

White Cane Sale Is Now In Progress

Cooperation Is Urged to Raise Money For Blind Work

The White Cane Drive, under the sponsorship of the Edenton Lions Club, is underway this week. At the regular meeting of the club Monday night, Dr. A. F. Downum, chairman of the drive, expressed the importance of the success of the White Cane Sale. Dr. Downum pointed out that one-third of the collections from the sale will be spent here in Chowan County for blind work and that the remaining two-thirds will be sent to the North Carolina Association for the Blind for use in state-wide blind work. Every member of the Lions Club was given a number of white cane buttons to sell and all citizens are urged to cooperate in the drive.

W. W. Byrum had as his guests Lloyd Griffin of Edenton, B. A. Brooks of Raleigh, and W. L. McMillan of Rocky Mount.

FHA Chapter Holds Meet At High School

Friday of last week the Edenton Chapter of the FHA held its regular meeting in the Junior-Senior High School Library. The meeting was opened by the president, Margaret Parrish, using the FHA opening ceremony. A short devotional was led by Marion Goodwin.

The club elected Parliamentarian and reporter for the year. Serving as Parliamentarian will be Jackie Lane, and as reporter will be Fay Taylor.

The president asked for suggestions for money making projects for this year. Several were made. Money made from the projects will go toward a FHA Project For Improving the School or Home Economics Department. Napkins were sold last year and those left are being sold by club members now.

The question as to whether or not to have chapter mothers was discussed. The class decided to have them but nominations will be made at the next meeting. The meeting was closed by using FHA closing ceremony.

Edenton Aces Tackle Kinston Friday Night

Coach George Thompson's Boys Will Be Underdogs

Edenton's Aces will face another formidable foe Friday night, when they are scheduled to tackle the Kinston Red Devils on the latter's gridiron. Kinston is reported to have a rugged combination, so that the Aces will enter the contest decidedly the underdog.

Coaches George Thompson and Ben Perry have been putting the Edenton boys through strenuous practice sessions in anticipation for this game and believe the Aces will give the Kinston team a run for its money.

Squad members are in good condition, so that they will do their best to add another victory to their season's record of four losses and one win.
