

Arlene Harrell Weds Richard Copeland

Ceremony Performed In Rocky Hock Baptist Church

In a candlelight ceremony at 4:00 P. M., Sunday afternoon, September 9, Miss Arlene Harrell, daughter of Mr. and Mrs. Alma Harrell of Edenton, and Richard Carroll Copeland, Jr., of Edenton were married in the Rocky Hock Baptist Church.

The vows were spoken with the Rev. Edward Gordon, officiating at the double ring ceremony.

Earl Harrell, organist, presented a program of nuptial music. The traditional wedding marches were used. The Rev. Ralph Harrell, soloist, sang "O Promise Me," "The Sweetest Story Ever Told," and as benediction he sang "O Perfect Love."

The bride entered the church with her father, Alma Harrell, by whom she was given in marriage. Her wedding gown was of an original design of slipper white satin, fashioned with high neckline and the rounded yoke was accented with a ruffle of Chantilly lace. The long sleeves tapered into wedding peaks over the hands. The snug bodice buttoned up the front with tiny self-covered buttons. The full gathered skirt accented the slim waistline.

Her fingertip veil of illusion was arranged from a lace bonnet, and she carried a prayer book topped with white bridal roses, showered with lily of the valley.

Miss Janice Harrell, sister of the bride, was maid of honor. She wore a Nile green slipper satin gown, styled with rounded yoke, with bias fold trim. The bouffant skirt accented the taut bodice and she wore half hat to match her gown, covered with flowers and long satin mitts. Her nosegay was of autumn mixed flowers.

The honorary bridesmaids were Mrs. Durwood Barber, Winfall; Mrs. Isaac Harrell, Edenton; Mrs. Willard Copeland, sister of the bride, Hertford; Misses Peggy Turner, Shirley Byrum of Tyner; and Miss Norma Harrell of Edenton.

Mrs. Eddie Nixon was mistress of ceremony.

The bridegroom had as his best man Joseph Byrum of Tyner.

Ushers were Raymond White, Suffolk; Aubrey Harrell, Edenton; Durwood Barber, Winfall; and Willard Copeland, Hertford.

M. Sgt. Stanley T. Adams of Olathe, Kan., a hero on the Korean front and winner of the Congressional Medal of Honor says, "I hope every American citizen will back up America's Defense Bond Drive with all they have. The purchase of Defense Bonds will show the boys that the country is behind them." Sgt. Adams, though wounded, fixed his bayonet and led his platoon into a nest of Chinese, giving his 19th Regt. of the 24th Infantry a chance to regroup and drive the enemy from a dangerous salient. The Sgt. also served in No. Africa and in Italy during World War II. He was also wounded during the Italian campaign.

wore a purple crepe dress, with black accessories. Her corsage was of white asters. Mrs. Copeland, grandmother of the bridegroom, wore a black crepe dress with black accessories. Her corsage was of white asters.

After the ceremony the bride and bridegroom were greeted by their many friends, in the vestibule of the church.

Mr. and Mrs. Copeland left for a short wedding trip to unannounced points. For traveling the bride wore a gray pin point suit. Her hat was of

purple felt with black trim and black accessories, and she used the roses lifted from her prayer book for a corsage.

Complimenting the bride on August 25 were: Mrs. Eddie Nixon, Mrs. Isaac Harrell as joint hostesses at a miscellaneous shower.

The bride was entertained at a cake cutting September 8 at Mrs. Henry Bunch's home.

Then there was a man who stopped making money because he didn't want to pay more taxes.

Small Retailers To Get More OPS Aid

More aid for smaller retailers and closer cooperation between them and the Office of Price Stabilization is in the making, according to Alton G. Murchison, Director of the District OPS Office at Raleigh. Rawle DeLand, former Special Assistant to the Consumer Soft Goods Division of OPS and previously a member of the retailing personnel firm of Thorndike, DeLand and Associates of New York City, has been named Special Assistant for smaller retailer problems for OPS.

DeLand will work continuously with the permanent standing sub-committee for smaller retailers of the OPS Retail Industry Advisory Committee in planning tailored calling price regulations for small merchants, Murchison said. He will work closely with all government agencies affecting small retailers. DeLand will serve as the contact point within OPS for small merchants and will expedite the handling of their inquiries and problems.

Maybe you're missing something BIG

WE know how you feel when a car has given you faithful service. You like it. You're loyal to it. And that's only human.

But just suppose you found out that some other car could make familiar roads seem a lot smoother.

Suppose some other car held the curves in a way you'd never felt before.

Suppose some other car had more thrilling power—steered like a dream—held its course like an airliner on the beam—and let you finish a long day's drive feeling daisy fresh.

Wouldn't you feel you're missing something big unless you tried it out?

There is such a car. Its name is Buick.

It has big soft coil springs on every wheel. It has a Fireball Engine. It has a "front-end geometry" that does miracles with steering. And it has Dynaflo Drive.*

And incidentally, it wears a price tag

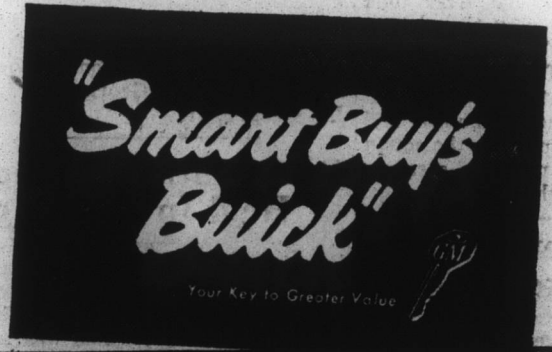

that makes it a very smart buy compared to anything else you own.

We'd like to have you try this car. You'll never know what you're missing till you do.

How about giving us a call—or coming in to see us real soon?

Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Series.
