West Albemarle District of the Tidewater Council, Boy Scouts of America celebrated the 40th anniversary of the Tidewater Council Friday night in the Edenton armory, when many parents and Scouters from all over the district attended. The Rev. R. M. Gradeless offered the invocation, and after the meal three Boy Scouts spoke upon three branches of Scouting. Dallas Stallings told about Cub Scouts, while Fred Layden's remarks had to do with Boy Scouts and Ben Browning spoke about Eagle Scouts.

The supper committee was composed of Mrs. Mary L. Browning, Mrs. Sidney Campen, Mrs. A. P. Godwin, Jr., Mrs. Tom Hollowell, Mrs. W. C. Cherry, Mrs. Brooks Morgan, Mrs. W. C. Mathews and Mrs. O. C. Long, Jr.

The regular meeting of the Chowan Hospital Auxiliary was held on September 19, at the Nurses' Home, with good attendance. Mrs. J. Clarence Leary, president, was pleased at the various committee reports. Total paid memberships have now reached 240.

Many organizations were represented by newly appointed delegates, who were busy taking votes in order to acquaint their clubs with the important work of the Auxiliary.

Mrs. T. R. Boutwell has been appointed to replace Mrs. W. S. Spitzer as Wards Chairman. She announced that the Vivian Nowell Circle of Edenton Baptist Church has had charge of work in the wards during September, and that the Catholic Women will be on duty in October. Mrs. Medlin Belch will supervise tray favors for October.

Miss Rebecca Colwell asked that the papers be watched for the date of "Planting Day" for the grounds. Many evergreens and flowering shrubs will be wanted. The grounds committee has done a marvellous job of transforming the premises, but they need more help in further beautification.

The big project voted at the meeting was the purchase of an oxygen tent for the hospital. Following the business a delightful party was arranged by Mrs. W. O. Elliott, Jr.

Center Hill Citizens Will Elect "Mayor"

Unique Election Planned By Woman's Demonstration Club

After over a hundred and fifty years without the services of a Mayor, the people of Tyner (population 227, 1940 census), have now decided they want one and are going ahead with plans to elect one, and do not want to be bothered with such things as state election laws which restrict a citizen's privilege to one ballot.

The Woman's Demonstration Club proposes that all citizens vote early and often, that is as often as they can afford. The strange thing about this election, a voter must purchase ballots at the price of twenty five cents each. The local Woman's Club is sponsoring this election, and have set up their own election laws to govern it. The proceeds from the sale of ballots will go to the Community Center Fund.

The election date has been set for November 10, 1951. The voting hours will be from 8:00 A. M. to 9:00 P. M. A count of at least 4,000 votes is anticipated. The names of several men and women, prominent in local affairs, have been mentioned as probable candidates. All candidates must be residents of Tyner (the community being better known in this section of the State as Center Hill), and must file notice of candidacy by midnight of November 8.

The plans for the inauguration, which it is understood at this time are to be elaborate, will be announced at a later date.
