Registration Boxes In **Stores For Shoppers** To Drop Names

Considerable interest is being manifested by the folks of Chowan County the much looked-forward-to "Gift Day" draws near. The merchants of Edenton will on Saturday, December 22, give away attractive gifts at their stores by means of drawings.

Registration boxes have been placed in all business concerns taking part in the event and each person is urged to register once only. Santa Claus will visit each store where he will draw a name from the box and present the lucky winner the store's prize. The drawings will get underway at 10 o'clock Saturday morning and will continue until 8:30 that night.

The Christmas spirit has already taken hold in Edenton as crowds throng the stores in a shopping spree. The merchants have gone all out this Christmas by having their stores attractively decorated and carrying an abundant supply of children's toys and adult gifts, in an effort to make the big day a success. Groups of children are seen peeking through the display windows as the electric trains go whizzing by and other mechanical toys are in operation. Others are seen Chairman, and James Curry of Spray. around Campen's store window where music is heard through a loud speaker as a doll in choir costume plays the
