Edenton's Colonials won four of the seven games played during the past week and are still holding on to third place in the Coastal Plain League race.

Home games for the Colonials during the week will be: Tonight (Thursday) Tarboro; Saturday night, Goldsboro; Sunday afternoon, Wilson, and Wednesday night, Kinston.

Edenton 1, Roanoke Rapids 9  
Ragged fielding and poor base running on the part of the Colonials, coupled with hard hitting by Moreno and Leroux and effective pitching by Farmer of Roanoke Rapids resulted in Edenton being shellacked 9 to 1 on Hicks Field Wednesday night of last week.

At the same time the visitors hammered out seven hits off Tommy Reeves in two and one-third innings and eight off Stinza in six and two-thirds innings for a total of 15 hits. Farmer allowed only four hits, with Bobby Anderson getting two of the four. The Colonials were charged with five costly errors.

Garone, Moreno and Leroux each made three hits for the visitors.

Edenton 1, New Bern 4

The Colonials again tasted defeat in New Bern Thursday night when they were defeated by the Bears 4 to 1. Edenton's only run was a home run clout by Bobby Anderson in the fifth.

New Bern scored a run, in the fourth and Anderson's homer tied up the score. However, in the seventh Stilly hit a home run for New Bern to go into a 2-1 lead. In the eighth the Bears added two more runs.

Stoudenier started on the mound for Edenton, but gave way to Shahid in the seventh. Shahid pitched for two thirds of the seventh, when he was relieved by Ronnie White. New Bern made nine hits off the trio of Colonial pitchers.

Dempsey, New Bern moundsman, gave up eight hits, Bobby Anderson leading with two, one a home run.

Edenton 6, New Bern 2

On Hicks Field Friday night the Colonials jumped back in the win column by defeating New Bern 6 to 2. Bobby Anderson's stick work was a big factor in the victory, making three hits out of four trips to the plate. Anderson's hits accounted for four of the Colonials' six runs.

John Horton, brother of Ross Horton, Colonial shortstop, now in the hospital, made his debut on the mound. He pitched effective ball, allowing four hits in seven innings, when he tired and was relieved by Tommy Reeves. Reeves allowed only one hit the remainder of the game.

The Colonials touched Stephanie, Daughtie and Dempsey for 18 hits, with Anderson leading with three. Inge, Griffin and Tiedt made two hits each.

Edenton 17, Kinston 3

The Colonials went on a rampage the first two innings against Kinston on Hicks Field Saturday night, and in these two innings hammered out 11 hits, which netted 16 runs. Two more runs were added in the eighth to end the game 17 to 3.

Edenton batters fattened their batting averages by knocking out 20 hits at the expense of Halker, Renn and Ferris. Raines, Edenton moundsman, led the hitting spree with four hits, followed by Anderson and Evans with three hits each. Anderson and Parker each hit home runs. It was Raines' ninth consecutive victory and the 15th for the season.

After the smoke cleared in the first inning the Colonials scored nine runs and in the second inning added six.

## Band Stand Will Be Built On Playground

### Band Director's Hope For Weekly Concerts Now Realized

Plans are now under way to construct a band stand on the Edenton playground on Hicks Field, where Ernest Gentile, band director, will stage band concerts just as soon as the stand is completed. A committee met at the playgrounds Tuesday morning and decided to place the stand on the southeast corner of the playground.

Various lumber concerns have contributed the lumber for the band stand and according to Dr. A. F. Downum, president of the Band Association, the cost of the labor will be approximately \$200. An effort is being made to raise this amount by contributions. Some little money has already been received and Dr. Downum is appealing for enough contributions to pay for the construction. C. T. ## Portrait Of Queen Anne Is Presented To Chowan County

### Painting Is Gift To County By Mr. and Mrs. John Fletcher

A portrait of Queen Anne, painted by Miss Anne Fletcher, sister of John Fletcher, was this week presented to Chowan County by Mr. and Mrs. Fletcher, and has been hung in the assembly room of the Court House. The portrait is a copy of a painting now hanging in the National Gallery in London.

Mr. and Mrs. Fletcher have previously presented to the county a portrait of the Duke of Albemarle, also painted by Miss Anne Fletcher. This latter painting is a copy of a portrait painted by Sir Peter Lely and is now hanging in the Capitol Building at Williamsburg, Va.

Other portraits of interest to Edentonians now hanging in the Court House assembly room are Joseph Hewes and Hugh Williamson, painted by Mrs. James H. Webb of Fayetteville and presented to the county. Mrs. Webb was formerly Miss Anne Bond of Edenton.

Miss Fletcher's painting of Queen Anne is a companion piece to the Duke of Albemarle portrait and both paintings now occupy appropriate places on the assembly room walls.

Queen Anne, the subject of Miss Anne Fletcher's painting, occupied the throne of England during Edenton's early settling period. A small creek that empties into the Albemarle Sound near Edenton was named in honor of the queen, and Edenton once bore the name of "The Towne on Queen Anne's Creek."

## Extension Offices Crowded At P. O.

### Lack of Storage Space For Workers Causes Fire Hazard

Crowded conditions in the two Extension offices and the PMA office and the lack of adequate storage room is quite a problem. A wooden enclosed storage room was constructed in the boiler room of the Post Office in 1936 through permission of the Federal Buildings Commission. For two years or more the post office inspector has contended this storage space a fire hazard.

District representatives of the Extension Service and the PMA met with the county agent, the PMA secretary and the County PMA Committee Thursday of last week relative to eliminating the fire hazard and request the construction of a fire-proof storage room in the post office basement. As a result, the wooden structure has been torn down and removed. The paper boxes and inflammable materials have been removed, but it is still impossible to remove several cabinets and machines placed on one side of the hallway as there is no other adequate place to store them for use.

It is hoped that the Federal Buildings Commission will follow through with plans to construct an additional office room in the basement of the post office building to relieve this crowded situation to some extent and provide satisfactory storage space.

## Immunization Clinics Held In Health Office Tuesday And Friday

### Children Going to School For First Time Must Be Vaccinated

The District Health Department advises that North Carolina law requires that every child entering school must have been immunized against diphtheria and whooping cough and successfully vaccinated against smallpox.

"If this work was performed by a private physician," says Dr. B. B. McGuire, health officer, "be sure to bring a certificate signed by the doctor, no matter where (or in what State) the work was done. If it was performed at one of the district health offices, please ask the secretary to give you the certificate to present to the teacher when school opens. We have a record of these immunizations if it was given in the local health offices.

"If your children have not had the protective measures mentioned above, be sure to go to your doctor at once. If you cannot pay your doctor, come to your health office, where it will be done free, according to State law."

The immunization clinics at Elizabeth City Health Center are 4 to 5 o'clock Monday through Friday; in Camden, Fridays from 1 to 4 o'clock; in Hertford, 1 to 5 o'clock Thursdays; in Edenton, 3 to 5 o'clock Tuesdays and 1 to 5 o'clock Fridays.

## Leaf Growers Urged To Cast Heavy Vote

### Tobacco Quota Referendum Will Be Held Saturday

State College officials and other agricultural leaders throughout the State have joined in urging that North Carolina farmers cast a heavy vote in the flue-cured tobacco quota referendum on Saturday, July 19.

Participating in the referendum will be flue-cured growers in Alabama, Florida, Georgia, North Carolina, South Carolina and Virginia. They will decide (1) whether they approve marketing quotas for the 1953, 1954 and 1955 crop years, (2) whether they disapprove quotas for the three years but favor quotas for 1953 only, or (3) whether they disapprove quotas for the three years.

A favorable vote by at least two-thirds of those voting is required to make marketing quotas effective. Voting will be by secret ballot at places designated by PMA committees.

In the last similar referendum, held in July, 1949, some 97.7 per cent of the 230,719 growers voting favored quotas for the 1950, 1952 and 1952 crops.

Anyone who has an interest in the 1952 crop of flue-cured tobacco, either as owner, tenant or sharecropper, is entitled to one vote on the question of marketing quotas. Each person concerned, however, is entitled to only one vote even though he may be engaged in the production of flue-cured tobacco in two or more communities, counties or states.

The purpose of marketing quotas, according to agricultural officials, is to provide growers with a method of adjusting supply to demand and to help them obtain fair prices for the tobacco they produce.

According to County Agent C. W. Overman, polls will be open from 7 A. M. to 7 P. M., with the voting places being as follows:

Edenton and Yeopim communities will vote at the Court House in Edenton.

Macedonia and Rocky Hock communities will vote at Grover Cale's store.

Center Hill and Ryland communities will vote at Evans store at Cross Roads.
