

Large Number At Benefit Breakfast

Sponsoring Clubs Appreciate Splendid Cooperation

Members of the Edenton Woman's Club, Junior Chamber of Commerce and the Business and Professional Woman's Club are very well pleased with the success of the benefit breakfast held Saturday morning in the Penelope Barker house, when a substantial meal was served including tomato juice, pancakes, sausage and coffee.

Friends began arriving shortly after 7 o'clock and a continuous line of customers called until almost 10 o'clock. The breakfast was held in an effort to help raise funds to apply on the Penelope Barker house indebtedness.

The sponsoring clubs desire to express their sincere appreciation for the splendid cooperation in the affair—the large number who bought tickets as well as those who contributed necessary items to serve the breakfast. This included sausage meat, butter, sugar, cream and shortening by the P & Q Super Market; syrup, and pancake flour and tomato juice by W. D. Holmes Wholesale Grocery; coffee by the Colonial Store; Western Auto Associate Store for setting up two gas stoves for cooking; Ernest Kehayes for furnishing the first three gallons of coffee until the breakfast got under way and The Betty Shoppe for furnishing the tickets for the breakfast.

Mrs. J. A. Moore won the chocolate cake which was baked by Mrs. C. C. Wiggins.

Week Of Prayer Will Be Observed March 2-6 At Baptist Church

Interesting programs have been prepared and all members are urged to attend.

MOVIE FEATURES MEETINGS

A film entitled "Pine Ways to Profit" was shown at 4-H Club meetings last week. This is a very good film which was produced by the U. S. Department of Agriculture, and it very vividly shows how to get the most profit from pine trees. The club members seemed to enjoy the film very much and at least one club member and his parents ordered 500 pine trees as a result of the 4-H Club boy seeing the movie.

Oratorical Contest At White Oak School

The annual oratorical contest was presented to a large and appreciative audience on February 17 in the White Oak Consolidated School auditorium. The contestants were pupils from grades four through eight. The oratorical rivalry was keen and as a result the awarding of prizes was extremely difficult.

Hilda Privott, Edward Hall and Kenneth Jordan were given awards as being the best speakers. One of the feature events of the program was the first public appearance of the school's choral group and rhythm band under the direction of the music instructor, Mrs. R. H. Tompkins. The applause of the audience was long and enthusiastic to the renditions of the choral group and rhythm band.

RIGHT MUCH DIFFERENCE

An error was made in last week's Herald in connection with the Ward's Club report. It was stated that donations for the community building amounted to about \$8.00 cash. The correct figure should have been \$800. The error is regretted and correction made in order to give full credit for the splendid cooperation of the people of the community.

Wilmington Youth Selected As State's Easter Seal Child

Annual Easter Seal Sale Will Be Held March 5 To April 5

Roy Edward Piner, Jr., of Wilmington, has been selected as North Carolina's 1953 Easter Seal child, it is announced by Judge E. Earle Rives, Greensboro, president of the North Carolina Society for Crippled Children and Adults.

Six-year-old Edward will symbolize all of the State's crippled children during the annual sale of Easter Seals from March 5 to April 5. He was chosen, President Rives said, because he typifies the children who are benefiting from services provided by Easter Seal Funds.

Edward has been crippled since birth. His trips to the orthopedic clinic at James Walker Memorial Hospital started before he was a year old. At the age of three he had the first operation on his legs.

When he was four he entered the North Carolina Cerebral Palsy Hospital in Durham. While there he had a second operation at Duke Hospital. After this operation he was fitted with braces and crutches and began to learn to walk for the first time.

Now Edward walks with the aid of his crutches and braces and is back in Wilmington leading the life of a very busy six-year-old.

Edenton Boy Scouts Guests Of Rotarians

(Continued from Page One)

by Paul P. Harris, a young lawyer, who suggested the idea to a group of his friends. It was called the Rotary Club because the first meetings were held in rotation, in the of-

lices of its members. Today Rotary is a world-wide organization of some 365,000 business and professional executives.

The Edenton Rotary Club was organized at a meeting held in the directors' room of the Citizens Bank building on February 19, 1926. Only two of the present members, John A. Holmes and C. H. Wood, were present at the organizational meeting.

The first luncheon meeting of the club was held in the Cupola House tea room on Thursday, February 25, with 23 members and five visitors from Elizabeth City present.

The Edenton Club received its charter on April 22, 1926, at a dinner meeting held at the armory with all members present and 230 visiting Rotarians and local guests. The club now has 38 members with W. T. Harby as president and John Kramer to take over the presidency July 2.

Dr. J. A. Powell was the first president and the late M. F. Bond, Jr., was secretary of the club.

Three new members, the Rev. James MacKenzie, Leon Thomas and George Twiddy, joined the club at the meeting.

AN URGENT APPEAL

(Continued from Page One)

be missed, I will be more than glad to receive any contributions at The Herald office.

In the more than a quarter of a century I have lived in Edenton I have yet to witness an appeal made for a worthy cause which has gone unheeded. I consider the March of Dimes a very, very worthy cause and believe our citizens will rally to my appeal and thus maintain the county's splendid reputation.

Chowan County has been very fortunate in not being plagued with a polio outbreak. We have used some of the funds for a few local cases but in event of an epidemic it would be necessary to call on state and national headquarters for financial assistance. Being the one to make this request, it would be humiliating, indeed, to ask for aid if the county raised only \$400 in the drive to raise money for such purposes. Chowan County can raise much more than \$400 and I feel confident it will. If it don't, it will not only let me down, but it will also let down some victim of polio who needs some of the expensive treatment to combat the disease.
