

Two Chowan 4-H Club Members In State Contests

Leon Privott and Jackie Morris Go to Raleigh June 13th

The 4-H Soil Conservation Team Demonstrations will be held in the State College YMCA at 1:30 P. M., Friday, June 13. The individual demonstrations will also be held at the

same time. This is the second year that club members have been given the opportunity of conducting individual or team demonstrations on the conservation of one of our Nation's greatest natural resources—the soil. Leon Privott, son of Mr. and Mrs. Ernest E. Privott, of Route 1, who lives near Small's Cross Roads, and Jackie Morris, son of Mr. and Mrs. J. M. Morris of Tyner, who lives on the River Road, will represent Chowan County in the Team Demonstration Contest. Jackie Morris will also represent Chowan County in the 4-H Speaking Contest which will be held in the Agricultural Building at Elizabeth City today (Thursday) at 10:00 A. M. The title of Jackie's talk is "What 4-H Club Work Has Done For Me, My Community and My Country."

Upper Chowan Asks For Improved Road

A delegation from upper Chowan County was present at the County Commissioners' meeting Monday armed with a petition requesting the State to hard-surface the Yellow Hammer road, a distance of about two miles.

The Commissioners approved the request which will be forwarded to the State Highway and Public Works Commission.
