, try writing it out and you will understand why the editor gets paid.
