During the course of the meeting the club voted to sponsor in 1953 the third pilgrimage of historical homes and shrines in Edenton and Chowan County. In past years these tours have been well attended by tourists from many states, and are considered to be among the most outstanding projects of the Woman's Club. Colored Man Kills Sweetheart And Also Ends His Own Life

Elisha Armstead Cuts Throat of Lillar Bunch With Fish Knife

Elisha Armstead, a colored man, on Sunday afternoon cut the throat of his sweetheart, Lillar Bunch, who died very shortly afterward and then shot himself back of the left ear, causing instant death.

The crime occurred in the room occupied by the slain woman in the brick building next to the corner of Oakum and Church Streets after an apparent argument between the couple. Armstead used a fish knife to kill the woman and an old style .22 calibre pistol to end his own life.

On May 21 the colored woman had Armstead in court for assault with a knife, and threatening to kill her. At the trial, however, according to Edenton police, she said he was her sweetheart and was reluctant to press the charges, so that the couple compromised.

The two were seen together last about 3:30 Sunday afternoon.
