

COLORED SCHOOL NEWS

The Edenton High School will begin its out-of-school recreation program on Thursday night, October 9, from 7 P. M., to 9 P. M., in the gymnasium.

Beginning next week the out-of-school recreation program is scheduled for Tuesday and Thursday nights continuously throughout the school year at the time stated above.

This year Edenton High School is proud to announce that there will be several new features in its recreation program.

Some of these new features are: arts and crafts, folk and square dancing, creative dance groups, radio quizzes and hobby clubs.

Of course, we still play cards and volley ball and the many games that were offered last year.

We want you to come out for a relaxing and enjoyable evening with us every Tuesday and Thursday nights from 7 to 9.

Come out and support the program. Let's have fun together. You and only you are the recreational program builders.

The Edenton High School for the present school year is going all out for better school and community. It has selected for the title of the school's theme, "Tomorrow Won't Wait."

The theme of the school will and is being placed throughout the school. The students and teachers are working hard to make the theme a living and usable reality. The school family is looking forward to the help that will come from parents and patrons of the community.

The activities of the whole school will be centered around the theme, so if the parents and patrons of the school are interested in what is going on they have a standard invitation to visit our programs and classrooms. The teachers and students will appreciate your visits.

The Hornets invaded the grounds of C. S. Brown High School, Winton, and returned victorious with a score of 12 to 6 in our favor.

The teams scored: Edenton in the first quarter, Winton in the third, and Edenton again in the fourth.

The outstanding players for the Hornets were Revels, Mebane, Rountree, Outlaw, Bond, Spruill and Valentine.

The first meeting of the Edenton City Unit of the North Carolina Teachers' Association was held Thurs-

day, October 2, at 7 P. M., in the high school library. New teachers were welcomed in the association and then a planning committee was appointed to outline a program for the year. Mrs. Ruth Frinks is chairman of the committee. Plans were made to attend the annual district meeting of the association at the Pasquotank County Training School in Elizabeth City on November 14. T. L. Sharpe is president and A. W. Kemp, secretary. Mrs. Alma Jenkins was elected treasurer to fill the vacancy left by Mrs. Fannie Badham.

Plans for the greatest home-coming yet are progressing very satisfactorily, says Chairman Sharpe of the Homecoming Committee. Many new features are being planned for this great occasion. The biggest parade ever is to be staged at 1:00 P. M., on October 31 and the game will begin at 2:00 P. M. —
