## Purchase Of Lands Scheduled To Begin For National Park

State's Share of National Park Project Will Be \$618,000

30,000 ACRES

Lindsay Warren Author Of Legislation While In Congress In 1937

The National Park Service of the Department of the Interior will establish a land acquisition office in the near future to launch the task of purchasing lands for the Cape Hatteras National Seashore Recreation Area, Secretary of the Interior Oscar L. Chapman has announced. Available for the purpose are \$618,000 in State of North Carolina funds and a matching amount from unnamed donors. The project on which these funds are to be expended was first authorized by Congress in 1937.

The boundaries of the area in which lands are to be acquired have been jointly agreed upon by the Cape Hatteras National Seashore Commission, the Governor's Council, and the National Park Service. From the point, locally known as Whalebone, on Bodie Island, approximately 8 miles north of Oregon Inlet, where U. S. Highway 158 turns to go to Roanoke Island, the project extends down to Cape Hatteras itself and southwestward from the Cape to the farther end of Ocracoke Island. No part of the ocean-front resort community of Nags Head is included within the project. All the several villages lying along the inner side of North Carolina's Outer Banks—North and South Rodanthe, Salye, Buxton, Frisco, Hatteras and Ocracoke—are excluded, as required by the 1937 act of Congress. So also are liberal areas surrounding them, to leave adequate room for their expansion.

This portion of the Outer Banks of North Carolina comprises one of the few extensive stretches of undeveloped seashore remaining on the Atlantic Coast, Secretary Chapman stated.

Author of the 1937 legislation was the Hon. Lindsay Warren, then Representative from North Carolina's First Congressional District, and now Comptroller General, who has retained his interest in the prospect during the nearly 12 years since he took over his present position. Mr. Warren has taken an active and effective part in the recent negotiations which resulted in the decision of the Governor's Council to make \$618,000 of the State's funds available for the project, as has his successor in Congress, the Hon. Herbert C. Bonner.

The total area within the project boundaries comes to approximately 30,000 acres of land.

## Marine Is Killed In Plane Crash Monday

M/Sgt. Raymond Kennedy Pulled From Wreckage

Master Sergeant Raymond F. Kennedy, a Marine pilot, lost his life Monday when a Corsair fighter plane crashed and burned at the Edenton Marine Corps Auxiliary Landing Field.

Kennedy, 27, with other pilots, was participating in simulated carrier landings when his plane crashed and burned. He was dead when his body was pulled from the flaming wreckage.

The victim's home was in Central Falls, R. I., and he was stationed at Cherry Point. He is survived by his wife and two children who live at Havelock.

## Clark Replaces Brooks On Colonials' Lineup

A new face in the Edenton Colonials' lineup since Friday is Doug Clark. Clark succeeds Chester Brooks, who was released to make room for Clark, who played his first game with the Colonials in Goldsboro.

Clark is a fast outfielder with a deadly throw and is expected to add strength both to offense and defense for the Colonials.

### RED MEN MEET MONDAY

Chowan Tribe of Red Men will meet next Monday night at 8 o'clock. This will be an important meeting, so that E. G. Williford, sachem of the tribe, urges members to make a special effort to attend.

## U. S. Savings Bonds Sales In Chowan

\$5,031.25 In June

Entire Amount Represents Investment In Series E and H

Sale of United States savings bonds in Chowan County for the month of June totaled \$5,031.25 all of which was in Series E and Series H bonds. This sales announcement is made by County Savings Bonds Chairman A. B. Harless based on the monthly sales report from Allison James, State Director of U. S. Savings Bonds in Greensboro.

The total figures for North Carolina's 100 counties were as follows: Series E and Series H Bonds (combined) \$2,848,152.75; Series J Bonds \$28,404.00; Series K Bonds \$373,500.00; totaling \$3,250,056.75.

County Chairman Harless, in announcing the above sales, explained that Series E and Series H Bonds are reported as a combined total rather than separately because both Series are sold in the same market—to individuals only, and because the Series H is a companion bond to Series E.

Chairman Harless commented that the new current income H Bond is proving very popular, and expressed his gratification at the cooperation of all media of advertising and publicity in informing the public about the new features of all Series of Savings Bonds.

## Edenton's National Guard Wins Honor At Fort McClellan

Local Outfit Went and Returned Home 100% Of Strength

Tired but happy members of the Edenton Heavy Mortar Company, 119th Infantry Regiment of the National Guard returned home Sunday afternoon after two weeks of intensive training at Fort McClellan, Anniston, Alabama. The North Carolina Guardsmen joined Tennessee members of the famed "Old Hickory" Division, named for President Andrew Jackson, himself a member of the National Guard. The training was described by Brigadier General Claude Bofers of Warrenton as the most important for Guardsmen since World War II.

The Edenton unit came back with a plaque in the form of commendation from Commanding General Paul Jordan of the Third Division for attending camp 100 per cent strength. The local unit was the only one to go to camp 100 per cent and return home 100 per cent.

The first week's training was devoted to small arms firing as well as firing the 4.2 mortars, with 344 rounds fired of the latter.

The first Saturday in camp a regular division review was held when a parade marched by Governor W. Kerr Scott and high ranking military personnel.

The second week each regiment went on a 4-day bivouac maneuver, with training conducted on a platoon level. The men were also trained in a night problem which included combat patrolling.

Most of the men returned home Sunday afternoon, but the remainder, driving the unit's vehicles with Sgt. Walter Mills in charge, returned home Tuesday.

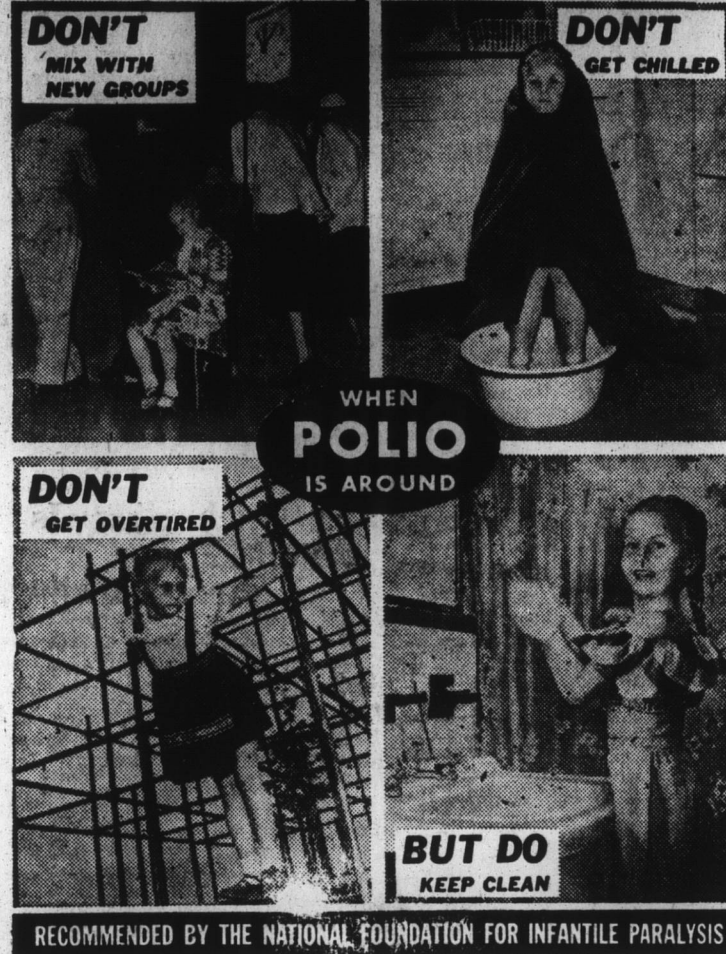

The men were paid off Friday and left Fort McClellan at 2 o'clock Saturday afternoon, arriving home about 4:30 Sunday afternoon.

In the Edenton group were five officers and 67 enlisted men, with Captain Cecil Fry as commanding officer.

## VFW Auxiliary Cake Sale Saturday Morning

The Women's Auxiliary of William H. Coffield Post, Veterans of Foreign Wars, will hold a cake sale Saturday morning. The sale will be conducted at the Hughes-Holton Hardware Store, starting at 9 o'clock. The ladies will have for sale cakes, pies, candy, cookies and other items made by the members.

## 1952 POLIO PRECAUTIONS

Seven-year-old Karen Blecha enacts 1952 polio precautions recommended by the National Foundation for Infantile Paralysis. When polio is around, the National Foundation cautions parents to watch for these signs: headache, fever, sore throat, upset stomach, tenderness and stiffness of neck and back. A person showing such symptoms should be put to bed at once, away from others. Then, call your doctor and follow his advice. If polio is diagnosed, call your local chapter of the March of Dimes for advice and assistance, including needed financial help.

## Big Hagen-Wallace Circus In Edenton Monday, July 28th

## Edenton Baseball Club Will Share In Proceeds Of Two Performances

Sponsored by the Edenton Baseball Club, the Hagen-Wallace three-ring circus will appear in Edenton Monday, July 28. The circus will be located on Hicks Field, back of the armory, for one day only. There will be two performances, the matinee starting at 3 o'clock and the night performance at 8 o'clock.

With the Edenton Baseball Club sharing in the proceeds, it is hoped a large number of people will attend the circus. As an incentive to help the baseball club, advance tickets will be on sale, of which the club will receive 50 per cent. For those who buy tickets at the circus grounds the club will receive only 10 per cent. For that reason all who plan to attend are urged to purchase their tickets before going to the circus.

Tickets are on sale at the following Edenton places: Hughes-Holton Hardware Store, Byrum Hardware Store, Leggett & Davis Drug Store, Colonial Motor Court, Mitchener's Pharmacy, Gulf Service Station, Albemarle Restaurant, Cuthrell's Department Store, Triangle Service Station, Basnight Grocery, Hoskins Harrell's Service Station and Bridge-Turn Service Station.

The attractions offered this season number over one hundred, and feature a number of new acts first time in America.

Among the top headliners appearing with the circus is the Tomyana Troupe (Continued on Page Eight)

## A. E. Jenkins Named As Area Chairman By Auto Dealers

## Key Representative of State and National Associations

A. E. Jenkins, manager of the Chas. H. Jenkins Motor Company, has been named area Chairman for Chowan County, according to Fred H. Deaton, president of the North Carolina Automobile Dealers Association. In making this announcement, Deaton pointed out that Jenkins as area chairman, will be a key representative of the State and National Automobile Dealer Associations and will serve as liaison between dealers in this county and the dealer association headquarters in Raleigh and Washington. He will head the annual NCADA, and NADA membership campaign in the fall.

## Town Councilmen Shave 15 Cents Off Edenton's Tax Rate

## "Miss America" To Play In Guest Role In "Lost Colony"

## Colleen Kay Hutchins Will Perform Tuesday Night, July 29th

Lovely Colleen Kay Hutchins, who won the title "Miss America" for her beauty, shapeliness and talent at the Miss America Pageant in Atlantic City last September, will be a guest performer at Paul Green's symphonic drama The Lost Colony at Waterside Theatre in Manteo on Tuesday night, July 29. She will be the first of several celebrities scheduled for guest roles in the drama during the remainder of the 12th season of the show.

Miss Hutchins entered the national contests as "Miss Utah of 1952." She is a graduate of the University of Utah where she majored in dramatics winning recognition in several plays including Anthony and Cleopatra in which she was cast as the Egyptian princess and Queen. In Atlantic City she did a skit from Maxwell Anderson's "Elizabeth the Queen," which won her talent honors. Thus, as an actress, Miss Hutchins will not be making her debut on a stage, as she has appeared in many roles on many stages during her dramatic career.

In The Lost Colony she will appear in the colorful and newly costumed Fish Net Scene. During recent years other outstanding personalities, including Georgia Carroll and LuLong Ogburn "Miss North Carolina" have appeared as guest performers in this scene. During intermission Miss America will be introduced to the audience from the great stage of Waterside Theatre and interviewed by General Manager William Hardy.

Miss America is 5 feet 10 inches high, a blue eyed blond with bust and hips measuring 36 inches and waist of 24 inches. She weighs 143 pounds. She will arrive on the Dare coast this week-end witnessing a performance of the drama on Sunday night prior to her guest appearance next Tuesday.

## Funeral Services Held Monday For Richard H. Goodwin

## Edenton Man Succumbs In Scotland Following Automobile Wreck

Funeral services were held in the Edenton Baptist Church Monday morning at 11 o'clock for Richard Henderson Goodwin, 35, who died in Scotland Wednesday of last week as the result of injuries sustained in an automobile wreck. The pastor of the church, the Rev. R. N. Carroll, officiated, with interment following in Beaver Hill Cemetery.

The body of Mr. Goodwin arrived by plane in New York Saturday.

Mrs. Goodwin, who was vacationing in Edenton when the accident occurred, rushed back to Scotland by plane, accompanied by her brother-in-law, Richard F. Elliott. They arrived at the bedside of the injured man Tuesday morning in time for him to recognize them, but he passed away the next morning. Mrs. Goodwin and Mr. Elliott were accompanied back to Edenton by Mr. and Mrs. Gordon Jones of Grangemouth, Scotland.

Mr. and Mrs. Goodwin had been in Scotland several years, where Mr. Goodwin was associated with the Kellogg Engineering Company.

Mr. Goodwin was educated at The Citadel at Charleston, S. C., and Indiana Tech in Fort Wayne, Indiana. Before joining the Kellogg Engineering Company in 1942, he was connected with the E. I. DuPont Company.

Surviving, besides his wife, are his son, Richard Goodwin, Jr.; his mother, Mrs. George W. Goodwin of Edenton; a brother, George W. Goodwin, Jr., of Ednor, Md., and six sisters, Mrs. Earl Hurdle of Elizabeth City, Mrs. J. L. Alderman of Garner, Mrs. Will Herring of Scotland Neck and Mrs. T. Wallace Jones, Mrs. M. A. Hughes and Mrs. J. P. Partin of Edenton.

Funeral services were held in Edenton, Frank Wood, W. D. Holmes, Jr., J. H. Conger, Sr., Dr. Roland H. Vaughan, Ep Debnam, Paul Partin and Gordon Jones of Grangemouth, Scotland.

## Budget Approved At Special Meeting Held Tuesday Night

NEW RATE \$1.35

## Provision Made For New Football Bleachers At Hicks Field

Meeting in special session Tuesday night, Town Council considered the tentative budget for Edenton for the fiscal year 1952-53 as presented by the Finance Committee.

Very few changes were made in the figures as presented and according to the estimated income and various appropriations it will be possible to shave 15 cents off the present tax rate. The tax rate last year was \$1.50 on the \$8100 property valuation, so that unless any considerable changes in the budget are necessary to be made, the new rate will be \$1.35.

The proposed budget was approved by the Town Councilmen, and it will be filed in the Town office for 30 days for public inspection, after which it will be officially adopted by Town Council.

The budget provides for no increase in salaries for the year.

Of special interest is provision in the budget for new football bleachers at Hicks Field. The present wooden structure is in very dangerous condition, and last fall it was necessary to prohibit use of several rows of the top seats. The plan is to construct bleachers of cement blocks and to provide a field house underneath. The present field house is not in the best of condition and very soon would require some outlay for repairs.

Tentative plans call for the bleachers being 192 feet long with 14 rows of seats, the first row to be a few feet above the ground level.

## Hollowell Resigns Job As Town Clerk

## Town Council Is Now Awaiting Applications For Successor

When Town Council met in special session Tuesday night to consider the 1952-53 budget, Mayor Leroy Haskett read a resignation submitted by A. S. Hollowell, who succeeded Wesley Chesson as Town Clerk on July 1.

In a briefly worded statement, Mr. Hollowell, in substance, said that he appreciated the opportunity to serve as Town Clerk but, in his opinion, it would be better for himself and the Town as well that he resign.

His resignation was accepted with regret, and he will serve until a successor is secured.

At Tuesday night's meeting no particular person was considered for the position, but it is expected some applications will be submitted. Those who desire to make application should do so at once.

## Regular Morning Service On Sunday At Baptist Church

## Worship Service at 11 O'clock Despite Painting Now In Progress

Even though the interior of the Baptist Church is being painted, it has been determined that the morning worship service this Sunday, July 27, can be held in the auditorium of the church. Because of this painting work, it was not possible to announce last Sunday just where the worship services for this Sunday could be held.

With the above facts in mind, it was announced last Sunday that the papers would advise where the worship services would be held this Sunday and members of the church will be glad to learn that morning service will be held in the auditorium of the church Sunday morning as heretofore. The committee has announced that there will not be an evening worship service Sunday night.

The other regular meetings of the day are Sunday School at 9:45 and the morning worship service at 11 o'clock. Training Union will meet at 6:45 P. M.
